**Response**

Thank you for your petition concerning the proposed changes to local bus services, in particular Service 409. We welcome your feedback, and would like to assure you that all comments, responses and petitions received in the Local Transport Review public consultation will be considered when drawing up the final proposals with bus operators. Surrey County Council wishes to have services in place which are both affordable and offer best value for money for Surrey residents. The final proposals currently being drawn up will be put before Cabinet, the council’s main decision body at the meeting on 24 May 2016. All agreed proposals will then be widely communicated from mid-June 2016 and will come into effect from early September 2016.

The Cabinet papers should be published on the County Council's web site on 13 May 2016.
