- **LOCAL AREA SPECIAL EDUCATIONAL NEEDS AND/OR DISABILITIES (SEND) INSPECTION OUTCOME AND ACTIONS** (Item 4)

#### **RESOLVED:**

1. That Cabinet notes the outcome of the Local Area SEND Inspection.
2. That Cabinet supports the actions that are being taken by the Additional Needs and Disabilities Partnership in response to the

inspection recommendations.

3. That Cabinet oversees the Council's work as part of the AND Partnership and its delivery of the Inclusion and Additional Needs Strategy.

### **Reasons for Decisions:**

The Local Area arrangements to support children with additional needs and disabilities were inspected by Ofsted and the Care Quality Commission (CQC) from 11 to 29 September 2023. The outcome of the inspection was published on 24 November 2023.

The inspection outcome is that the local area partnership's arrangements lead to inconsistent experiences and outcomes for children and young people with special educational needs and disabilities (SEND). Ofsted and CQC require the local area partnership to work jointly to update its existing strategic plan based on the recommendations set out in the inspection report.

The recommendations and proposed responses are set out in this report.
