You can get involved in the following ways

Ask a question

If there is something you wish know about how your council works or what it is doing in your area, you can ask the local committee a question about it. All local committees provide an opportunity to raise questions, informally, up to 30 minutes before the formal business of the meeting starts. If an answer cannot be given at the meeting, they will make arrangements for you to receive an answer either before or at the next formal meeting.

Write a question

You can also put your question to the local committee in writing. The committee officer must receive it a minimum of 4 working days in advance of the meeting.

When you arrive at the meeting let the committee officer (detailed below) know that you are there for the answer to your question. The committee chairman will decide exactly when your answer will be given and may invite you to ask a further question, if needed, at an appropriate time in the meeting.

Get involved

Sign a petition

If you live, work or study in Surrey and have a local issue of concern, you can petition the local committee and ask it to consider taking action on your behalf. Petitions should have at least 30 signatures and should be submitted to the committee officer 2 weeks before the meeting. You will be asked if you wish to outline your key concerns to the committee and will be given 3 minutes to address the meeting. Your petition may either be discussed at the meeting or alternatively, at the following meeting.

a PETITION: TRAFFIC CALMING ON KINGS RIDE, CAMBERLEY

(Pages 15 - 16)

An officer comment to the following petition is included within:
The development of Kings Lodge had a planning condition to add traffic calming to Kings Ride. At the Planning Committee meeting and in e-mail correspondence local residents were meant to be involved in the implementation of this scheme.

The current scheme is not what was proposed by the local residents. Unelected council workers overrode decisions taken by elected Councillors. We the undersigned do not accept that this is democracy or a fulfilment of the planning condition. The scheme needs to be in a position that is effective at reducing speeding traffic and consulted with, and considerate to, residents.

- b PETITION: REPLACE ZEBRA CROSSING ON MYTCHETT ROAD WITH A PUFFIN CROSSING** (Pages 17 - 22)

An officer comment to the following petition is included within:
We would like the zebra crossing at the junction with Rorkes Drift and Potteries Lane changed to a puffin crossing to enable school children and residents to cross safely. We are encouraging healthy choices for our children by walking to school and preventing congestion-and associated hazards-around school gates. We need to be reassured that cars will stop; a traffic-light controlled puffin crossing is a safe solution for our children.

- c PETITION: IMPLEMENT SPEED RESTRICTION MEASURES ON WHITMOOR ROAD, BAGSHOT** (Pages 23 - 34)

An officer comment to the following petition is included within:
Help make Whitmoor Road and Connaught Park a safer place for everyone! As the main access route to Connaught Park Housing Estate, Whitmoor Road is in constant use from: * Residents / Visitors * Families attending Bagshot Community Centre (Little Echoes Day Nursery and Curley Park Rangers FC) * Parents parking to drop their children at Bagshot Infant School / Connaught Junior School * Pedestrians crossing the road to visit Lightwater Country Park (via the motorway foot bridge) Despite the clear 30mph speed signs, the long open nature of Whitmoor Road means vehicles can regularly be seen exceeding this limit to excess (conservatively 40-50mph). Having approached Surrey County Council in March 2017, they confirmed "a brief hand held survey on the road identified that average speeds are high". However, as only one serious accident had occurred along Whitmoor Road, any scheme would only be ranked 28th in the Council's priority list. One year later the scheme had only moved up to rank 25th!! Why should we wait for someone to have a serious accident or lose their life? Let's make Connaught Park a safer place now.

- d PETITION: POTHOLE IN HEATHERSIDE** (Pages 35 - 36)

An officer comment to the following petition is included within:
We the undersigned petition Surrey County Council to repair and maintain pot-holes, roads & pavements on and around Heatherside, Surrey Heath. To prevent potential accidents to children, families, motorists (and vehicles) and all other residents that live and work on Heatherside, including visitors
