The purpose of this report is to share the outcome of the Local Area SEND Inspection and to outline the actions to be taken by the Additional Needs and Disabilities (AND) Partnership in response to the inspection recommendations.

The Local Area SEND Inspection provides an opportunity to support the Area Partnership to strengthen its work on behalf of children and young people and for each statutory partner (Surrey County Council, NHS Surrey Heartlands Integrated Care Board (ICB) and NHS Frimley ICB) to improve experiences and outcomes for children and young people and their families in line with the Local Area ambitions. The inspection ensures Surrey County Council meet its duties, in collaboration with other partners, to provide services that support children and young people with additional needs and disabilities and their families to lead the best possible life. The education, health and social care services that were the focus of this inspection contribute to the Council's ambition that no one is left behind by providing support to children and young people with additional needs and disabilities to improve their experiences and outcomes.
