## **8 ORIGINAL MOTIONS**

### **Item 8 (i)**

**Eber Kington (Ewell Court, Auriol & Cuddington) to move under standing order 11 as follows:**

#### **This Council notes that:**

- Following the tragic murder of Sarah Everard on the evening of 3 March 2021, ensuring the right to feel safe walking our streets at night has become a major requirement for political action across the country.
- Women have made their voices heard, and too many of them express the view that they do not feel safe walking alone in public places.
- Speaking in March, Dame Cressida Dick, Commissioner of the Metropolitan Police said, "Right now, 80% of women report being harassed in public spaces, but 90% of them don't bother reporting it because they don't think anything will happen if they do."
- The immediate Government response to Sarah's murder included an additional £25 million to councils around the country to help enhance street lighting in areas of poor illumination, as well as improving CCTV coverage.
- The issue of feeling safe at night has also been raised by Surrey residents who are night-time workers, late night commuters out of London, those attending late night music venues, and those walking home after meeting family and friends.

**This Council further notes that:**

- Surrey County Council has a policy that sees Surrey streetlights switched off at night, at a time when the political debate and majority opinion is clearly calling for streetlighting to be improved as one of the positive moves that can be taken towards residents feeling safe in our streets.
- Surrey County Council is investing £19.9 million over a 3-year period to convert all Surrey's streetlights to LED, with a target saving of £2 million a year.

**In light of the factors listed above, this Council calls upon to the Cabinet:**

- I. To make a commitment to end the streetlight switch-off as soon as is practicable, but as a matter of urgency.
- II. To fund the additional costs out of the £2 million saving on the switch to LED streetlights.

**Item 8 (ii)**

**Will Forster (Woking South) to move under standing order 11 as follows:**

**This Council notes that:**

In Boris Johnson's first speech as Prime Minister in July 2019, he promised to fix the crisis in social care once and for all "with a clear plan we have prepared to give every older person the dignity and security they deserve."

**This Council also notes that:**

In October 2019 it unanimously passed a motion proposed by Lib Democrat Members that spoke to the situation in Surrey:

"With concern that, owing to Government policy, Surrey residents who pay for their own elderly care significantly subsidise the residents who rely on County to pay for their care. This is a result of an unjust and inequitable funding regime which is itself a result of inadequate government funding."

With the corresponding resolution (I.):

"This council accordingly calls on the government to bring forward urgently a sustainable solution so that councils can restore equity and enable a sustainable market for social care provision in Surrey and across the country."

**This Council further notes that:**

In the absence of the promised plan, leaders of social care organisations from across the country recently wrote to the Prime minister, Chancellor of the Exchequer and Secretary of State for Health and Social Care to urge the Government to act now on reform of England's social care system and

publish its proposals before the summer recess.

**This Council resolves to:**

- I. Express its disappointment that despite repeated promises, no proposals have as yet been brought forward; and
- II. To robustly renew its call for a sustainable solution to the funding of adult social care and write to the Government and Surrey's Members of Parliament urging them to honour their promise to urgently tackle this long-term crisis, which leaves many vulnerable residents without the support they need whilst others face catastrophic costs.

39 - 42)
