You can get involved in the following ways

Ask a question

If there is something you wish to know about how your council works or what it is doing in your area, you can ask the joint committee a question about it. The joint committee provides an opportunity to raise questions, informally, for up to 30 minutes before the formal business of the meeting officially starts. If an answer cannot be given at the meeting, it will make arrangements for you to receive an answer either before or at the next formal meeting.

Write a question

You can also put your question to the joint committee in writing. The committee officer must receive it by noon a minimum of four working days in advance of the meeting.

When you arrive at the meeting let the committee officer (detailed below) know that you are there for the answer to your question. The committee chairman will decide exactly when your answer will be given and may invite you to ask a further question, if needed, at an appropriate time in the meeting.

Sign a petition

If you live, work or study in Runnymede and have a local issue of concern, you can petition the joint committee and ask it to consider taking action on your behalf. Petitions should have at least 30 signatures and should be submitted to the committee officer at least two weeks before the meeting. You will be asked if you wish to outline your key concerns to the committee and will be given three minutes to address the meeting. Your petition may either be discussed at the meeting or alternatively, at the following meeting.
