

## **CABINET MEMBER DECISION**

### **Decision:**

Proposal to change the age range and extend the premises at Meadowcroft Infant School

#### **(i) Details of decision**

The Cabinet Member for Education and Learning approved the proposal without modification

#### **(ii) Reasons for decision**

The proposal supports and delivers the Local Authority's statutory obligation to provide sufficient school places to meet demand and forms part of a reorganisation of primary places in the borough of Runnymede.

Implementing the proposal will:

- Allow pupils to transition through the school from Reception year, without the need to apply elsewhere, giving them and their families the reassurance of a continuity of educational provision
- Seek to enhance pupils' experiences, enabling higher standards of education to be provided
- Enable the school to deliver the curriculum in a continuous and coherent way, putting them in a stronger position to plan for both continuity and progression in learning
- Provide the opportunity to build partnerships with pupils, parents and families over a longer period of time
- Enable siblings to remain together during their primary education, rather than parents having to travel to two different schools
- Create a sustainable school to serve the local community

The Cabinet Member for Education and Learning's approvals and recommendations completes the statutory process in accordance with the DfE guidance "Making significant changes ('Prescribed Alterations') to Maintained Schools."
