

CABINET MEMBER DECISION

Decision:

CONSULTATION ON ADMISSION ARRANGEMENTS FOR COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS AND COORDINATED SCHEMES FOR SEPTEMBER 2019

(i) Details of decision

The Cabinet Member for Education authorised the Principal Manager Admissions and Transport (Strategy) to go out to statutory consultation on the proposed changes to admission arrangements for community and voluntary controlled schools for September 2019.

(ii) Reasons for decision

There is a statutory requirement to consult on admission arrangements every seven years, or sooner if there is a proposal to change any part of a school's admission arrangements. The Local Authority is proposing some changes to the admission arrangements for community and voluntary controlled schools and, as such, there is a statutory duty to consult on these changes. The consultation will also seek views on the admission arrangements for which there is no proposal for change.

(iii) Details of any alternative options considered and rejected

None.

(iv) Details of any consultation and representations received not included in the published report

Officers highlighted that there would be a small clarification within 'Enclosure 1' of the report.

CABINET MEMBER DECISION

Decision:

DEVELOPMENT OF ADDITIONAL TEMPORARY SCHOOL PLACES FOR PUPILS WITH AN EDUCATION HEALTH AND CARE PLAN

(i) Details of decision

It was agreed that temporary provision of additional capacity and the associated capital expenditure at the two identified locations is approved to enable the placement of 22 pupils with an Education Health and Care Plan in 2017 with a further 18 in 2018. This recommendation is subject to the business case being supported by Investment Panel.

(ii) Reasons for decision

The Council has a statutory duty to make appropriate education provision available for all of its residents; this work will make sure that duty is met. In addition, this action will ensure that the most appropriate education offers are made to some of our most vulnerable pupils. Furthermore, the capital cost associated with this work is significantly mitigated by ongoing revenue savings against alternative provision.

(iii) Details of any alternative options considered and rejected

None.

(iv) Details of any consultation and representations received not included in the published report
