7 **TANDRIDGE PARKING REVIEW**

Each year Surrey Highways receives requests to change existing or introduce new parking controls and restrictions in Tandridge. For greater efficiency, these requests are compiled and reviewed in a district wide process. Committee approval is required in order to progress these changes to formal advertising and statutory consultation, and, where applicable, to implementation.

8 **SMALLFIELD PEDESTRIAN ACCESSIBILITY AND SAFETY SCHEME**

Following road safety incidents outside Burstow School in 2016, a report was presented to the local committee in September.
2017 describing an investigation and suggestions for highway improvements to make walking easier and safer. This was followed up by a meeting with the school, parish council and local elected members. These proposals formed the basis for a successful bid to Tandridge District Council for £360,000 CIL funding in 2020. Outline designs were then published and this report presents the results of the informal public consultation and seeks approval from the local committee to proceed with the scheme following minor amendments to take into account the feedback received.
