**4 CHAIR'S ANNOUNCEMENTS**

**Welcome**

Welcome everyone to today's Council meeting. I would just like to address the technical issues we had in February's Council. I think we can all agree it was a very turbulent meeting and I wanted to assure you all that since February, our wonderful Democratic Services Team have had technical engineers in, and have run tests to ensure the technology does not let us down again. So, fingers crossed that technology is on our side today.

**Ukraine**

I do not think we can proceed without acknowledging the devastation we are currently witnessing in Ukraine. It is almost impossible to believe that in this day and age we are witnessing such atrocities which since the end of World War II, we thought we would never see on European shores again. It really is hard to express the horror, anger, despair, and heartbreak that we feel right now. You may have seen when you arrived this morning that we have raised the flag of Ukraine in solidarity with Ukrainian people. We stand shoulder to shoulder with our friends in Ukraine and pledge to do all we can to support them and indeed the democracy and freedom that we too often take for granted.

So, I ask you all to join me this morning for a **one-minute silence** for those not only in Ukraine but their friends and families around the world.

We stand with you. (After silence) Thank you!

### **International Women's Day**

It is wonderful to see International Women's Day becoming a more prominent, worldwide recognised event. This year's theme is 'Gender equality today for a sustainable tomorrow'. Standing here today I am a big advocate of women being effective, powerful leaders and change-makers for climate adaptation, mitigation and response to build a more sustainable future for all. This month I was lucky enough to join the High Sheriff, Dr Julie Llewelyn at Royal Holloway and come together with a host of remarkable women. We crossed our arms in the #BreakTheBiaspose to show solidarity. My online post, accompanied with our photo can be found on SCC Daily.

### **Surrey Police – Pass Out Parade and Ceremony**

It was a joy to attend the Surrey Police Pass Out Parade and Ceremony at Loseley Park. It is always a great honour to mark the end of months of hard work and training for the new recruits and welcome them into force. I am pleased to see so many joining Surrey Police and I wish them all the very best in their future policing careers.

### **Queens Award for Voluntary Service**

Congratulations to all Surrey residents who have been nominated to receive a Queens Awards for Voluntary Service. HM Lord-Lieutenant of Surrey, Mr Michael More-Molyneux held a 'thank you' reception where I had the pleasure of meeting Surrey's nominees. Our volunteers dedicate their valuable time and experience to help individuals and communities across the county. This award is the equivalent of an MBE and is the highest honour given to UK volunteers. Exceptional voluntary work has been carried out across a wide range of sectors in the county that has really made an incredible difference to so many peoples' lives. So, from all of us, thank you!

### **Thank You**

Finally, I would like to offer my continued thanks to the fantastic people of this Council as they continue to do their utmost to serve and protect the residents of our county. A sincere 'thank you' to all our staff for the immeasurable difference you are making to so many lives. Please do keep it up!

## 8 ORIGINAL MOTIONS

### Item 8 (i)

**Catherine Powell (Farnham North) to move under standing order 11 as follows:**

**This Council notes that:**

Surrey Highways devotes a great deal of time and resource working with utility companies to identify unmarked assets requiring repair. Surrey Highways is committed to making sure that assets are kept temporarily safe until the utility company makes a permanent repair to their asset.

Currently, Surrey Highways has access to a limited number of asset maps for utility companies which are very useful and allow rapid identification of asset owners. However, Surrey Highways have no information at all for the majority of utility companies which makes identifying unmarked assets time consuming, resulting in adverse impacts on the travelling public for longer periods than necessary.

The six month grace period granted to utility companies to leave in place temporary repairs before making permanent repairs can often have an adverse and unreasonable impact on residents and businesses.

**Therefore, this Council requests the Cabinet Member for Transport and Infrastructure to lobby Government to:**

- i. Introduce a statutory requirement on utility companies to share any electronic asset maps with Local Authorities, updated at least

- annually, to support the Local Authorities in identifying the ownership of unmarked assets for repair work.
- II. Introduce a statutory requirement for utility companies to work with Local Authorities using technology such as passive RFID (radio-frequency identification) tags to support easy identification of assets owners starting with areas of:
    - a. Significant number of assets owned by different organisations in close proximity (for instance junction areas) where maps are less effective;
    - b. Regular damage to assets by vehicles or vandalism.
  - III. Reduce the interim reinstatement period from 6 months to 1 month.
  - IV. Extend the 2-year guarantee period of utility repairs undertaken by utility companies to 5 years.
  - V. Introduce a timescale for repairs for 'Section 81' (of NRSWA) for Defective Apparatus, so that utilities must complete repairs in a short time period once reported of no more than 3 months.

#### **Item 8 (ii)**

**Jeremy Webster (Caterham Hill) to move under standing order 11 as follows:**

#### **This Council notes:**

- The Ofsted inspection report on children's services in Surrey published on 9 March 2022.
- That the overall effectiveness of our services is judged to have improved since the last inspection in 2018, and acknowledges that Surrey's leaders have achieved significant change in that time and that they are implementing a clear and comprehensive improvement programme.

#### **This Council further notes:**

- That this improvement is described as "...a strong foundation to strive for excellence."; but that this programme of improvement needs to continue in order for our services to be seen as good. The findings of the inspectors are entirely consistent with the self-assessment audits and the inspection team confirmed they had confidence that the current improvement plan was not only the right one but that it was being appropriately implemented.
- In particular that:

*"Children and their families benefit from effective early help services."*

*"The children's single point of access service responds effectively to most contacts and referrals," and "Most assessments are thorough..."*

*"The implementation of the local authority's practice model has significantly strengthened work to tackle domestic and substance abuse..."*

*“Many children are successfully diverted from care, as social workers work effectively with parents and risks to children are reduced” and “When children go missing from home, they receive timely return home interviews which lead to insightful assessments of vulnerability...”*

*“Senior managers have expanded the capacity of the inclusion team to respond to the increased number of children who are missing education or moving to elective home education. These children and young people are supported appropriately and according to their individual circumstances.”*

**In light of the positive progress made as outlined above, this Council resolves to:**

- I. Re-affirm its commitment to implementing the further improvements recommended in the report as our highest priority, and that the Children’s Services improvement journey will continue until Surrey has achieved a level of provision that can be seen as being outstanding in every area of children’s services.
- II. Extend its thanks to the children’s services workforce, who carry out their roles with pride, and seek to do their best for children and families in Surrey, particularly over the difficult period of the pandemic; and asks members of the Council to reflect upon their own role in future improvement work through scrutiny and challenge and by developing our community leadership of the wider children’s system in Surrey.

**Item 8 (iii)**

**Will Forster (Woking South) to move under standing order 11 as follows:**

**This Council notes:**

- That the Government are scrapping free coronavirus tests for most people as part of the ‘Living with Covid’ plan.
- Concern that stopping providing free tests for all will make it harder to fight coronavirus. Charging for essential tests would hit those who can least afford it hardest, at a time when families are already being clobbered by soaring energy bills.

**This Council resolves to:**

- I. Call on the Government to continue with free PCR and lateral flow tests for those residents in critical groups, such as front-line workers and those who are eligible for free prescriptions.
- II. Agree to explore the option of providing free asymptomatic testing for staff working in health and social care, vulnerable residents in care homes and other similar groups for up to one year.

**Item 8 (iv)**

**Robert Evans (Stanwell and Stanwell Moor) to move under standing order 11 as follows:**

**This Council notes:**

That it has regularly expressed regrets about the huge pressures on local government finances in Surrey, believing that the county does not get its fair share from Whitehall.

That the percentage of revenue now raised in Surrey from council tax is 80% of the total £1.2 Billion budget.

That it believes that council tax is no longer fit for purpose as a suitable method for raising local government revenue, as it invariably penalises less well-off households whilst benefiting those who are much richer.

That it asserts that no 'levelling-up' agenda will ultimately be successful without a revival of local government, with better funding alongside increased powers, restoring Surrey to the proud role and level of achievement it once enjoyed.

**This Council resolves to:**

- I. Call on the County's eleven MPs to acknowledge that council tax is an out-of-date and regressive form of taxation.
- II. Agree, along with the MPs, to lobby the Government for wholesale reform with a better and fairer alternative to council tax as an aim
- III. Urge the Government to immediately close the loophole that allows second home owners to evade both council tax and rates by pretending to be holiday let businesses, Airbnb etc even when the property is not let at all.
- IV. In the short term, suggest the government introduce additional council tax bands for high value properties and develop a scheme for redistribution of wealth to areas of deprivation.
- V. Urge the Government to immediately increase the grant to shire counties to improve the spending power of councils and ensure this year's council tax increases are reduced, whilst putting local government finance on a longer-term and more stable footing.
