## **GUIDANCE ON USE OF INFORMATION TECHNOLOGY (IT) AND SOCIAL MEDIA AND ON THE RECORDING OF MEETINGS**

Those wishing to report the proceedings at the meeting will be afforded reasonable facilities for doing so; however, there is no legal requirement to enable audio or video recordings or use of IT and social media during the meeting. The final decision on whether a member of the public or press may undertake these activities is a matter for the Chairman's discretion.

All mobile devices (mobile phones, BlackBerries, etc) should be switched off or placed in silent mode during the meeting to prevent interruptions and interference with any Public Address (PA) or Induction Loop systems. Those attending for the purpose of reporting on the meeting may use mobile devices in silent mode to send electronic messages about the progress of the public parts of the meeting. This is subject to no interruptions, distractions or interference with any PA or Induction Loop systems being caused. The Chairman may ask for mobile devices to be switched off in these circumstances.

Any requests to record all or part of the meeting must be made in writing, setting out the parts of the meeting, purpose and proposed use of the recording, to the Chairman prior to the start of the meeting. In considering requests to record the meeting, the Chairman will take into consideration the impact on other members of the public in attendance. The Chairman may inform the committee and any public present at the start of the meeting about a proposed recording, the reasons and purpose for it and ask if there are any objections. The Chairman will consider any objections along with any other relevant factors before making a decision. The Chairman's decision will be final, but s/he may ask for recordings to be ceased in the event that they become a distraction to the conduct of the meeting.
