The purpose of the Board is to bring partners, residents and businesses together to ensure our deliverables are met and that Farnham maintains its position as a thriving community and town as set out in the adopted Farnham Neighbourhood Plan.

Specifically, the Board will:

1. Consider the Farnham Town Centre, A31 Hickley's Corner and A325 Wrecclesham Infrastructure Schemes, together with any related impacts
2. Determine and agree the specific outcomes and objectives for the Schemes
3. Ensure that the necessary resources from the various partners will be made available in a timely way
4. Set up specific task and finish working groups as required
5. Take evidence and advice from members of the community and representative bodies, as well as professional experts
6. Consider national initiatives and good practice in respect of the proposals to ensure the future prosperity of the town, especially in regard to business, retail, personal wellbeing and climate change
7. Consider and make recommendations on the projects, plans and resources to achieve the agreed outcomes and priorities
8. Seek to secure the capital and revenue investment to deliver agreed projects and plans, including from Government, LEP and other sources
9. Oversee the commissioning, procurement, sponsorship and delivery of agreed projects
10. Take cognisance of other planning and design processes for example the extant Master-planning process, the Waverley Local Plan and the Farnham Neighbourhood Plan.
