Get involved

Ask a question

If there is something you wish know about how your council works or what it is doing in your area, you can ask the local committee a question about it. Most local committees provide an opportunity to raise questions, informally, up to 30 minutes before the meeting officially starts. If an answer cannot be given at the meeting, they will make arrangements for you to receive an answer either before or at the next formal meeting.

Write a question

You can also put your question to the local committee in writing. The committee officer must receive it a minimum of 4 working days in advance of the meeting.

When you arrive at the meeting let the committee officer (detailed below) know that you are there for the answer to your question. The committee chairman will decide exactly when your answer will be given and may invite you to ask a further question, if needed, at an appropriate time in the meeting.

Sign a petition

If you live, work or study in Surrey and have a local issue of concern, you can petition the local committee and ask it to consider taking action on your behalf. Petitions should have at least 30 signatures and should be submitted to the committee officer 2 weeks before the meeting. You will be asked if you wish to outline your key concerns to the committee and will be given 3 minutes to address the meeting. Your petition may either be discussed at the meeting or alternatively, at the following meeting.

4 WRITTEN PUBLIC QUESTIONS

To answer any written questions from residents or businesses within the area in accordance with Standing Order 69. Notice should be given in writing or by email to the Community Partnership and Committee Officer by 12 noon, four working days before the meeting.

One question has been received from Mr Paul Chapman as follows:-

Back in August 2013 there was much fanfare and trumpeting that a solution had been found to the problems on Red Road and in particular the dangerous right turn out of MacDonald Road. This was covered widely in the local press, quote "Mike Goodman, Denis Fuller, Adrian Page and Bill Chapman threw their weight behind placing a roundabout at Lightwater Road" and on social media including interviews with Councillors Goodman and Fuller on the Surrey Heath Residents' Network where the plans were described as a "significant breaking news for the community".

That was over a year ago, and since then very little has been mentioned about the solution and nothing much seems to have changed at the junction.

Can the committee please give an update on what progress has been achieved over the past 14 months since this "significant breakthrough."

5 WRITTEN MEMBERS QUESTIONS

To receive any written questions from Members under Standing Order 47. Notice must be given in writing to the Community Partnership & Committee Officer by 12 noon 4 working days before the meeting.

6 PETITIONS

To receive any petitions in accordance with Standing Order 68. Notice should be given in writing or by email to the Community Partnership and Committee Officer at least 14 days before the meeting.

Alternatively, the petition can be submitted on-line through Surrey County Council's e-petitions website as long as the minimum number of signatures (30) has been reached 14 days before the meeting.

An on-line petition for Pine Ridge (closing deadline 16 August) will be presented to the meeting.

- *We, the parents, residents and concerned members of this community are urging the council to assess the lack of road safety measures outside Pine Ridge Infant & Nursery School, Esher Road, Camberley. It is becoming increasingly dangerous for our children making their daily journeys to & from school. It is indeed an accident waiting to happen. 4yr old Finley Fitzpatrick was involved in an RTA on the 1st May 2014 while crossing Mitcham Road due to instruction from the school to only use the entrance from Mitcham Road & the lack of school warning signs. Therefore we would like the council to implement improved road safety to provide our children with the safer environment they deserve.*

7 PETITION RESPONSE - CORDWALLES SCHOOL

To receive a report in answer to the petition presented at the March Committee as follows:-

The petition stated "We, the parents, residents and concerned members of this community are urging the Council to assess the lack of road safety measures outside Cordwalles Junior School, Berkshire Road, Camberley. It is becoming increasingly dangerous for our children making their daily journeys to and from school. It is indeed an accident waiting to happen. Therefore we would like the council to implement improved road safety to provide our school children with the safer environment they deserve."

8 HIGHWAYS UPDATE

(Pages 9 - 16)

To report progress made with the delivery of proposed highways schemes, developer funded schemes, and revenue funded works for the 2014/15 financial year.

The report also aims to seek approval of the contingency plans as laid out in section 2.1.14 of the report, to report on relevant topical

highways matters, and to provide an update on the latest budgetary position for highway schemes, revenue maintenance and Community Enhancement expenditure.

9 WOODLANDS LANE BRIDGE - TEMPORARY WEIGHT AND WIDTH RESTRICTION (Pages 17 - 20)

M3 Woodlands Lane Bridge is located to the east of Windlesham where it carries the single carriageway Woodlands Lane (C4) over the M3 motorway. The United Kingdom has been required to accept 40 tonne vehicles on roads since 1st January 1999 and at the same time has a requirement to assess highway bridges designed prior to 1973. A report, following a structural assessment in March 2001, resulted in a permanent weight limit of 25 tonnes on the structure.

Recent assessment of the structure has shown that its strength has degraded since the 2001 report and now requires a 7.5 tonne weight limit.

10 CREATING OPPORTUNITIES FOR YOUNG PEOPLE - EARLY HELP (Pages 21 - 30)

Services for Young People is re-commissioning services for 2015-2020 and the new service model will be presented to Cabinet on 23 September 2014. The current Local Prevention commission ends on 31 August 2015 and new funding agreements will be awarded for provision to start on 1 September 2015, subject to Cabinet approval of the new service model.

The Youth Task Group has developed a set of priorities for Local Prevention in Surrey Heath which is based on local needs. Providers who bid for Local Prevention will be asked to respond to the local needs and priorities identified. The Local Committee is asked to approve the Surrey Heath local priorities so that the procurement exercise can start in October.

11 LOCAL COMMITTEE AND MEMBERS ALLOCATION FUNDING - UPDATE (Pages 31 - 36)

Surrey County Council Councillors receive funding to spend on local projects that help to promote social, economic or environmental well-being in the neighbourhoods and communities of Surrey. This funding is known as Members' Allocation.

For the financial year 2014/15 the County Council has allocated £10,300 revenue funding to each County Councillor and £35,000 capital funding to each Local Committee. This report provides an update on the projects that have been funded since April 2014 to date.

12 FORWARD PLAN (Pages 37 - 40)

This report is produced for each meeting of the Local Committee (Surrey Heath) so that members can review the forward plan.
