Get involved

Ask a question

If there is something you wish know about how your council works or what it is doing in your area, you can ask the local committee a question about it. Most local committees provide an opportunity to raise questions, informally, up to 30 minutes before the meeting officially starts. If an answer cannot be given at the meeting, they will make arrangements for you to receive an answer either before or at the next formal meeting.

Write a question

You can also put your question to the local committee in writing. The committee officer must receive it a minimum of 4 working days in advance of the meeting.

When you arrive at the meeting let the committee officer (detailed below) know that you are there for the answer to your question. The committee chairman will decide exactly when your answer will be given and may invite you to ask a further question, if needed, at an appropriate time in the meeting.

Sign a petition

If you live, work or study in Surrey and have a local issue of concern, you can petition the local committee and ask it to consider taking action on your behalf. Petitions should have at least 30 signatures and should be submitted to the committee officer 2 weeks before the meeting. You will be asked if you wish to outline your key concerns to the committee and will be given 3 minutes to address the meeting. Your petition may either be discussed at the meeting or alternatively, at the following meeting.

Use of social media and recording at council meetings

Reporting on meetings via social media

Anyone attending a council meeting in the public seating area is welcome to report on the proceedings, making use of social media (e.g. to tweet or blog), provided that this does not disturb the business of the meeting. To support this, County Hall has wifi available for those visiting the building so please ask at reception for details.

Members taking part in a council meeting may also use social media. However, members are reminded that they must take account of all information presented before making a decision and should actively listen and be courteous to others, particularly witnesses providing evidence.

Webcasting

In line with our commitment to openness and transparency, we webcast County Council, Cabinet and Planning & Regulatory Committee meetings as well as the Surrey Police and Crime Panel. These webcasts are available live and for six months after each meeting at www.surreycc.gov.uk/webcasts.

Generally, the public seating areas are not covered by the webcast. However by entering the meeting room and using the public seating areas, then the public is deemed to be consenting to being filmed by the Council and to the possible use of these images and sound recordings for webcasting and/or training purposes.

We also webcast some select and local committee meetings where there is expected to be significant public interest in the discussion.

Requests for recording meetings

Members of the public are permitted to film, record or take photographs at council meetings provided that this does not disturb the business of the meeting and there is sufficient space. If you wish to film a particular meeting, please liaise with the council

officer listed in the agenda prior to the start of the meeting so that the Chairman can give their consent and those attending the meeting can be made aware of any filming taking place.

Filming should be limited to the formal meeting area and not extend to those in the public seating area.

The Chairman will make the final decision in all matters of dispute in regard to the use of social media and filming in a committee meeting.

Using Mobile Technology

You may use mobile technology provided that it does not interfere with the PA or induction loop system. As a courtesy to others and to avoid disruption to the meeting, all mobile technology should be on silent mode during meetings.
