Notice of Petition

Received from Mrs Marie-Louise Papworth , 120 signatures

As a rural community of 116 premises we request to share in the rebate from the original Superfast Surrey (SFS) rollout from which we received no benefit due to our remoteness and cost of connection. We have decided to fund our own infrastructure but think it fair that SFS make a contribution as we are helping them achieve SCC target. We consider a fair contribution to be the rebate of £3.8m divided by the 20,000 target white properties. This is £190 a property. A total of £22040. This money can be contracted direct to Openreach without contravening state aid.

A response will be tabled at the meeting
