### **2 PROCEDURAL ITEMS**

#### **MEMBERS' QUESTIONS**

The deadline for Members' questions is 12pm four working days before the meeting (2 March 2016).

#### **PUBLIC QUESTIONS**

The deadline for public questions is seven days before the meeting (1 March 2016).

### **3 PETITIONS**

#### **Notice of Petition**

Received from Dianne Doney, 200 signatures

We the undersigned request that Surrey County Council officers who are consulted by Borough Council Planning Officers regarding current planning applications, conduct a proper analysis of the circumstances relating to that planning application, in order to give a full and informed response. A review of the information supplied by developers or their agents should not be the sole means of assessing the issues prior to making comments or advising that the officer has no objections. The investigations should include a site visit at the most sensible times (e.g. during peak travel periods for traffic related issues), and Officers should request further time to conduct surveys or source further information where required. Due regard should also be given to relevant issues raised in representations from local members of the public.

#### **A response will be tabled at the meeting**

#### **Notice of Petition**

Received from Clayton Wellman, 1580 signatures

We call upon Surrey County Council and its District Councils to reconsider the proposals to charge for DIY 'non-household waste' from private individuals homes and/or reduce opening hours at Surrey Community Recycling Centres (CRCs). We ask that neither of these proposals is implemented. We ask that CRC opening hours remain the same and the current policy of no charges for 'non-household waste' remain in place. We do not believe the current consultation on these matters is adequate since it only offers these 2 unacceptable options and is therefore not a genuine consultation. The consultation will provide no valid conclusion and is set up only to give the answer desired. We believe that implementing a charge

scheme and/or a reduction in opening hours will lead to an increase in fly tipping and other waste management issues which will cost the County and District Councils a substantial amount, making the savings gained by the proposals a false economy. Not only that but the potential increase in fly tipping will adversely affect many other organisations such as the National Trust which already spends £20k per annum clearing up fly tipping on its land.

#### **MOBILE TECHNOLOGY AND FILMING – ACCEPTABLE USE**

Those attending for the purpose of reporting on the meeting may use social media or mobile devices in silent mode to send electronic messages about the progress of the public parts of the meeting. To support this, County Hall has wifi available for visitors – please ask at reception for details.

Anyone is permitted to film, record or take photographs at council meetings. Please liaise with the council officer listed in the agenda prior to the start of the meeting so that those attending the meeting can be made aware of any filming taking place.

Use of mobile devices, including for the purpose of recording or filming a meeting, is subject to no interruptions, distractions or interference being caused to the PA or Induction Loop systems, or any general disturbance to proceedings. The Chairman may ask for mobile devices to be switched off in these circumstances.

It is requested that if you are not using your mobile device for any of the activities outlined above, it be switched off or placed in silent mode during the meeting to prevent interruptions and interference with PA and Induction Loop systems.

*Thank you for your co-operation*
