3 ADOPTION OF HIGH WEALD AREA OF OUTSTANDING NATURAL BEAUTY (AONB) MANAGEMENT PLAN

(Pages 1
- 64)

Under part IV of the Countryside and Rights of Way Act 2000 (CRoW Act), the County Council, along with the other local authorities administering the area of an Area of Outstanding Natural Beauty (AONB) have a duty to produce an AONB Management Plan.

Section 85 of the same Act also requires all local authorities and other statutory bodies to have due regard to the policies in that Management Plan when delivering their functions. Surrey County Council delegated the duty of producing the High Weald AONB Management Plan to the High Weald Joint Advisory Committee in 2004 when the first plan under the CRoW Act was produced.

The current plan (2009-14) has now been reviewed. The County Council, along with all the Local Authorities, is now being asked to adopt the plan for 2014-19.

MOBILE TECHNOLOGY AND FILMING – ACCEPTABLE USE

Those attending for the purpose of reporting on the meeting may use social media or mobile devices in silent mode to send electronic messages about the progress of the public parts of the meeting. To support this, County Hall has wifi available for visitors – please ask at reception for details.

Anyone is permitted to film, record or take photographs at council meetings with the Chairman's consent. Please liaise with the council officer listed in the agenda prior to the start of the meeting so that the Chairman can grant permission and those attending the meeting can be made aware of any filming taking place.

Use of mobile devices, including for the purpose of recording or filming a meeting, is subject to no interruptions, distractions or interference being caused to the PA or Induction Loop systems, or any general disturbance to proceedings. The Chairman may ask for mobile devices to be switched off in these circumstances.

It is requested that if you are not using your mobile device for any of the activities outlined above, it be switched off or placed in silent mode during the meeting to prevent interruptions and interference with PA and Induction Loop systems.

Thank you for your co-operation
