Alternatively, the petition can be submitted on-line through Surrey County Council's e-petitions website as long as the minimum number of signatures (30) has been reached 14 days before the meeting.

A petition has been received from Ali Pritchard which contains 57 signatures and reads:

**"Farnham Heath End School Parking on Bullers Road**

As residents of Bullers Road, we would like to formally register our complaint and petition concerning the use of our residential street by parent drivers of Heath End School students. This concern is widely shared with Bullers Road residents, as indicated in the enclosed signed petition.

Bullers Road is a quiet residential no-through road, which provides delivery-only access to Farnham Heath End School (the main entrance point to the school is accessed via Hale Reeds). The street consists of predominantly period properties with limited off-street parking for residents and over the years has witnessed increasing levels of traffic from school parents using the street for drop off and collection rather than the designated car park at Hale Reeds. This activity has caused significant disruption, conflict and importantly safety concerns for local residents.

These daily, albeit currently paused occurrences, due to the current Covid-19 climate, continue to be highly stressful and dangerous

elements that form the daily routine on Bullers Road. We urge you to take action to provide some relief after years of resident tolerance.”
