2b Public Questions

The deadline for public questions is seven days before the meeting (30 June 2015).

2c Petitions

The deadline for petitions was 14 days before the meeting, and no petitions have been received.

3 MINOR CHANGE TO POLICY OF ADOPTION OF ROADS AS HIGHWAYS MAINTAINABLE AT PUBLIC EXPENSE

(Pages 1
- 6)

This report proposes changing the policy introduced in September 2014 for the adoption of roads and streets as highways maintainable at public expense. It recommends that revised criteria for those roads that are adopted be introduced from 1 August 2015. The revised criteria allows only the adoption of roads that serve the equivalent of six or more residential curtilages or that are of a wider public utility. This takes account of the fact that Surrey County Council (SCC) will not now be the Sustainable Drainage Approval Body (SAB) as was envisaged at the time of the September 2014 decision.

David McNulty
Chief Executive

MOBILE TECHNOLOGY AND FILMING – ACCEPTABLE USE

Those attending for the purpose of reporting on the meeting may use social media or mobile devices in silent mode to send electronic messages about the progress of the public parts of the meeting. To support this, County Hall has wifi available for visitors – please ask at reception for details.

Anyone is permitted to film, record or take photographs at council meetings. Please liaise with the council officer listed in the agenda prior to the start of the meeting so that those attending the meeting can be made aware of any filming taking place.

Use of mobile devices, including for the purpose of recording or filming a meeting, is subject to no interruptions, distractions or interference being caused to the PA or Induction Loop systems, or any general disturbance to proceedings. The Chairman may ask for mobile devices to be switched off in these circumstances.

It is requested that if you are not using your mobile device for any of the activities outlined above, it be switched off or placed in silent mode during the meeting to prevent interruptions and interference with PA and Induction Loop systems.

Thank you for your co-operation
