

CABINET MEMBER DECISION

Decision:

Onslow Infant School Expansion: Decision

(i) Details of decision

1. The Statutory Notice stating the Council's intention to expand Onslow Infant School be determined, such that the school becomes a three form entry (3FE) infant school with a published admission number (PAN) of 90 from 1 September 2014.
2. Additional accommodation is built and a suitable travel plan be agreed.

(ii) Reasons for decision

There is an immediate requirement for additional infant places in Guildford, as shown by place planning data. Additional temporary classrooms have been provided in 2013 but the proposal to permanently expand Onslow Infant School is in response to the ongoing need for places in the area.

Onslow Infant School is an outstanding school and it is appropriate that it should be expanded. This would be of benefit to the increased number of children in the community that would be able to attend the school.

CABINET MEMBER DECISION

Decision:

St Bartholomew's CofE Primary School Proposed Expansion: Decision

(i) Details of decision

1. The Statutory Notice stating the Governing Body's intention to expand St Bartholomew's Church of England Primary School be determined, such that the school becomes a two form entry (2FE) primary school with a published admission number (PAN) of 60 from 1 September 2014.
2. St Bartholomew's Church of England Primary School no longer has an admission into Y3 in September 2015 be agreed.
3. The Governing Body of St Bartholomew's Church of England Primary School implement the proposal, with funding for the building provided by Surrey County Council be approved.

(ii) Reasons for decision

There is an increasing demand for infant places in the Haslemere and Hindhead planning area. Numbers of children starting school in the area have been increasing over recent years. Additional classes have been provided at a number of schools including an additional half a class of reception places at St Bartholomew's Church of England Primary School in both 2012 and 2013. There are not enough permanent primary places in the area.

St Bartholomew's Church of England Primary School is an outstanding school and it is entirely appropriate to expand successful and popular schools in line with government policy.

CABINET MEMBER DECISION

Decision:

Grayswood CofE (Aided) Infant School - Expansion to Primary: Decision

(i) Details of decision

1. The Statutory Notice stating the Governing Body's intention to extend the upper age limit of Grayswood Church of England Infant School be determined, such that the school becomes a one form entry (1FE) primary school with a published admission number (PAN) of 30 and a total of 210 primary places.
2. The proposal to be moderated such that the expansion is brought forward by one year and be implemented on 1 September 2014, rather than 1 September 2015 be approved.
3. The upper age limit of Grayswood Church of England Infant School increase from Year 2 (age 6+) to Year 3 (age 7+) on 1 September 2014 be agreed.
4. The age range to extend by a further year each subsequent year from 1 September 2015 until the upper age limit is Year 6 (age 10+) be agreed.
5. The Governing Body of Grayswood Church of England Infant School implement the proposal, with funding for the building provided by Surrey County Council be agreed.

(ii) Reasons for decision

There is an increasing demand for infant places in the Haslemere and Hindhead planning area. Numbers of children starting school in the area have been increasing over recent years. Additional classes have been provided at a number of schools including an additional half a class of reception places at St Bartholomew's C of E Primary School in both 2012 and 2013. There are not enough permanent primary places in the area.

Grayswood Church of England Infant School is one of the schools that has been identified for expansion. It is an outstanding school and it is entirely appropriate to expand successful and popular schools in line with government policy. In addition, a village primary school would serve the local community by securing long term local education for local children and would reduce travel movements as junior age children would not need to be transported to other schools.
