b Public Questions

The deadline for public questions is seven days before the meeting 2 March 2016.

c Petitions

Notice of Petition

Received from Anna Smith, 139 signatures

Excetera buses are the contractors for the school buses to St Andrews school in Ashtead - the service and communication has been mostly appalling from the start of the school year. We have seen the fares double in price and yet still the bus drivers are not trained to an acceptable and safe standard with drivers not knowing the routes and missing out sections of bus stops until the children point this out to them. The service is often late because of the above and therefore unreliable resulting in the children being left at bus stops for long periods of time with no idea when a bus may arrive and missing the start of school on a very regular basis. The communication with the company is poor - emails are never responded to and calls to the office often go unanswered when trying to complain. We believe this service is unacceptable for our children and too expensive to continue to pay for unless some drastic improvements are made

A response will be tabled at the meeting

Notice of Petition

Received from Diane Doney, 139 signatures

We the undersigned call upon Surrey County Council to agree to undertake traffic monitoring around all new development sites:

1 month after release of each phase for large, phased developments, or completion for smaller sites and again 3 months after full occupation, to validate the data provided by the developer at the time of the application and to assess whether the input data was accurate or flawed, or whether the modelling software used by developers requires to be adapted. This information should include a manual count travel direction survey for larger sites of 50+ new homes, and large retail, school, offices or similar

buildings. The results are to be compiled into a report, to include accident statistics in the vicinity of the new development, and the incremental traffic increases since the last traffic surveys in the vicinity. The report is to be published on Surrey County Council's website within two calendar months of each survey and provided to all SCC Highways Officers responsible for assessing the suitability of planning applications, and all Borough Councils' planning departments, for informing their decisions regarding new planning applications.

3 INTRODUCTION OF A SPEED LIMIT REDUCTION ON THE A322

(Pages 1
- 22)

The Surrey Heath Local Committee have approved the introduction of a speed limit reduction from 40mph to 30mph on the A322 between Red Road and the Surrey Heath Borough boundary with Woking. The Cabinet Member is asked to review this decision as it is contrary to existing County Council policy, and the recommendations of Surrey Highways and Surrey Police.

David McNulty
Chief Executive

MOBILE TECHNOLOGY AND FILMING – ACCEPTABLE USE

Those attending for the purpose of reporting on the meeting may use social media or mobile devices in silent mode to send electronic messages about the progress of the public parts of the meeting. To support this, County Hall has wifi available for visitors – please ask at reception for details.

Anyone is permitted to film, record or take photographs at council meetings. Please liaise with the council officer listed in the agenda prior to the start of the meeting so that those attending the meeting can be made aware of any filming taking place.

Use of mobile devices, including for the purpose of recording or filming a meeting, is subject to no interruptions, distractions or interference being caused to the PA or Induction Loop systems, or any general disturbance to proceedings. The Chairman may ask for mobile devices to be switched off in these circumstances.

It is requested that if you are not using your mobile device for any of the activities outlined above, it be switched off or placed in silent mode during the meeting to prevent interruptions and interference with PA and Induction Loop systems.

Thank you for your co-operation
