CONSTITUTION OF THE COUNCIL

Part 1 – Summary and Explanation

THE CONSTITUTION OF THE COUNCIL

PART 1

SUMMARY AND EXPLANATION

The Council's Constitution

Surrey County Council has agreed a Constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to determine.

The Constitution is divided into 14 Articles which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

What's in the Constitution?

Article 1 of the Constitution sets out its purpose and the overall objectives of the County Council. It then goes on to explain the rights of the public and how the key parts of the Council operate. These are:

- Members of the Council (Article 2)
- The Public and the Council (Article 3)
- The Council (Article 4)
- The Leader (Article 5)
- The Cabinet (Article 6)
- Select Committees (Article 7)
- Regulatory and other Committees (Article 8)

- Health and Wellbeing Board (Article 8A)
- Local Committees (Article 9)
- Joint arrangements (Article 10)
- Officers (Article 11)
- Finance, contracts and legal matters (Article 12)
- Review and revision of the Constitution (Article 13)
- Suspension, interpretation and publication of the Constitution (Article 14)

How the Council operates

The Council is composed of 81 councillors (or “Members”) elected every four years. Councillors are democratically accountable to electors in their electoral division. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents.

The Council has a code of conduct for Members to ensure high standards in the way they undertake their duties. The Audit and Governance Committee provides training and advice to them on the code of conduct.

How decisions are made

The Leader of the Council is responsible for most day-to-day decisions. These decisions can be delegated to a Cabinet, individual Cabinet Members, Local Committees, individual local Members, or officers. The Council appoints the Leader from the 81 elected county councillors for a four year term. The Leader appoints a Deputy Leader and a Cabinet. The Cabinet is made up of the Leader, Deputy Leader and between one and eight other elected councillors. When major decisions are to be discussed or made, these are published in the Leader’s Cabinet forward plan in so far as they can be anticipated. The Cabinet meets in public except where personal or confidential matters are being discussed. Decisions have to be made in line with the Council’s overall policies and budget. If a decision which is outside the budget or policy framework is required, this must be referred to the Council as a whole to decide.

Overview and scrutiny

There are a number of select committees which between them support the work of the Leader/Cabinet and the Council as a whole. They are responsible for advice and policy development, and for the scrutiny of decisions on executive

functions. These committees will both research policy options for the Leader/Cabinet and review and scrutinise policy, practice and performance. They can 'call-in' a decision which has been made but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the decision is reconsidered by the decision maker.

The select committees may be consulted by the Leader/Cabinet or the Council on forthcoming decisions and the development of policy, and shall be consulted on proposals forming part of the policy framework.

Local committees

There are local committees with responsibilities in each of the district/borough areas. They will help Members in representing their constituents and communities, as well as the County Council.

The Council's staff

The Council has people working for it who give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A protocol governs the relationships between officers and Members of the Council.

The public's rights

The public have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes.

Where members of the public use specific Council services, for example as a parent of a school pupil, they have additional rights.

The public have the right to:

- vote at local elections if they are registered;
- contact their local county councillor about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Council, the Cabinet and the Council's committees except where, for example, personal or confidential matters are being discussed;

- petition to request a referendum on a mayoral form of executive;
- participate in question time at meetings of the Cabinet and some committees, present petitions relating to matters within the terms of reference of the Cabinet or a committee, and make representations on planning applications and applications relating to public rights of way;
- find out, from the Leader's Cabinet forward plan, what major decisions are to be discussed or decided, and when;
- attend meetings where Cabinet key decisions are being discussed or decided;
- see reports and background papers, and any record of decisions made by the Council and Leader/ Cabinet, Cabinet Members and the Council's or Cabinet's committees;
- complain to the Council about the Council's services. The Council has a three stage complaints procedure. If anyone has reason to believe the Council has acted improperly they may complain to the Monitoring Officer who will investigate the complaint as the final stage in the procedure;
- complain to the Local Government Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints procedure;
- complain to the Council's Monitoring Officer if they have evidence which they think shows that a councillor has not followed the Council's Code of Conduct; and
- inspect the Council's accounts and make their views known to the external auditor during the 20 working days statutory period prior to the external auditor giving his/her opinion.

The Council welcomes participation by the public in its work. For further information on your rights, please contact the Governance Lead Manager.

Any member of the public is entitled to inspect agenda and reports of Council meetings and to attend those meetings. There are some circumstances where the Council is entitled to exclude the public where confidential or exempt items are being discussed. All agenda and reports (except those that contain confidential or exempt information) are published on the Council's website.

A written summary of the public's rights to attend meetings and to inspect and copy documents will be published on the Council's website.

k) Exclusion of access by the public to meetings

Where any meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed.

Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed. Exempt information means information falling within the following 7 categories (subject to the qualifications set out below):

Category	Description of Exempt Information
1.	Information relating to any individual.
2.	Information which is likely to reveal the identity of an individual.
3.	Information relating to the financial or business affairs of any particular person (including the authority holding that information).
4.	Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5.	Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6.	Information which reveals that the authority proposes - <div style="margin-left: 40px;"> (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) to make an order or direction under any enactment. </div>
7.	Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Information which -

- (a) falls within any of paragraphs 1-7 above; and
- (b) is not prevented from being exempt by virtue of qualifications above,

is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

Any member of the public can formally request that a report that contains exempt information be heard in public under the relevant section of the procedural matters item at the formal meeting. Any request would need to be put in writing to the Governance Lead Manager. The request should contain the reasoning behind the belief that it should be held in public so that a public interest test can be applied.

m) **Orderly conduct and misbehaviour – lawful powers to exclude**

Lawful powers may be used to exclude a member or members of the public in order to maintain orderly conduct or prevent misbehaviour at a meeting.

Members of the public exercising their right to take photographs, film, audio-record and report at a meeting may be excluded if their activity or behaviour is disruptive to the conduct of the meeting.

n) **Exclusion of access by the public to reports**

If the proper officer thinks fit, the Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with Rule (k), the meeting is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed.

o) **Decisions to be taken at a meeting held in private**

The Council will produce public notices and follow the procedures set out in Access to Information Rule 6.05 (m) - Procedures prior to a private meeting of its intention to hold all or part of a Cabinet meeting (including its committees) in private.

- 9.2 The Leader's Statement will be included as a standard item on the agenda for each Council meeting (excluding the budget meeting). Members will be given the opportunity to ask questions and/or make comments on the Leader's Statement.
- 9.3 Cabinet Members and Deputy Cabinet Members are encouraged, prior to the commencement of any ordinary meeting of Council, to submit to the Council a short written briefing of current events and issues relating to their portfolio. Members will be given the opportunity to ask questions and/or make comments on the Cabinet Member briefing.

QUESTIONS

- 10.1 At a meeting of the Council, Members may ask the Leader of the Council, the Deputy Leader or the appropriate member of the Cabinet, or the chairman of a committee, any question on any matter in respect of which the Council has powers and duties or which affects the County.
- 10.2 In addition, Members may ask any Cabinet Member or Deputy Cabinet Member questions about a briefing paper submitted in accordance with Standing Order 9.3 above.
- 10.3 Notice of questions on matters which are not included in a report to the Council or Cabinet Member/Deputy Cabinet Member briefing must be given in writing to the Governance Lead Manager by 12 noon four working days before the Council meeting, i.e. normally a Wednesday.
- 10.4 Questions may be asked without notice if the Chairman decides that the matter is urgent.
- 10.5 Questions under Standing Order 8.8 do not require prior notice.
- 10.6 Where a Member has given notice of a question and is absent from the meeting another Member may ask it on his/her behalf.
- 10.7 Every question will be put and answered without discussion.

- 10.11 If the Leader, Deputy Leader or member of the Cabinet (or Deputy Cabinet Member in the absence of the Cabinet Member) or committee chairman is unable to answer any question at the meeting, he/she will send a written answer to the Member who asked the question and to any other Members upon request.
- 10.12 Questions submitted under SO10 will be managed as follows:
- All first questions submitted by Members will be taken first. Second questions will follow, then third questions and so on.
 - Question time will be limited to 45 minutes.
 - In addition, questions on Cabinet Member/Deputy Cabinet Member briefings will be limited to 15 minutes.
 - Following the initial reply by the Leader, Deputy Leader, Member of the Cabinet or committee chairman, the Chairman will allow, at his/her discretion, a period of up to 5 minutes per question in which Members of the Council may ask supplementary questions.

ORIGINAL MOTIONS

Notice of an original motion

- 11.1 Any Member may give notice of one original motion for consideration at any meeting of the Council.
- 11.2 All original motions must be relevant to some matter on which the Council has powers or duties, or which affects the County.
- 11.3 Notice of every motion (other than one under Standing Orders 11.6 and 23) must be given in writing to the Governance Lead Manager at least 14 days before a meeting of the Council.
- 11.4 If notice is given of any original motion which, in the opinion of the Chief Executive, is:
- out of order;
illegal;
irregular; or
improper
- it will not be accepted or placed on the agenda. If an original motion is not accepted, the Governance Lead Manager will inform the Member giving notice in writing.
- 11.5 In the event that a large number of original motions are submitted or the number of original motions received from one political group could

prohibit the balance of debate across the Council, the Chairman has the discretion to determine the order in which they are debated, following consultation with group leaders and others as appropriate.

- 11.6 There is a presumption against having original motions at the statutory Annual General Meeting and the Annual Budget Council meeting. Original motions may be accepted at the Chairman's discretion, but a total time limit of 45 minutes will be applied.
- 11.7 The Governance Lead Manager will record the details of every notice of an original motion in a register. The register will be open to the inspection of Members.
- 11.8 An original motion may be considered without notice if the Chairman decides that the matter is urgent.

Moving the original motion

- 12.1 An original motion may only be moved by the Member who gave the notice, or by a Member authorised by him/her.
- 12.2 Where notice of an original motion has been given for any meeting, and that motion is not moved, the notice will lapse. The motion may not be moved without further notice being given.
- 12.3 Unless the matter has to be dealt with by the Council, before any Member speaks to the original motion, the Council will be invited to decide whether to debate it immediately, or to refer it to the Cabinet or the appropriate committee either for debate and report to the Council or determination by the Cabinet or committee. Before the Council takes the vote, the proposer of the original motion shall have the right to make a statement of up to two minutes in length as to why it should not be so referred and either the Leader or the Cabinet Member for the function(s) concerned or the chairman of the appropriate committee shall have the right to respond for up to two minutes. The question of referral shall then be put to the vote.
- 12.4 Any questions as to which committee(s) an original motion is to be referred will be decided by the Council.
- 12.5 When an original motion is referred to the Cabinet or appropriate committee under Standing Order 12.3, the Member of the Council who has moved the original motion and his/her seconder shall be notified of the meeting at which the Cabinet or committee will consider it. They shall have the right to attend the meeting and speak to the motion.
- 12.6 Where an original motion is referred to the Cabinet or a committee, it will report upon the motion to the following ordinary meeting of the Council and Standing Order 8.8(b) shall not apply to such report.

- 12.7 The Cabinet or committee may recommend exceptionally that consideration of an original motion should be deferred, in which case the appropriate member of the Cabinet or the committee chairman may explain the reasons for the recommendation. The mover and seconder of the original motion may also speak. The recommendation will then be put to the Council without further debate.
- 12.8 If a notice of an original motion relates to a matter which, under legislation or the County Council's Constitution, is the responsibility of the Cabinet, the motion may only call on the Council to request the Cabinet to consider a particular course of action, and may not bind the Cabinet.

Debating the original motion

- 13.1 There is no cap on the number of original motions that are set down for debate at ordinary Council meetings but a time limit of one and a half hours for the total debate on original motions will apply, subject to the Chairman's discretion to waive the time limit if it is deemed the matter is of particular importance.
- 13.2 When an original motion comes before the Council with any report of the Cabinet or the appropriate committee(s), the following order of speeches will apply (subject to Standing Order 16.2):
- (a) The mover of the motion.
 - (b) The seconder of the motion.
 - (c) The Leader, Deputy Leader or the appropriate member of the Cabinet or chairman of the committee(s).
 - (d) At the conclusion of the debate on the motion, the mover of the motion may reply.

MOTIONS TO RESCIND OR AMEND RESOLUTIONS

- 14.1 A Member cannot move a motion to rescind or amend any resolution which has been passed by the County Council in the previous six months. Nor may a Member move a motion or amendment to the same effect as one rejected within the previous six months.
- 14.2 An exception will be allowed in either case where notice has been given and placed on the agenda. The notice must have the support of ten Members (including the proposer).
- 14.3 This Standing Order will not apply to any recommendation of the Cabinet or a committee to rescind a decision taken within the previous six months.

RULES OF DEBATE

 - (b) the mover of a motion may speak during the debate on any amendment to the motion;
 - (c) a Member who has already spoken may speak on a point of order or may, at the Chairman's discretion, explain any statement made by him/her which he/she believes has been misunderstood, or to rebut a personal allegation;
 - (d) the Leader or the Deputy Leader or a member of the Cabinet or the appropriate committee chairman may speak before the mover of the motion or amendment replies to the debate.
- 16.2 A Member seconding any motion or amendment will be deemed to have spoken on it unless he/she speaks immediately or reserves his/her right to speak later in the debate.

Relevance

- 16.3 Every Member who speaks must direct his/her speech strictly to the motion or matter under discussion, or to a motion or amendment which he/she moves, or to a point of order.

POINTS OF ORDER

17. Any Member wishing to raise a point of order must say at the outset the Standing Order or rule of debate which he/she believes has been infringed. Every point of order will be decided immediately by the Chairman whose decision will be final.

PROCEDURE FOR MOTIONS AND AMENDMENTS

- 20.1 A Member may not move or second more than one amendment on any motion.
- 20.2 Once moved and seconded, a motion or amendment may not be withdrawn without the consent of the Council.
- 20.3 With the consent of the Council, a Member may:
 - (a) alter a motion of which he/she has given notice; or
 - (b) with the consent of his/her seconder, alter a motion which he/she has moved.

(In either case, the alteration must be one which could be made as an amendment under Standing Order 21.1)
- 20.4 Motions or amendments relating to the annual consideration of the Budget should be submitted in a standard format to be set down by the Director of Finance.

AMENDMENTS

- 21.1 Every amendment must be relevant to the motion under discussion and either:
- (a) refer the matter to an appropriate body or individual for consideration or reconsideration
 - (b) leave out words
 - (c) add words, or
 - (d) leave out words and add others.
- 21.2 An amendment which forms the negative of the motion will not be allowed.
- 21.3 Whenever an amendment has been moved and seconded, no subsequent amendment may be moved until the first has been dealt with, unless the Chairman decides otherwise.
- 21.4 The mover of the motion should be asked whether they accept the amendment. If the amendment is accepted it will become the new substantive motion, and debate will continue in accordance with Standing Orders 13, 15, 16 and 18.
- 21.5 If an amendment is lost, other amendments may be moved on the motion.
- 21.6 If an amendment is carried, the motion as amended will become the substantive motion, on which further amendments may be moved.

MOTIONS RELATING TO PERSONAL NOMINATIONS

- 22.1 When considering a recommendation for the appointment or nomination of representatives to serve in any personal or representative capacity, additional names may be proposed and seconded by way of amendment. All the nominations will be placed in alphabetical order and votes in favour of each name will be taken separately.
- 22.2 Each Member may vote for as many persons as are to be nominated, and the Member receiving the highest number of votes will be declared to be appointed or nominated.

PROCEDURAL MOTIONS

- 23.1 Any Member may, at the close of the speech of another Member, move one of the following procedural motions:
- (a) "That the question be now put"**

(b) “That the Council do now proceed to the next business”

(c) “That the debate be now adjourned”

(d) “That the Council do now adjourn”

23.2 If the procedural motion is seconded and the Chair thinks the motion is appropriate and, for procedural motions (a), (b) and (c), there has been sufficient debate, he/she will ask if the motion has the support of ten Members (including the mover and seconder), who will show their support by standing or otherwise indicating clearly. If fewer than ten Members indicate their support, the procedural motion will be considered as withdrawn.

24.1 If the procedural motion **“That the question be now put”** is supported in accordance with Standing Order 23.2, that motion is put to the vote. If carried,

- (i) the Leader or the Deputy Leader or appropriate member of the Cabinet or committee chairman may speak to the motion or amendment under debate for not more than three minutes; and
- (ii) the mover of the motion or amendment may speak for not more than three minutes.

24.2 The motion or amendment under debate will then be put.

25.1 If the procedural motion **“That the Council do now proceed to the next business”** is supported in accordance with Standing Order 23.2,

- (i) the Leader or Deputy Leader or appropriate Cabinet member or the committee chairman may then speak for not more than three minutes.
- (ii) if there has been an “original” motion or amendment under discussion the mover of that may speak for not more than three minutes.

25.2 The procedural motion will then be put. If lost, it may not be moved again for half an hour, except by the Chairman. The debate on the “original” motion or amendment will then be resumed.

25.3 If the procedural motion is carried, then the matter under debate will be considered terminated or lost. If, by operation of this Standing Order, an amendment to a motion is lost, the debate on the motion itself will be resumed.

- 26.1 If the procedural motion “**That the debate be now adjourned**” is supported in accordance with Standing Order 23.2, the Chairman will invite
- (i) the mover to speak for not more than three minutes.

 - (iii) if there has been an “original” motion or amendment under discussion the mover of that may speak for not more than three minutes.

The procedural motion will then be put to the vote.

- 26.2 If the procedural motion is lost it may not be moved again for half an hour, except by the Chairman.
- 26.3 If the procedural motion is carried, the debate will continue at the next meeting of the Council. The Member who moved the adjournment will then be entitled to speak first.
- 26.4 The Council will then proceed to the next item of business.

- 27.1 If the procedural motion “**That the Council do now adjourn**” is supported in accordance with Standing Order 23.2, the Chairman will invite
- (i) the mover to speak for not more than three minutes.
 - (ii) the Leader or Deputy Leader or appropriate Cabinet member or the committee chairman may then speak for not more than three minutes.
 - (iii) if there has been an “original” motion or amendment under discussion the mover of that may speak for not more than three minutes.

The procedural motion will then be put to the vote.

- 27.2 If the motion is carried, the motion or amendment under debate will stand adjourned to the next meeting.
- 27.3 The Chairman will then call the remaining business, and any business which is opposed (by any Member so indicating) will stand adjourned. During the “calling-over” procedure each report will be formally moved by the Leader, Deputy Leader or appropriate member of the Cabinet or committee chairman and each paragraph and recommendation will be

called by the Chairman in the usual way. No statements, comments, motions or questions will be permitted.

SUSPENSION OF STANDING ORDERS

27.4 It is open to the County Council to suspend Standing Orders applying to meetings of the Council in whole or in part wherever that will assist it in carrying out its business in new and different forms. Suspension will only be for the duration of the meeting.

27.5 Any Standing Order may be suspended at any meeting upon:

- a) a recommendation by the Cabinet or a committee/board, or the Chief Executive; or
- b) a motion, notice of which has been given in writing by a Member
- c) to the Chief Executive by 12 noon on the working day before the
- d) meeting of the Council; or
- e) a motion seconded at the meeting and supported by ten Members who indicate their support by standing; or
- f) a direction by the Chairman as appropriate,

Subject to being agreed by a vote at the meeting.

VOTING

- 28.1 Voting will be by show of hands and/or electronically unless, by standing if they are able, ten Members demand a recorded vote. Where a recorded vote is called, the names of those voting for or against the motion or amendment (or abstaining) will be recorded and entered in the minutes. If a Member casts their vote incorrectly during a recorded vote, they must make this known to the Chair as soon as possible and before all votes have been cast.
- 28.2 A recorded vote must be undertaken for setting the Council's annual budget.
- 28.3 On a formal motion put from the Chairman (e.g. "That the report be received"), the question may be decided by the voice of the Members, unless any Member demands a show of hands.
- 28.4 The person presiding at the meeting will have a second or casting vote in the event of a tied vote.

- 28.5 If immediately after a vote is taken any Member so requires, the way in which he/she voted (or abstained) will be recorded in the minutes of that meeting.

INTERESTS OF MEMBERS

29. Where a Member attends a meeting which is considering a matter relating to a disclosable pecuniary or personal or prejudicial interest they have, or any relevant gifts and/or hospitality they have received, the provisions of the Code of Conduct, set out in Part 6 of the Constitution, will apply.

ATTENDANCE OF MEMBERS

30. Democratic Services staff will record Members' attendance at Council meetings.

PETITIONS

- 31.1 At the start of any ordinary meeting of the County Council, any member of the public who is an elector of the Surrey County Council area may present a petition containing 10,000 or more signatures. The County Council will debate it unless it is a petition asking for a senior council officer to give evidence at a public meeting. The County Council will endeavour to consider the matter at its next meeting following the submission of a paper petition or the end date of an electronic petition, although on some occasions this may not be possible and consideration will then take place at the following meeting. The presentation of a petition on the following business will not be allowed:

- (a) matters which are "confidential" or "exempt" under the Local Government Access to Information Act 1985; and
- (b) planning applications.

- 31.2 The presentation of a petition on the same or similar topic as one presented in the last six months will not be allowed.

- 31.3 The petition organiser will be given five minutes to present the petition at the meeting. The relevant Cabinet Member or another Cabinet Member will then be given five minutes for a right of reply before Members have an opportunity to debate the petition for no more than 30 minutes in total, with each Member allowed to speak for a maximum of 3 minutes.

- 31.4 Notice of paper petitions must be given in writing to the Chief Executive at least 14 days before the meeting.

- 31.5 The County Council will decide how to respond to the petition at its meeting. It may, for example, decide to take the action the petition

requests, not to take the action requested for reasons put forward in the debate, or to commission further investigation into the matter, for example by a relevant committee. Where the issue is one on which the Cabinet or an individual Cabinet Member is required to make the final decision, the County Council will decide whether to make recommendations to inform that decision. The petition organiser will receive written confirmation of this decision within five working days of the meeting. This confirmation will also be published on the Council's website.

Chairing meetings

47. If the Leader is present he/she will preside. In his/her absence the Deputy Leader will preside.

Responses to reports and recommendations of select committees must be made within two months of receipt of the report. The Cabinet will also respond to reports from borough/district scrutiny committees within two months.

Consultation

49. All reports to the Cabinet from any member of the Cabinet or an officer on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and the appropriate select committees, and the outcome of that consultation. Reports to the Cabinet or Cabinet Members about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

Placing items on the Cabinet agenda

50. The Monitoring Officer and/or the Chief Finance Officer may include an item for consideration on the agenda of a Cabinet meeting and may require the proper officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Head of Paid Service, Chief Finance Officer and Monitoring Officer are of the opinion that a meeting of the Cabinet needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of a Cabinet meeting.

Cabinet Member meetings

51. Cabinet Members will meet to exercise executive functions delegated to them by the Leader as set out in Table 2 of Part 3 of the Constitution. The business at Cabinet Member meetings will include:
 - (i) matters referred to the Cabinet Member (whether by a select committee or by the Council) for reconsideration by the Cabinet Member in accordance with the provisions contained in the select committee Procedure Rules or the Budget and Policy Framework Rules;
 - (ii) consideration of reports from select committees, local committees, any other committees of the Council where the subject matter relates to the Cabinet Member's portfolio area; and
 - (iii) matters set out in the agenda for the meeting, which shall indicate which are key decisions and which are not in accordance with the Access to Information Rules.
- a. The Cabinet Member will always formally respond to reports and recommendations made to him/her by any committees of the Council. Responses to reports and recommendations of select committee must be made within two months of receipt of the report.

Key decisions

52. A “key decision” means an executive decision which is likely either –
- (i) to result in the Council incurring expenditure, or making of savings with a value of £1m or over, and which are significant having regard to the budget for the service or function to which the decision relates; or
 - (ii) to be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the county.
 - (iii) “Key decisions” may only be made in accordance with the requirements of the Cabinet Procedure Rules.

Procedure before taking key decisions

53. Subject to Standing Order 65 (general exception) and Standing Order 66 (special urgency), a key decision may not be taken unless:
- (i) notice has been given to the chairman of the appropriate select committee in connection with the matter in question, and made publicly available at the Council's offices;
 - (ii) at least 5 clear days have elapsed since the publication of the notice; and
 - (iii) where the decision is to be taken at a meeting of the Cabinet, its committees, or an individual Cabinet Member, notice of the meeting has been given in accordance with Standing Order 44 (notice of meetings).

Urgent decision making

54. In the event that any matters arise in circumstances rendering it impossible for the Leader/Cabinet or Council to give instructions within sufficient time in the normal conduct of their business for such matters to be properly dealt with, the Chief Executive (or in his/her absence a member of the Corporate Leadership Team) shall have delegated authority to take or authorise all necessary steps to deal with the matters sufficiently to protect the Council's and the public's interests, provided that he or she shall first consult:
- i. The Chief Finance Officer and/or the Monitoring Officer (or their representative) and;
 - ii. Either the Leader (or in his/her absence, the Deputy Leader, or in his/her absence another Cabinet Member) (in respect of executive functions) or the Chairman (or in his/her absence, the Vice-Chairman or chairman or vice-chairman of the relevant committee) (in respect of non-executive functions).

Any decisions taken in accordance with this Standing Order will be reported to the next meeting of the appropriate Member level body.

General exception

- 55.1 Where the publication of the intention to make a key decision via a notice under Standing Order 53 is impracticable then subject to Standing Order 56 (special urgency), the decision may still be taken where:
- (i) the proper officer has informed the chairman of the appropriate select committee, or if there is no such person, each member of that select committee in writing, by notice, of the matter to which the decision is to be made;
 - (ii) the proper officer has made copies of that notice available to the public at the offices of the Council and on the Council's website; and
 - (iii) at least 5 clear days have elapsed since the proper officer complied with (i) and (ii).
- 55.2 As soon as reasonably practicable after the proper officer has complied with the above, he or she must make available at the offices of the Council and on the Council's website a notice setting out the reasons why compliance with Rule (a) and (b) is impracticable.

Special urgency

- 56.1 If there is not time to follow Standing Order 55 (general exception) then the decision can only be taken if the decision maker obtains the agreement of the chairman of the relevant select committee that the decision cannot reasonably be deferred. If there is no chairman of the select committee, or if the chairman is unable to act, then the agreement of the Chairman of the Council, or in his/her absence, the Vice-Chairman will suffice.
- 56.2 As soon as reasonably practicable after the decision maker has obtained agreement under paragraph 55.1 that the making of the decision is urgent and cannot reasonably be deferred, the decision maker will make available at the offices of the Council and on the Council's website a notice setting out the reasons why the decision is urgent and cannot reasonably be deferred.

Reports to Council on special urgency decisions

57. In any event the Leader will submit at least one report annually, and at such intervals as may be determined, to the Council containing details

of each of the executive decisions taken in the circumstances set out in Standing Order 56 above (special urgency) since the last such report. The report will include the particulars of the decisions so taken and a summary of the matters in respect of which those decisions were taken.

When a select committee can require a report

- 58.1 A report can be required if a select committee thinks that a key decision has been taken which was not:
- included in the notice of decisions; or
 - the subject of the general exception procedure; or
 - the subject of an agreement with the select committee chairman, or the Chairman/Vice-Chairman of the Council.
- 58.2 The select committee may require the Cabinet to submit a report to the Council. The power to require a report rests with the select committee, but is also delegated to the proper officer, who shall require such a report on behalf of the select committee when so requested by the chairman or any five Members. Alternatively the requirement may be raised by resolution passed at a meeting of the select committee.

Cabinet's report to Council

59. The Cabinet will prepare a report for submission to the next available meeting of the Council. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Cabinet is of the opinion that it was not a key decision the reasons for that opinion.

PARAGRAPHS 87 – 88 DELETED WITH EFFECT FROM 11 OCTOBER 2022.

PART 4 OF STANDING ORDERS BUDGET AND POLICY FRAMEWORK

The framework for executive decisions

89. The Council will be responsible for the adoption of its budget and policy framework as set out in Article 4. Once a budget or a policy framework is in place, it will be the responsibility of the Cabinet to implement it. In agreeing a budget and policy framework, the Council shapes and to some extent limits the decisions which the Cabinet can take within the context of plans, policies and budgets.

Process for developing the budget and policy framework

90. The Cabinet will publicise by publishing details on the Council's website a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework, and its arrangements for consultation after publication of those initial proposals. The appropriate select committee will be formally consulted at this stage.
91. Following consultation, the Cabinet will then draw up firm proposals having regard to the responses to that consultation. The Cabinet will take any response from a select committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Cabinet's response.
92. The Council will limit the extent of in-year changes to the approved budget and policy framework which can be undertaken by the Cabinet in accordance with paragraphs 53 to 57 of these rules.

Note: Where the Cabinet has submitted a draft plan or strategy to the Council and the Council has any objections to it, the process in Paragraph 89 of Standing Orders shall apply.

Decisions outside the budget or policy framework

93. If the Cabinet, a committee of the Cabinet, an individual Cabinet Member, officers, local committees or joint arrangements discharging executive functions want to make a decision which they consider may be contrary to or not in full accordance with the approved policy framework and in-year budget, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer.
94. If the advice of those officers is that the decision would not be in line with the policy framework or would fall outside the limits of budget

virement (as defined in paragraph 98), then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 95 below shall apply.

Urgent decisions outside the budget or policy framework

95. The Cabinet, a committee of the Cabinet, an individual Cabinet Member, officers, local committees or joint arrangements discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by Council if the decision is a matter of urgency. However, the decision may only be taken:
- i. if it is not practical to convene a quorate meeting of the full Council; and
 - ii. if the chairman of the appropriate select committee agrees that the decision is a matter of urgency.
96. The reasons why it is not practical to convene a quorate meeting of full Council and the chairman of the select committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the chairman of the select committee, the consent of the Chairman of the Council, and in the absence of both, the Vice-Chairman, will be sufficient.
97. Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

Virement

98. The approved in-year budget (as defined in paragraph 4.08 of the Council's Articles) represents the limits within which the Cabinet has discretion to use and allocate resources. Any decision on executive functions which would incur expenditure beyond the approved in year budget, or from any additional income (or savings) achievable, requires the agreement of the Council.
99. On the advice of the Chief Finance Officer, the Leader shall determine the requirements for and, if required, shall set the financial limit(s) within which budgets may be transferred by officers between budget heads within service areas without reference to and approval of the Cabinet. Such limits will be recorded in the Council's Financial Regulations.
100. The Cabinet will control virement by reference to the individual service or function budget heads approved by the Council and contained in the published in-year budget book. Officer virement will be restricted to

budget transfers between budgets categorised by the Chief Finance Officer as "local risk" budgets.

101. The Cabinet will determine a framework for determining the treatment of year end budget underspends and overspends, and the limitations on the virement of budgets between years. The framework will be published in the in-year budget book.

In-year changes to policy framework

102. The responsibility for agreeing the budget and policy framework lies with the Council, and decisions on executive functions must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by such decision makers except those changes:
 - (i) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
 - (ii) necessary to ensure compliance with the law, ministerial direction or government guidance;
 - (ii) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration;
 - (iv) which relate to policy in relation to schools, where the majority of school governing bodies agree with the proposed change.

Such changes should be reported to the next meeting of the Council.

Call-in of decisions outside the budget or policy framework

103. Where the appropriate select committee is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the approved in year budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer who shall prepare a report.
104. In respect of functions which are the responsibility of the Leader/Cabinet, the Monitoring Officer's report and/or Chief Finance Officer's report shall be to the Leader/Cabinet with a copy to every Member of the Council. Regardless of whether the decision is delegated or not, the Leader/Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council if the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the select

committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.

105. If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the approved in year budget, and/or virement rules relating to it, the select committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may either:

(i) endorse a decision or proposal of the executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way;

Or

(ii) amend the policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way;

Or

(iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the in-year budget, and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer or Chief Finance Officer.

PARAGRAPHS 106 – 111 DELETED WITH EFFECT FROM 11 OCTOBER 2022

SCRUTINY PROCEDURES

Attendance by witnesses

112. Select committees may examine and review decisions made or actions taken in connection with the discharge of any Council or executive functions as appropriate. As well as reviewing documentation, in fulfilling the scrutiny role the select committee may require the Leader, Deputy Leader or any Member of the Council, and/or any senior officer to attend before it to explain in relation to matters within the select committee's remit:

- (i) any particular decision or series of decisions;
- (ii) the extent to which the actions taken implement Council policy; and/or
- (iii) their performance

and it is the duty of those persons to attend if so required.

113. Where any Member or officer is required to attend a select committee under this provision, the select committee chairman will inform the proper officer. The proper officer shall inform the Member or officer in writing giving at least 10 working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the select committee. Where the account to be given to the select committee will require the production of a report, then the Member or officer concerned will be given sufficient notice to allow for preparation of that documentation.

114. Where, in exceptional circumstances, the Member or officer is unable to attend on the required date, then the select committee shall, in consultation with the Member or officer, arrange an alternative date for attendance.

115. When officers appear to answer questions, their evidence will be confined, as far as possible, to questions of fact and explanation relating to policies and decisions. Officers may explain what the policies are and how administrative factors may have affected the choice of policy measures and the manner of their implementation. Officers may be asked to explain and justify advice that they have given in relation to the exercise of executive functions prior to decisions being taken, and to justify decisions they themselves have taken under the Scheme of Delegation where they fall within the terms of the matter under scrutiny. As far as possible, officers should avoid being drawn into discussion of the merits of alternative policies where this is politically contentious, and should certainly not venture an opinion as to whether one policy option is preferable to another.

Attendance by others

116. A select committee may invite people other than those people referred to in paragraph 115 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, partner authorities, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

Call in

117. The intention is that call in powers will be used exceptionally by select committees.
118. When a decision is made by the Leader, Cabinet, individual Cabinet Members, a committee of the Cabinet or local Members in relation to their local area, or a key decision is made under joint arrangements or by officers, the formal record of the decision shall be published not later than three working days after the decision is taken. An information bulletin will be published on the day after the meeting summarising the decision taken pending publication of the record.
119. That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless the appropriate select committee objects to it and calls it in.
120. During that period, a decision may be called in for scrutiny by the select committee chairman or vice-chairman or any two or more other select committee members from more than one political group. The chairman shall call a meeting of the select committee within 10 working days of the expiry of the period referred to in paragraph (ii) above, and where possible after consultation with the decision maker(s).
121. If, having considered the decision, the select committee is still concerned about it, then it may refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to Council. If referred to the decision maker it shall then reconsider within a further 7 working days, amending the decision or not, before adopting a final decision.
122. If following an objection to the decision, the select committee does not meet in the period set out in standing order 120 above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the select committee meeting, or the expiry of that further 10 working day period in standing order 120, whichever is the earlier.
123. If the matter was referred to Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, it has no remit to make

decisions in respect of an executive decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget.

124. Unless that is the case, the Council will refer any decision to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet as a whole, or a committee of it, a meeting will be convened to reconsider within 10 working days of the Council's request. Where the decision was made by an individual, the individual will reconsider within 5 working days of the Council's request.
125. If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.
126. The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

EXCEPTION

127. The call-in procedure set out above shall not apply where the decision being taken is urgent in accordance with Standing Order 56 (special urgency). A decision will be urgent if any delay likely to be caused by the call in process would seriously prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in. The chairman of the select committee must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the chairman of the select committee, the Chairman of the Council's consent shall be required. In the absence of both, the Chief Executive's consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.

Member referral of matters to select committees

128. Any Member of the Council may refer to a select committee any local government matter which is relevant to the functions of the committee.
129. The Member referring the matter may make representations as to why it would be appropriate to scrutinise the matter.

130. If the select committee decides not to scrutinise the matter, it must notify the Member of its decision and the reasons for it.
131. The select committee must provide the Member with a copy of any report or recommendations which it makes to the Leader/Cabinet/Cabinet Member or Council in relation to the matter.

Reports from select committees

132. The select committees will report their views and recommendations to the Leader/Cabinet/Cabinet Member, Council or partner organisations as appropriate. Select committees may report direct to the Council where they wish to draw its attention to issues of interest or concern, or where they wish to enlist the Council's support or invite it to express a view.
133. If a select committee cannot agree on one single final report to the Leader/Cabinet/Cabinet Member or Council as appropriate, then a minority report may be prepared and submitted for consideration by the Leader/Cabinet/Cabinet Member or Council with the majority report.
134. Select committees will have access to the Leader's Cabinet Forward Plan and timetable for decisions and intentions for consultation and may respond in the course of the Leader's/Cabinet's/Cabinet Member's consultation process in relation to any key decision.

- 141. Where the Council gives instructions in accordance with paragraph 140 it must specify a period of at least five working days beginning on the day after the date on which the Leader receives the instructions within which the Leader may –
 - (a) submit a revision of the estimates or amounts as amended by the Leader/Cabinet ("revised estimates or amounts") which have been reconsidered in accordance with the Council's requirements, with the reasons for any amendments made to the estimates or amounts, to the Council for the Council's consideration; or
 - (b) inform the Council of any disagreement that he/she/the Cabinet has with any of the Council's objections and the reasons for any such disagreement.

COMMITMENT TO GOOD GOVERNANCE

Good corporate governance underpins confidence in public services and should be transparent to all stakeholders. We are committed to demonstrating that the council has sound corporate governance and this Code of Corporate Governance sets out the way we meet that commitment. This in turn promotes adherence to our values that guide the behaviour of all officers and Members:

Corporate governance is the way in which the council directs and controls its arrangements to ensure that the intended outcomes for stakeholders are defined and achieved. A robust governance code provides assurance that Surrey is meeting best practice in protecting its assets and serving the community.

The council annually reviews the effectiveness of its governance arrangements and produces an Annual Governance Statement (AGS), which summarises the governance framework and environment in place during the year. The AGS is signed by the Chief Executive and the Leader of the Council and is included within the Statement of Accounts, as required by statute.

This Code of Corporate Governance supplements the Governance Strategy and sets out the mechanisms for monitoring and reviewing the corporate governance arrangements, which enables the council to identify good governance practice and also areas for improvement.

GOOD GOVERNANCE PRINCIPLES

Principles of Public Life

The council is committed to ensuring that good governance is in place and that we are serving the local community in accordance with the seven principles of public life as defined by the Nolan Committee¹. These principles apply to everyone working in the public services and should be incorporated into all codes of conduct and behaviour to ensure residents and service users receive a high quality service.

The principles are as follows:

Selflessness

Officers and members should act solely in terms of the public interest. They should not act in such a way in which to gain financial or other benefits for themselves, their family or their friends.

Integrity

Officers and members should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, officers and members should make choices on merit.

Accountability

Officers and members are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their role.

Openness

Officers and members should be as open as possible about all decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty

Officers and members have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the people of Surrey.

Leadership

Officers and members should promote and support the principles by leadership and example.

¹ The Nolan Committee was established in 1994 by the Prime Minister in response to concerns that conduct by some politicians was unethical.

Core Governance Principles

The council has adopted six core governance principles, which ensure good governance, compliance with the principles of public life and support the achievement of our Organisation Strategy and Governance Strategy.

We will focus on our purpose to optimise the achievement of intended outcomes for Surrey and its local communities.

We will meet this by:

- Making the best use of our resources available to ensure best value is achieved; and
- Promoting decision making that is rigorous and transparent.

Members and officers will behave with integrity and demonstrate a strong commitment to ethical values.

We will meet this by:

- Demonstrating and communicating our values; and
- Understanding, monitoring and maintaining our ethical standards.

We will ensure openness and effectively engage with our stakeholders.

We will meet this by:

- Demonstrating, documenting and communicating our commitment to openness; and
- Engaging with residents, partners, businesses and other stakeholders in the development of services.

We will develop the capacity and capability of members and officers to continue to be effective.

We will meet this by:

- Clarifying roles and responsibilities; and
- Ensuring members and officers have the appropriate skills, knowledge, resources and support to perform well in their roles.

SUPPORTING GOVERNANCE DOCUMENTS

There is a robust framework of council policies and processes that are of key importance in maintaining good governance, support the achievement of our Organisation Strategy and underpin compliance with the core governance principles. The documents are shown at Annex A.

Responsibility for each governance document ultimately rests with the Chief Executive or one of the Executive Directors, aside from statutory functions that fall within the personal responsibility of the Section 151 Officer or the Monitoring Officer.

Below those officers and members mentioned above, where appropriate, are officers who have a material input and control over governance documents. These officers are referred to as Governance Custodians and they are shown in Annex B.

Governance Custodians are responsible for keeping documents up to date and therefore making necessary changes. Any significant changes require approval by members or officers as shown at Annex C. It is the decision of the relevant officer and/or member as to what is classed as significant.

GOVERNANCE REVIEW

The annual review of governance assesses the level of compliance with each of the core governance principles. The method of annual review is agreed by the Governance Group, who ensures that the Council has a robust method of scrutiny and appraisal of Governance. The group advises Corporate Leadership Team (CLT), Audit & Governance Committee (A&GC) and Cabinet on the adequacy of the arrangements and proposes areas for improvement through the Annual Governance Statement (AGS). The Governance Group terms of reference are shown at Annex D.

The annual review of governance may consist of:

CUSTODIAN ASSURANCE

Custodian Assurance Statements completed by Governance Custodians provide an overview of key changes to governance documents and any communications and training activities that have taken place. Recommendations are made, as appropriate, to the Governance Group on any specific areas to be reviewed by Internal Audit as part of the governance compliance work.

GOVERNANCE COMPLIANCE

A number of methods are used by Internal Audit to test governance compliance on identified areas as appropriate:

- Relevant audit reviews already undertaken or in progress;
- Compliance testing on specific governance policies; and
- Assurance mapping.

Key findings from Internal Audit testing is presented to the Governance Group and any significant areas will be included in the AGS.

REPORT ON INTERNAL CONTROL

The Chief Internal Auditor uses information gathered from internal audit reviews carried out as part of the annual audit plan, to report on the adequacy of the overall internal control environment. This report is presented to the Governance Group and any significant areas will be included in the AGS.

ASSESSMENT OF THE CORE GOVERNANCE PRINCIPLES

An annual assessment of the core governance principles is carried out and consists of:

- reviewing existing procedures,
- assessing existing governance arrangements against best practice,
- interviews with key officers; and
- reviewing any assurance mapping undertaken by Internal Audit.

A summary report is then presented to the Governance Group and any significant findings will be included in the AGS.

ADDITIONAL GOVERNANCE INFORMATION

The Governance Group reviews any relevant reports and findings from other inspectorates and groups, along with any self-assessments that the council has completed within the relevant year. Any significant issues are then included in the AGS and the information can include the following:

- External audit reports
- External inspection reports
- Annual review of the effectiveness of the system of internal audit
- Member task group reports and findings.

AGS

The draft AGS is developed by the Governance Group and reviewed by the Corporate Leadership Team before the AGS is presented to the Audit and Governance Committee and the Cabinet for approval. The AGS is then signed by the Chief Executive and the Leader of the Council and incorporated into the Statement of Accounts.

The Governance Group monitors progress on any improvement actions identified and update reports are presented to senior officers and the Audit and Governance Committee as appropriate.

Introduction

Financial Regulations provide a framework within which all staff can carry out their responsibilities in an open and consistent manner. They outline the financial responsibilities of all officers and members of the Council, and have been designed to promote and maintain the high standards expected of the public sector in dealing with financial and other resources financed from taxation by:

- placing clear accountability with officers appointed to manage resources; and
- establishing key principles and processes which they should follow, supported by detailed operating arrangements approved by the Section 151 Officer.

Section 151 of the Local Government Act 1972 requires local authorities to make arrangements for the proper administration of their financial affairs and appoint a Chief Finance Officer (**Section 151 Officer**) to have responsibility for those arrangements. The Deputy Chief Executive and Executive Director of Resources is the Section 151 Officer for Surrey County Council.

Whilst responsibility for the administration of the Council's financial affairs lies with the Section 151 Officer, all individuals engaged in Council activities are responsible for ensuring that their actions comply with Financial Regulations.

Cabinet Members and **Executive Directors** hold a dual role to ensure that strategic policies and priorities are delivered within resources and meet all fiduciary responsibilities, recommendations to Council are deliverable and that they support Budget Managers to spend within the Budget Envelopes.

The **Accountable Budget Officer (ABO)** (Executive Directors, Service and Assistant Directors, Heads of Service and other officers deemed to be Senior Officers) has overall accountability for a group of budgets. The ABO is ultimately accountable for ensuring effective planning and management of their budgets to deliver their service priorities within the agreed budget envelope. The ABO signs an annual Budget Accountability Statement.

A **Budget Manager** has day to day responsibility for the management of the budget of one or a group of services or projects under the oversight of an ABO. Their key responsibility is to make best use of financial resources through good planning and management, taking corrective action where required.

All officers with responsibility for undertaking financial duties are required to comply with these regulations. The Section 151 Officer is, in turn, accountable to Council. The Financial Regulations and supporting documents are reviewed annually and will be developed further in line with the cultural changes and transformation plans the Council is currently working towards.

Locally managed schools have their own financial governance and regulations, which are set out in the Surrey Scheme of Financing Schools and the Schools' Finance Manual.

The Financial Regulations should be read in conjunction with the Council's:

- Counter Fraud Strategy and Framework;
- Business Continuity Plan Guidance;
- Risk Management Policy;
- Whistle blowing Policy; and
- Procurement Standing Orders.

FINANCIAL REGULATION 1 - SCOPE OF FINANCIAL REGULATIONS

FR1.1 The Financial Regulations are binding on all Council members and officers, including contractors, agency staff, and anyone acting on behalf of the Council, including elected members.

FR1.2 Financial Regulations are part of the Council's Constitution. The relevant parts of the Constitution are Article 12 (Finance, Contracts and Legal matters), Part 3 (Responsibility of Function and Scheme of Delegation), and Part 4 (Standing Orders – Budget & Policy Framework). Financial Regulations may only be amended by Full Council.

FINANCIAL REGULATION 2 - ROLES AND RESPONSIBILITIES

Council

FR2.1 Council members, acting as the Full Council, are responsible for approving the Council's overall policy framework and the budget within which the Council operates, setting the Prudential Indicators for treasury management; limits on virements between budgets, and the Capital, Investment and Treasury Management Strategies.

Cabinet

FR2.2 The Cabinet is responsible for proposing the policy framework and budget to the Full Council and for the discharge of executive functions in accordance with it. Decisions can be delegated to individual cabinet members or officers in line with the Scheme of Delegation.

Section 151 Officer (Deputy Chief Executive and Executive Director of Resources)

FR2.3 The Section 151 Officer's role and responsibilities are set out in statute and are governed by (but not restricted to):

- Section 151 of the Local Government Act 1972;
- Section 114 of the Local Government Finance Act 1988;
- Local Government and Housing Act 1989;
- Local Government Act 2003; and
- Accounts and Audit Regulations 2015.

FR2.4 All financial procedures and records shall be subject to his / her approval. Under The Accounts and Audit Regulations, the Section 151 Officer is responsible for the financial management of the Council, sound systems of internal control, risk management, and at least once in a year, a review of the effectiveness of the system of internal control.

FR2.5 The Section 151 Officer is responsible for the day-to-day management of the Council's financial affairs. They shall provide information and assistance to all officers to help them carry out their responsibilities for effecting the sound financial management of their services.

FR2.6 The Section 151 Officer shall report to members on the overall budget performance and recommend corrective action as and when required. They shall ensure, as far as practicable, Financial Regulations and supporting policies protect the Council against any unlawful financial transactions or actions.

FR2.7 The Section 151 Officer must be given access to any necessary information to comply with his / her statutory duties.

FR2.8 The Section 151 Officer will ensure that procedures are documented and made available to users for those financial systems identified as business critical.

FR2.9 The Section 151 Officer shall, after consultation with the Chief Executive, report any non-compliance with these Regulations which they considers substantial. The report shall be made initially to the Leader and, following that, to the relevant Committee depending on the circumstances.

FR2.10 The Section 151 Officer can nominate a Deputy Section 151 Officer or Officers that have the same role and responsibilities in the absence of the Section 151 Officer.

Senior Officers (Chief Executive, Executive Directors, Service and Assistant Directors, Head of Service, other designated officers)

FR2.11 Senior Officers have individual and collective responsibility to ensure that the fundamental principles as established by the Cadbury Report on “the financial aspects of corporate governance”, namely openness, integrity and accountability, are established through compliance with Financial Regulations.

FR2.12 Senior Officers of Surrey County Council have overall accountability for their revenue budgets and are ultimately accountable for ensuring effective planning and management to deliver service priorities and outcomes within the agreed budget envelope, whilst reporting any variations and working to rectify them as soon as possible. Annually Senior Officers, known as Accountable Budget Officers, are requested to acknowledge their responsibilities and budget remit for both revenue and capital. Budget Accountability Statements (BAS) are produced before the commencement of the financial year and require confirmation of the accountabilities and the budget envelope.

FR2.13 Senior Officers may delegate day to day management to a Budget Manager in his / her directorate or service, provided that a list of officers so authorised shall be supplied to the Section 151 Officer. Although day to day management of a budget may be delegated, responsibility and accountability remains firmly with Senior Officers. Effective management of resources is a fundamental requirement of managers and failure to manage budgets will be investigated under the disciplinary procedure. Persistent or significant failure could constitute gross misconduct.

FR2.14 Senior Officers shall propose annual revenue and capital budgets for each service within the budget guidelines agreed by the Cabinet.

Budget Managers

FR2.15 Budget Managers should make all relevant staff aware of these regulations (and associated documents) and highlight the relevance and compliance of the regulations to team members.

FR2.16 Budget Managers are accountable for their budget areas and to make arrangements for managing income and expenditure and ensure value for money in service delivery. Budget Managers are responsible for taking action to recover and to report on any budgetary variances, and for reporting to Senior Officers if there is a possibility that budgets may be overspent. Effective management of resources is a fundamental requirement of Budget Managers and failure to manage the budget properly will be investigated under the Council's disciplinary procedure.

FR2.17 Budget managers are responsible for the budget narrative that informs the monthly reports to Directorate Leadership Teams (DLT), the Corporate Leadership Team (CLT) and to members. Finance officers are available to support this process.

FR2.18 Senior Officers and Budget Managers are responsible for ensuring that all staff, contractors, agency workers in their directorates, anyone acting on behalf of the Council and elected members are aware of the existence and content of the Council's Financial Regulations and other internal regulatory documents and that they comply with them. They must also ensure that there is adequate availability of and access to the current version of Financial Regulations.

FINANCIAL REGULATION 3 - INFORMATION AFFECTING THE COUNCIL'S FINANCES

FR3.1 Where a matter arises in any Directorate which could materially affect the Council's finances, other than a matter already approved, Senior Officers shall consult the Section 151 Officer before any provisional expenditure is incurred or any commitment given.

FR3.2 All Cabinet reports shall contain a section dealing with the financial implications of the matter(s) covered by the report and shall be submitted to the Section 151 Officer, who shall satisfy himself / herself that the financial information is comprehensive and accurate before the report is finalised and published.

FINANCIAL REGULATION 4 - PREPARATION OF FINANCIAL PLANS

FR4.1 The Section 151 Officer, in consultation with the Chief Executive, shall advise Cabinet each year on the timescales and procedures to be adopted for the formulation of all Financial Plans including the Medium Term Financial Strategy, Annual Revenue Budget, Capital Strategy, Investment Strategy, Capital Programme and Treasury Management Strategy. Cabinet shall agree a timetable which will include stages for consultation with Resources and Performance and appropriate Select Committees and other appropriate stakeholders. Members will be actively involved in scrutiny of budget proposals ahead of submission to Cabinet and Council, and subsequently in the monitoring of progress.

FR4.2 Senior Officers shall adhere to the agreed timescales and procedures in providing the information required to enable the preparation of Service Development and Financial Plans.

FR4.3 In accordance with the agreed timescales, the Section 151 Officer shall submit a report to Cabinet, taking account of the views of appropriate committees, with the information required to enable Cabinet to recommend a Capital Strategy and Programme, Revenue Budget and Council Tax for the following financial year to Council. The report will comment on the robustness of the budget proposals submitted for approval in compliance with the requirements of Section 25 of the Local Government Act 2003.

FR4.4 The responsibilities of Senior Officers are set out in the Budget Accountability Statement (BAS). Any additional expenditure not already included in the existing Revenue Budget must be found from corresponding savings/efficiencies in other areas. Under no circumstances can additional expenditure be incurred without the express approval of the Section 151 Officer.

FR4.5 Senior Officers, in consultation with the Section 151 Officer, shall make appropriate arrangements for the effective identification, progression and management of external funding and partnership opportunities (there after referred to as “funding opportunity”) applicable to their service area. The External Bidding Hub (Sharepoint site for information and holds the bidding register) and Bidding community group (Teams group for advice, support and opportunity circular) are available to assist Senior Officers and delegations to ensure all possible partners can be identified and considered.

FR4.6 All bids for a funding opportunity for externally funded schemes shall be made in consultation with the Section 151 Officer or his/her deputies before a bid is submitted. Proper allowance must be made for work which will have to be undertaken by all other services / directorates to implement the scheme, and all costs which have to be met by the Council, in consultation with the relevant Strategic Finance Business Partner. Some applications may require member approval, as set out in the Constitution, particularly where the Council is entering into contractual arrangements.

FR4.7 All officers engaged in the progression of such schemes shall adhere to these Financial Regulations, the Council’s Procurement Rules, External Bidding Hub and any other directions or instructions given by the Council. Where the Council has been defined by the funder as the Accountable Body for a scheme, Financial Regulations applies equally to the staff of any partnering organisations in respect of the scheme.

FR4.8 Where a third party works in partnership with the Council in delivering an externally funded project, officers must ensure that a third-party agreement is in place which reflects the terms and conditions of the funding agreement between the Council and the external funder. The responsible officer shall ensure that the third-party complies with the third-party agreement in order to safeguard the Council’s position regarding compliance with its agreement with the funder. For all significant arrangements, the advice of the Monitoring Officer should be taken on the form and content of any agreement.

FR4.9 Further guidance on preparation of financial plans timescales and procedures, submission and monitoring of capital schemes, roles and responsibilities, and funding

proposals and process can be sought from the appropriate Strategic Finance Business Partner.

FINANCIAL REGULATION 5 - AUTHORITY TO INCUR REVENUE EXPENDITURE

FR5.1 Budget Managers are authorised to incur expenditure up to the amounts included in their approved budget.

FR5.2 The Section 151 Officer shall update budgets to reflect approved variations agreed by Cabinet. In addition, they shall approve amendments and update the Revenue Budget in accordance with Financial Regulation 6.

FR5.3 Overspending against the approved budget is not permitted. However, a situation may arise which requires expenditure to be incurred as a matter of such urgency that there must be no delay. If there is no, or insufficient, budget provision available, the Budget Manager should, in consultation with the relevant Senior Officer and Section 151 Officer obtain the necessary goods, and / or works, and / or services. The additional expenditure shall be met by virement in accordance with Financial Regulation 7.

FR5.4 The Section 151 Officer or deputies approve any non-redundancy related settlement claims (not covered by FR5.5) over £50,000; otherwise the relevant Strategic Finance Business Partner will approve.

FR5.5 The approval of special severance agreements and non special severance and redundancy applications (e.g. compulsory and voluntary redundancy, ill health retirement and compensation for an injury at work payments) are covered within the Scheme of Delegation Section 3 Part 3A.

FINANCIAL REGULATION 6 - FINANCIAL MONITORING

FR6.1 Senior Officers shall comply with the outlined roles and responsibilities and the Budget Accountability Statement (BAS). Individual budgets may be delegated to Budget Managers / Budget Holders within the directorate, however, Senior Officers maintain overall responsibility and are accountable for managing the budgets in compliance with the Budget Accountability Statement.

FR6.2 Senior Officers are responsible for delivering services within the allocated budget. It is not acceptable to overspend, and mis-management of the budget may lead to disciplinary action.

FR6.3 Senior Officers and Budget Managers are responsible for delivering the savings/efficiencies identified within their assigned budgets.

FR6.4 Budget Managers shall provide accurate forecast returns in accordance with the budget monitoring timetable. Any overspends against a single budget line must be met by a saving elsewhere within the budget. If an overall unavoidable overspend is likely to occur, the Budget Manager must notify the appropriate Senior Officer and Strategic Finance Business Partner, and provide a detailed explanation of why the overspend is truly

unavoidable. Any underspends should also be reported early, as these may be required to offset unavoidable pressures elsewhere.

FR6.5 The monthly forecast returns should provide:

- coherent and detailed explanations which support the reported figures activity levels for budget variances;
- highlight potential budget problems
- progress on management actions; and
- outline the impact on future budgets.

FR6.6 On behalf of Senior Officers, Strategic Finance Business Partners will present monthly monitoring reports to DLTs. The Section 151 Officer will present a consolidated monthly monitoring report to CLT.

FR6.7 Using a risk based methodology, regular financial monitoring reports shall also be prepared and submitted, in the agreed format,

- to Cabinet as a standing agenda item on a monthly basis and
- Quarterly monitoring information to the appropriate Select Committees.

FINANCIAL REGULATION 7 - VIREMENT OF REVENUE BUDGETS

FR7.1 Budget approval gives Budget Managers the right to incur expenditure on behalf of the Council. Budget Managers may vire between their budget headings within the constraints outlined in the Financial Regulations, in consultation with the appropriate Strategic Finance Business Partners. Virements should not be used to adjust for under / overspends on various headings but only where a definite decision has been taken to change approved spending plans.

FR7.2 Revenue virements resulting from a change in policy or priorities (either within the same portfolio or between portfolios) will be subject to the following approval:

Amount	Minimum approval required
Up to and including £1m	Executive Director (following consultation with deputy S151 Officer(s))
In excess of £1m, but no more than £2m	Executive Director (following consultation with s151 Finance Officer and relevant Cabinet member(s))
More than £2m	Cabinet (following consultation with relevant Cabinet member, Executive Director and S151 Officer (if not already involved))

FR7.3 Exceptions to the virement rules are as follows:

- Member approval is not required where a budget will continue to be used for the approved purpose but is being moved, for example, to reflect a change in budget holder responsibilities. Such transfers will however require the approval of the either the Director of Financial Insights or Director of Corporate Finance and the relevant Strategic Finance Business Partners(s).
- Member approval is not required for budget movements arising in order to comply with the CIPFA Service Expenditure Reporting Code of Practice guidance on accounting for overheads, or budget movements arising in order to comply with proper accounting practice. Approval is required from the relevant Strategic Finance Business Partner and/or the Director of Corporate Finance or Director of Financial Insights.

FR8 – FEES AND CHARGES

FR8.1 The Section 151 Officer shall issue guidance to all Directorates on the levels of increase in fees and charges for services to ensure that as far as possible a common approach to charges and revisions of charges is adopted across the Council.

FR8.2 Senior Officers and Budget Managers will conduct an annual review of all fees and charges, in consultation with the relevant Strategic Finance Business Partners, as part of the annual budget setting process. The purpose of the review would be to ensure that:

- Increases are in line with issued guidance or clear evidence and reasoning for deviation;
- Chargeable discretionary services are not subsidised without a specific supporting policy decision; and
- the level of subsidy for chargeable statutory services is recorded.

The annual review will encompass a review of the budgeted income generation; level of subsidy, associated benchmarking comparatives, any changes to the local economy and any changes in legalisation to statutory services.

FR8.3 Each Directorate will supply to Finance Senior Management Team (FSMT) a list of fees and charges highlighting changes to the fee or charge, and comparative change from year to year. FSMT will consider whether any fees and charges are commercial sensitive, or politically high priority to define whether the change requires Cabinet approval or noting.

FR8.4 Once the fees and charges (discretionary and statutory) annual review has been conducted and FSMT reviewed them, within the annual budget setting timeline, the following table provides the approval and publishing delegation:

Change:	Existing fees and charges			New fees and charges
	in line with guidance or rounding ¹	increase higher than issued guidance	part of a high priority schedule	
Approved by:	Budget Managers	Relevant Cabinet Member		
In consultation with:	Relevant Strategic Finance Business Partners	Finance Senior Management Team		
Published in	Noted within Cabinet Budget Report*	Approved by the relevant Cabinet Member (in year changes) or within Cabinet Budget Report*		

*or within another Cabinet report before the start of the new financial year. If commercial sensitive, the individual fees and charges would be considered for Part 2 Committee report.

FR8.5 In determining charges for discretionary services, the cost of providing the service should be calculated and fees charged to the service user in order and where possible to recover all direct, indirect, and overhead costs incurred by the Council in the delivery of the service and in compliance with relevant legislation. Where relevant, the cost of chargeable officer time should be used as calculated by corporate finance in the Commercial Rate Card (updated annually). The importance of services to the users, comparable charges made by neighbouring authorities and income targets should all be taken into consideration. Senior Officers should liaise with the appropriate finance officer in relation to the proposals. Finance officers must wherever possible prevent an unintended subsidy of discretionary services through the under-recovery of indirect and/or ancillary costs incurred in the delivery of discretionary services.

FR8.6 As part of the annual review of fees and charges, Senior Officers shall also examine the possibility of introducing charges for services where no charges are currently made. This will be undertaken in consultation with Legal Services.

FR8.7 Some fees and charges may not be fixed, but based on full or part cost recovery, subject to a supporting policy decision regarding subsidy (FR8.2).

FR8.8 Where charges are assessed according to ability to pay, Senior Officers may make arrangements for the charges to be reduced in accordance with an assessment methodology approved by Cabinet.

FINANCIAL REGULATION 9 - CARRY FORWARD OF UNSPENT BUDGETS

FR9.1 The carry forward of unspent provisions in the Revenue Budget from one financial year to the next is not permitted except with explicit approval of the Section 151 Officer, in consultation with the Leader of the Council and the Cabinet Member for Finance.

FR9.3 Year end balances will be transferred to and from reserves by the Section 151 Officer, in line with the Council's Reserves Policy, and with the approval of Cabinet.

FINANCIAL REGULATION 10 – RESERVES

FR10.1 Reserves will be set by the Council each year as part of the budget setting process. The Section 151 Officer will advise the Cabinet and Council on the prudent level of reserves and balances, taking into account prevailing and anticipated levels of risk and uncertainty.

FR10.2 The creation of any reserve will be subject to the approval of Cabinet, upon the advice of the Section 151 Officer. For each reserve established, the purpose, and usage will be clearly articulated.

FR10.3 Increases in existing reserves come about through two routes:

- Through the budget setting process, the setting of which requires Full Council approval; and
- By transfer of an underspend into reserves in accordance with the table below:

Amount	Minimum approval required
Up to and including £1m	Executive Director (following consultation with deputy S151 Officer(s))

FR10.4 The Section 151 Officer shall be authorised to draw upon reserves for the agreed purposes of that reserve, subject to provision remaining available.

FINANCIAL REGULATION 11 - AUTHORITY TO INCUR CAPITAL EXPENDITURE

FR11.1 The Council's approach to capital investment is set out in the Councils, Capital Investment and Treasury Management Strategy and the Investment Strategy, which is approved by Council as part of the budget setting papers each February. New schemes and projects will usually only be added to the Capital Programme as part of the annual budget setting process, however, changes, capital virements and additions may be made during the year, subject to one of two decision-making structures:

- Capital expenditure relating to equity investments or investment property will be subject to assessment by the officer-led Shareholder Investment Panel, the Asset Strategy Board and ultimately approved by members at Strategic Investment Board.
- All other capital expenditure will be subject to assessment by the appropriate Strategic Capital Group; for Information Technology, Infrastructure and Property, the Capital Programme Panel and formal member approval, where required by the Scheme of Delegation.

FR11.2 Capital expenditure other than on equity investments and investment property is subject to a governance route based on value and an assessment of impact and risk. New capital schemes and projects and changes to existing schemes and projects are assessed and scrutinised in up to three stages prior to being included in the Capital Programme:

- Strategic Capital Groups, comprising the Head of Service or their nominated officer and Strategic Finance Business Partner or their nominated officer, for:
 - Information Technology,
 - Infrastructure; and
 - Property.
- Strategic Capital Groups can make decisions on new approvals of up to £250,000, or approve existing schemes where the scheme or project is within the approved Capital Programme Budget and does not require additional officer or member approval, based on an assessment of impact and risk. Variations to existing budgets can be approved up to 10% of total budget, up to a maximum of £250,000.
- The Capital Programme Panel, comprising of the Section 151 Officer or their nominated officer, the chairs of the Strategic Capital Groups and other nominated officers. The Capital Programme Panel can make decisions on new approvals of up to £1,000,000 where the scheme or project does not require member approval based on an assessment of impact and risk. Variations to existing budgets can be approved up to 10% of total project budget, up to a maximum of £500,000.
- Approval by Cabinet is required for all other additions and changes.
- Where overarching programme strategies are approved by Cabinet, Cabinet may delegate the approval of individual schemes over £1,000,000 to the relevant Cabinet Member(s) and Executive Director(s), subject to scrutiny of business cases by the Cabinet Programme Panel. Individual schemes should initially be reviewed by Capital Programme Panel and then be signed off by the relevant Executive Director(s). Final approval will be via the relevant Cabinet Member(s) via a formal delegated decision sheet which will be published and subject to call in processes.
- In these cases, the Cabinet Member, Executive Director and Capital Programme Panel will also be responsible for ensuring, in consultation with Strategic Capital Groups, that the overarching strategy approved by Cabinet remains deliverable

within the overall programme budget and that key metrics, eg number of additional school places, will be delivered.

FR11.3 All proposed schemes must be based on a robust business case and subject to appropriate internal or external due diligence. In particular the business cases must ensure:

- Capital Programme proposals are consistent with the Council's Organisation Strategy, Capital Strategy and Investment Strategy, Asset and Place Strategy and Directorate Strategies and have a strategic mandate to proceed;
- Each capital scheme or project is assessed for both financial and service risk;
- The proposed timetable for the scheme or project is realistic; and
- All associated revenue implications are fully quantified and covered in the current and future years.

FR11.4 Only those schemes and projects that meet the strategic priorities and have been assessed via the stages outlined above, subject to member approval where required, will be approved as part of the Capital Budget. Projects in an earlier stage of development may be included in the Capital Pipeline but will require business case approval, assessed via the stages outlined above, before they can commence.

FR11.5 Contracts for capital works will be awarded in accordance with the rules set out in Procurement Standing Orders.

FINANCIAL REGULATION 12 - MONITORING OF THE CAPITAL PROGRAMME

Virements should be approved by the appropriate Strategic Capital Group, Capital Programme Panel or Cabinet based on the thresholds and non-financial factors set out in FR11.2.

Financial Framework for Members' Community Allocation

A. Purpose

Members' Community Allocation grant funding will help support the council's Organisation Strategy focus areas, and the implementation of the wider Community Vision for Surrey in 2030 in making the county a uniquely special place where everyone has a great start to life, people live healthy and fulfilling lives, are enabled to achieve their full potential and contribute to their community, and no one is left behind.

MCA will support the Strategy's approach in working with partners and residents to strengthen and improve communities to become more resilient to future challenges; helping to tackle inequality of life expectancy and improve quality of life for everyone to ensure no one is left behind; and assisting in improving how we engage with residents, and work in more agile ways, at the heart of our communities.

B. Essential Funding criteria

Projects receiving MCA funding will be expected to demonstrate how they contribute to, and help make a difference in, one or more of the county council's eight planned areas of focus, as detailed below:

- **Tackling inequality** – Work with Surrey's residents to identify and address causes of inequality, especially in life expectancy;
- **Supporting independence** – Help residents help themselves and each other within their communities;
- **More joined up health and social care** – Help integrate health and council services so they're more effective, efficient and seamless for residents;
- **Creating a greener future** – Tackle the causes of climate change to help Surrey become a carbon neutral county as soon as possible;
- **Embracing Surrey's diversity** – Recognise the benefits of a diverse workforce and population to ensure Surrey is a place full of opportunity for everyone;
- **Partnership** – Work with residents, businesses, partners and communities to collectively meet challenges and grasp opportunities;
- **Supporting the local economy** – Invest in the infrastructure Surrey needs to build a strong and resilient economy;
- **Digital revolution** – Make the most of new technology to innovate and improve local services, and how we work together, to help Surrey and residents thrive.

C. Exclusions

There are legal and other organisational considerations that limit how MCA funding will be used. Funding political organisations and/or political activities; teaching national curriculum subjects and/or learning-related activities contained in the annual School and Early Years Finance Regulations; supporting contentious planning matters or disputes; activities causing reputational damage; and conflicts of interest for SCC, including campaigns against the council or its statutory partners.

1. Introduction

The Procurement and Contract Standing Orders ('the Orders') set out how the Council authorises and manages spending and contracts with other organisations. This ensures that prior to any significant expenditure there is proper consideration firstly, of whether there is a need to buy at all and service the need internally or, if external expenditure is required, that it is made in a fair, open and transparent way.

Anyone who buys on behalf of the Council, including staff, contractors and consultants, is responsible for following these Orders, all relevant policies (see appendix 1) and the guidance provided by Procurement. Senior Officers (Heads of Service and above) are accountable for all procurement in their respective area of responsibility. Functions delegated to particular officers under these Orders may be carried out by other officers specifically authorised by them for that purpose.

Note: In these Orders, 'You' means anyone who needs to buy from an external supplier. 'Regulatory Threshold' means any relevant threshold applicable to procurement by English law or regulation.

1.1. Legal status of these Procurement Standing Orders

The Council is required by section 135 of the Local Government Act 1972 to maintain these Orders as part of the Constitution.

The Director of Procurement is the custodian of these Orders and is responsible for keeping them under review. If the law is changed in a way that affects these Orders, then the Director of Procurement will issue a bulletin and the change must be observed until these Orders are revised. Where there is a difference between current legislation governing procurement and these Orders, the legislation prevails.

1.2. Key Principles

These Orders are based on the following key principles:

- a. To ensure that the Council meets its statutory duty to deliver **best value for money** and creates healthy competition and markets for the Goods, Services and Works purchased
- b. To be **transparent** to our residents about how the Council spend their money
- c. To ensure that public money is spent **legally and fairly**
- d. To support **sustainability and social value** objectives, and our public sector **equality** duty, encouraging local small businesses.

1.3. Compliance

All officers and any external contractors empowered to form contracts on behalf of the Council must comply with these Orders at all times. Any breaches will be reported to the Audit and Governance Committee and you may be subject to disciplinary action in line with the Council's Disciplinary Policy.

Every contract made by the Council or on its behalf must comply with applicable laws, these Orders and the Council's Financial Regulations.

1.4. Scope

Apart from the exceptions listed below, these Orders cover all spend with external suppliers regardless of how they are funded or which systems are used to place orders with suppliers. This also includes services sourced from other local authorities or public bodies under the relevant legislation.

These Orders do not apply to the following items, which are managed by separate policies:

Exclusion	Relevant Policy/Law
Contracts for the acquisition or lease of land and/or real estate	Managed via Property Services
Contracts for permanent or fixed-term employment	HR/Recruitment Policies
Works or orders placed with utility companies (e.g. re-routing pipe-work)	This is carried out as part of larger construction contracts
Direct payments to customers following care assessment (for example, payments under Self-Directed Support or Individual Budgets)	Section 12 of The Care Act 2014
Non-trade mandatory payments to third parties, such as insurance claims, pension payments, payments to public bodies	These are not subject to competition due to their nature
A declared emergency authorised by the Emergency Planning Officer	The Civil Contingencies Act 2004
Awarding of Grants	Managed according to locally agreed Grant process or Grant Procedure Rules.
Placement of a child with Special Educational Needs where already directed following statutory assessment	Children and Families Act 2014 and ESFA guidance 2019-20 para 86

1.5. Roles and Responsibilities

The Director of Procurement is responsible for the complete process from procurement through to ordering and paying suppliers (known as 'Procure-to-Pay') across all Services

and local systems. Any developments in the design of the process require the approval of the Director of Procurement.

The Procurement Service is responsible for:

- a. Working closely with Commissioners and Directors to agree and deliver an Annual Procurement Forward Plan to be authorised by Cabinet
- b. Providing expert market knowledge to find the right suppliers for the Council
- c. Maintaining the contract management framework for how contracts are managed
- d. Taking a commercial lead on all major contracts and relationships with suppliers alongside the Contract Manager
- e. Ensuring transparency over spend, contracts and contract opportunities
- f. Embedding social value and sustainability across the supply chain
- g. Ensuring efficient and effective purchasing practices are in place for all staff
- h. Providing commercial support as required, alongside Legal Services, where a decision has been made to decommission or in-source a service
- i. Ensuring suppliers are aware of, and follow, the Council's Supplier Code of Conduct when bidding and carrying out contracts

Anyone who buys is responsible for:

- j. Complying with these Orders and all relevant policies (see appendix 1)
- k. Purchasing from existing contracts where they are appropriate and in place
- l. Ensuring there is adequate budget available for any purchase
- m. Raising a properly completed purchase order and ensuring it is approved *before* the requirements are delivered to the Council, regardless of which system is used
- n. Ensuring specifications meet the defined need and requirements and properly take into account equality and diversity as well as social value implications
- o. Ensuring that HR is consulted and the appropriate approval obtained for requirements of temporary workers or consultants outside any agreed corporate contract
- p. Following the guidance and procedures set out in the Council Contract Management Framework, according to the value, risk and complexity of the contract

Contracts are to be managed within Services, either by a dedicated contract manager or by a nominated officer who has these responsibilities as part of a broader role.

1.6. Annual Procurement Forward Plan

To enable the Council to maintain an accurate oversight of procurement activity across the full range of Council Services, the Director of Procurement is responsible for the development of an Annual Procurement Forward Plan (APFP). This to identify the following:

- a. For each directorate, all contracts over Regulatory Thresholds which are due for extension, renewal or replacement in the coming financial year, and the notice required for this
- b. The aggregate contract value across the life of the contract
- c. The procurement activity required
- d. The expected start date for procurement
- e. The expected start date of any new contract or extension
- f. Whether there is an option to extend the existing contract or not
- g. Whether the spend is capital, revenue or a combination

The APFP must be developed and agreed during the business planning cycle with the Directors of the relevant services, Finance and the Strategic Commissioning Unit. It is then submitted to Cabinet for approval. Once approved, the procurement activities listed in the APFP may proceed without the requirement for further approval provided the outcome is within +5% of the budget agreed with Finance when each procurement begins.

Where the outcome is above the +5% budget tolerance, this must be reported as required in table 2.7a for approval and the contract award must be put on hold pending approval.

If need arises during the year for procurement activity on contracts over the Regulatory Thresholds which have not been pre-approved through the APFP, then Approval to Procure must be sought by the Head of Service concerned before any procurement activity may begin. For capital projects, approval can be given by the capital programme panel then as below. For revenue projects, approval can be given as below:

Value under £1m	Head of Procurement (SCC), Executive Director in consultation with Portfolio Holder, and S151 Officer
Value over £1m	Head of Procurement (SCC), S151 Officer and Cabinet

2. Finding and contracting with Suppliers

2.1. Purchase Orders

Once you have found the right supplier as required by these Orders, you must not make verbal commitments but must raise a Purchase Order (via SAP or equivalent service-specific system). This must be approved in accordance with the Council's Financial Regulations before it is sent to the supplier, and before any goods or services have been received. Details of financial approval levels are available on the Intranet.

2.2. Using Purchase Cards

The Council makes use of general Purchase Cards, which are effectively like credit cards and are used to make small purchases in a wide range of situations.

You must use purchase cards only as set out in the 'Purchase Card Rules and Guidance', unless otherwise agreed in writing by Procurement, or in life-critical circumstances (see also section 4.2).

2.3. Temporary Staff, Consultants and Professional Services

Procurement works closely with HR to manage the Council's temporary workforce needs. This applies to any appointment that is outside the Council's direct employment arrangements. No temporary worker, agency, consultant or consultancy company may be procured or engaged outside of the existing framework without prior approval from HR.

A consultant is a person (not an employee), agency or firm engaged for a limited period of time on a project or requirement specific basis to carry out a specific task or tasks which meet a desired set of outputs or outcomes. A consultant provides subject matter expertise, support and/or experience to the Council either because it does not possess the skills or resources in-house or requires an independent evaluation/assessment to be made.

This definition excludes:

- a. Agency staff, interim or role specific duties which should be sourced through the Council's Corporate Contract.
- b. Routine services e.g. maintenance, cleaning and security.
- c. Professional services e.g. Architects, structural engineers, forensic archaeologists, specialist social care support, training, etc.

Refer to the HR Short Term Resourcing Needs policy for further guidance.

Temporary and agency staff, and other consultants or contractors, must abide by the terms of their contract with the Council and follow the Council's Code of Conduct and Conflict of Interest Policy.

2.4.Contract Value Calculation

Contract value means the estimated total aggregate value payable in pounds sterling exclusive of Value Added Tax (VAT) over the entire contract period, including any extensions of the contract. Where the contract period is not fixed, the estimated value of the contract must be calculated by multiplying the monthly spend value by 48.

Contracts must not be artificially underestimated or disaggregated into two or more separate contracts with the intention of avoiding the application of these Orders or legislation.

In the case of Framework Agreements or Dynamic Purchasing Systems, the contract value must be calculated to include the total estimated value, net of VAT, of all the contracts envisaged to be awarded for the total term of the Framework Agreement or the Dynamic Purchasing System.

2.5.Grants

The making of grants is not subject to these Orders. You must follow the rules and guidance for grant-making available on S-Net (see appendix 1) and take into account the legal requirements concerning State Aid.

2.6.Bribery, Corruption, Canvassing and Collusion

Bribery and Corruption

You must comply with the Code of Conduct and the Council's anti-fraud strategy. You must not invite or accept any gift or reward in respect of the award or performance of any contract. It will be for you, the officer, to prove that anything received was not received corruptly. Gifts and Hospitality must be recorded in the online register.

Canvassing and Collusion

All Invitations to Tender must include a requirement for tenderers to complete fully and sign a form of tender including certificates relating to canvassing and non-collusion. Every contract must contain a clause entitling the Council to cancel the contract and to recover from the contractor the amount of any loss resulting from such cancellation if the contractor or his representative has practised collusion in tendering for the contract or any other contract with the Council.

2.7. Procurement and Contracting - Overview and summary table

Any Procurement, including extensions and variations to Contracts set out in the Annual Procurement Forward Plan and approved by Cabinet, is deemed as authorised irrespective of the Contract value, and must be advertised, awarded and signed/sealed in line with table 2.7.a columns F-J.

Any procurement not authorised as above must be authorised in accordance with table 2.7.a column E below.

Procurement must maintain a proper audit trail of all approvals and decisions, and track the delivery of savings and benefits in line with the agreed Value Strategy agreed between Finance and Procurement.

3. Procurement methods

3.1.Tenders over Regulatory Thresholds

Procurement is responsible for selecting the most appropriate route to market.

3.2.Use of Selection Questionnaires (SQs)

Procurement will apply minimum standards of experience, reputation and economic standing to suppliers to test their suitability to bid for a Council contract.

Procurement must use the Council's standard Selection Questionnaire and adhere to statutory guidance for all procurements of contracts above the relevant Regulatory Threshold.

Procurement must not use a two-stage process for contracts with a value less than Regulatory Threshold for goods and services, regardless of whether the contract is for goods, services or works (including Light Touch services).

All the methods and criteria used for assessing the suitability of suppliers must be transparent, objective and non-discriminatory.

3.3.Contracts reserved for social enterprises and the employee-owned sector

The Council may reserve participation in procurement processes for limited types of services contracts to certain qualifying organisations from the employee ownership and voluntary sectors. The maximum duration of contracts awarded under this power is three years.

Procurement must obtain approval from Legal Services before commencing a procurement in reliance on this Order.

3.4.Evaluation

Tenders over Regulatory Thresholds are evaluated based on the identification of the 'Most Economically Advantageous Tender (MEAT). This takes price into account, alongside quality and social value considerations, but does not require the tender to be awarded to the lowest priced bidder. The default split between the two will be 50/50, though this may be varied by procurement officers in consultation with clients and a Strategic Procurement Manager.

For all tenders over Regulatory Thresholds, a full record of all key decisions and process in relation to the procurement procedure must be kept in the Procurement Report, including such details as required by Regulation 84 of the PCRs.

3.5.Collaboration with other public bodies

The Council may enter into collaborative agreements for the procurement of goods and services with other public bodies or Central Purchasing Bodies where this offers best value for money for residents, for example via a Memorandum of Understanding rather than a contract. Where this is proposed, you must seek advice from Procurement in the first instance.

3.6.Approved or 'Select' Lists

The Council does not operate general 'approved' or 'select' lists of suppliers, instead a formal arrangement must be in place via either a framework agreement, a dynamic purchasing system or other mechanism compliant with regulations.

3.7. Framework agreements and Dynamic Purchasing Systems (DPS)

All requirements to use existing frameworks or DPS, or to set up new ones, must be referred to Procurement, who will make appropriate arrangements in consultation with Orbis Public Law as required.

Where the Council accesses an existing Framework Agreement or DPS, the Framework Agreement or DPS terms and conditions of contract must be used, amended as appropriate as permitted by the Framework Agreement or DPS.

Before entering into these, due diligence checks must be carried out to demonstrate that the Council can lawfully access them and that they are fit for purpose and provide value for money.

3.8. Concession Contracts

Concession Contracts are contracts under which the council outsources works or services to a contractor or provider, who then has the right to commercially exploit those works or services in order to recoup its investment and make a return. The key feature is that the contractor/provider bears the operating risk of the arrangement and so has no guarantee of recouping its investment or operating costs. Concession Contracts must meet certain requirements and advice must be sought from Procurement.

3.9. Sustainability and Social Value

The Public Services (Social Value) Act 2012 places an obligation on the Council to consider the economic, social and environmental well-being of our area when we award contracts over Regulatory Thresholds.

Our procurement approach covers these areas:

- Economic Sustainability – we aim to purchase goods, works and services which enhance the local economy. We recognise the importance of Small & Medium Enterprises to the local community and ensure every effort is made to make our contract opportunities and tender processes accessible to them;
- Social Sustainability - we aim to purchase goods, works and services which promote community well-being, and that supply chain partners operate fair and ethical working practices;
- Environmental Sustainability – we aim to purchase goods, works and services which minimise our carbon footprint, encourage a positive impact on the local environment, and have the best value costs and benefits taking into account their whole life cycle from origination to disposal;
- Equalities & Diversity - we only purchase goods, works and services from suppliers who meet our standards of equality of employment and service delivery, and we ensure that the tender process is free from discrimination or perceived discrimination in accordance with the Council's Equality Scheme;
- Compact – where we are purchasing from the voluntary and community sector you must comply with the Compact Code of Practice on Funding and Procurement.

Procurement must carry out an assessment of relevant Social Value and record the results in the Procurement Report. Contract Managers should report social value delivery checks in line with the Contract Management Framework.

All suppliers to the Council are required to comply with all relevant environmental legislation and regulation, and any such superseding legislation. The Council may also introduce from time to time particular local and national policies which support environmental and sustainable procurement and Officers should include these in relevant procurement documentation and procedures.

3.10. Voluntary Ex-Ante Transparency Notice (VEAT)

Should a VEAT Notice be assessed by the Head of Procurement (SCC) and Orbis Public Law as being required to manage potential risk to the Council, this will be approved by the Director of Procurement and Monitoring Officer, and a log of all published VEAT notices maintained by Procurement.

4. Waivers and Emergencies

4.1. Waivers

In the event that the application of these orders prevents or inhibits the delivery or continuity of service, a waiver may be sought. A waiver is required for any proposed procurement or contractual action which is not compliant with these Orders. A waiver cannot be given if it would contravene the Public Contracts Regulations 2015 or any other applicable legislation.

You must obtain approval for a waiver in writing specifically identifying the reason for which the waiver is sought, including justification and risk. All applications for waivers of these Orders must be submitted to the Director of Procurement who will seek additional agreement from Legal Services, if appropriate. A waiver cannot be granted retrospectively; this is viewed as non-compliance with these Orders and is reported to Council Corporate Overview Select Committee.

Procurement must maintain a log of all waivers and store documentation for waivers on the Contract Management System.

4.2. Emergency Purchases

An emergency purchase is only allowed for purchasing outside the hours 9am to 5pm where there is an imminent risk to life or property. They also apply in situations outside these hours where there is a need to secure Council property or assets e.g. when there has been a break in or equipment failure, such as a flood. You can use a Purchase Card, within your allocated limits, to pay. If the supplier does not accept Purchase Cards then you may give a verbal order and raise a formal purchase order the following working day. You must also inform Business Operations of any emergency purchases on the following working day.

Issues arising with contracts leading to a requirement for urgent mitigation action are not necessarily considered Emergency Purchases. This will be dealt with as part of risk mitigation within the contract management process.

5. Liability and Security

5.1. Insurance Liability

To protect the Council, insurance is required where we use goods, works or services provided by a supplier (including consultancy).

The minimal levels of cover for Public Liability Insurance, Employers' Liability Insurance and Professional Indemnity Insurance are set out below:

- a. Public Liability - £10m
- b. Employers' Liability - £5m-£10m depending on the contract used
- c. Professional Indemnity - £1m-5m (undertake a risk assessment and take advice from the Insurance Team)

In some instances where the contract value, risk or scope may be particularly high, additional cover may be required. Equally, where some contracts may be suitable for micro business, lower levels of insurance may be considered. To obtain advice on what level of insurance is appropriate, contact the relevant officer within the Insurance Team. The agreed level of insurance should be recorded in the contract management system.

5.2.Financial Security

Procurement and Finance must confirm that suppliers are financially robust both prior to contract award and during the life of the contract as appropriate. Details of the requirements or potential guarantees a supplier may need to provide must be set out in the procurement documents.

If either the total aggregate value of the contract exceeds £2m within twelve months, or there is doubt as to the financial credibility of a supplier but the Council has decided to accept the level of risk, then additional forms of security to a level determined between Legal Services and Finance are required, for example:

- a. a Parent Company, Ultimate Company or Holding Company guarantee where their financial standing proves acceptable;
- b. a Director's Guarantee or Personal Guarantee where finances prove acceptable;
- c. a Performance Bond, retained funds or cash deposit;
- d. any other security (such as escrow arrangements) as determined by Finance and/or Legal Services.

All documents inviting tenders and contracts issued must contain a statement that the supplier needs to provide security for performance and the level of security needed, financial checks to be applied on tenders, plus how financial suitability will be assessed and any checks that will be required during the life of the contract.

Additional documentation, where required, should be stored on the electronic tendering system.

5.3.Document Retention periods

The retention of tenders and contractual documentation is prescribed in the Limitation Act 1980 and the Public Contracts Regulations 2015. In summary:

- a. All received Tenders & SQs must be retained for a minimum of eighteen months following the issue of the Contract Award Notice;
- b. All signed contracts under £499,999 (including all tender documentation) must be retained for a minimum of six years following contract expiry;
- c. All sealed contracts signed over £500,000 (including all tender documentation) must be retained for a minimum of twelve years following contract expiry.

Procurement must maintain an online record confirming the location of the contract/tender and scheduled date of destruction.

6. Managing Contracts

All purchases must be delivered under a form of contract approved by Legal Services and Procurement. (Contracts can take various forms from Frameworks, Spot purchases, call off agreement and purchase orders). The Council manages the process of awarding contracts via its e-tendering and contract management systems, to ensure that contracts are properly filed and documented.

Where contract funding is received by the Council from a third party (for example, an incoming grant), the contract terms must include a provision for dealing with liabilities under the contract should that funding cease to be available.

6.1. Contract Segmentation and Management

Heads of Service are responsible for the performance of contracts in their area in line with the contract segmentation model, and all Contract Management activities are to be delivered either by a dedicated contract manager or by someone with that responsibility as part of a wider role.

Procurement will assess the level of risk, value and complexity of managing a contract (known as 'segmentation') using a consistent model approach with six levels (1 being the higher value, higher risk, most complex and 6 the lowest). Procurement will provide support, training and guidance in line with the segmentation model.

All identified Level 1 and 2 contracts must have a written business continuity plan, to be held on the contract management system.

6.2. Contract Award Notices

A full Contract Award Notice must be published no later than 30 days after the award of a contract for all contracts over the Regulatory Threshold values, excluding call-offs from framework agreements. For all contracts called-off from a DPS, the Notice must be published within 30 days of the call-off or be grouped together and published on a quarterly basis within 30 days of the end of each quarter.

For contracts above threshold and where commercial sensitivity or personal information is associated with the publication of this information, please contact Procurement for advice.

For all other contracts under Regulatory Thresholds a simplified Contract Award Notice must be published on the Contracts Finder website for all contracts awarded over a value of £30,000 inc. VAT (including all call-off contracts from Framework Agreements) as soon as is reasonably practicable after the conclusion of the contract.

6.3. Contracts Register

All contracts over £30,000 inc. VAT, including any variations or amendments, must be registered and maintained in the appropriate electronic database managed by Procurement. The council is required by law to publish transparency data about our contracts on a quarterly basis. Data regarding contracts may additionally be maintained in other systems for local use.

All contracts over Regulatory Thresholds must have a designated Contract Manager throughout the life of the contract as defined in the Council contract management framework segmentation model.

6.4. Contract Modifications and Extensions

Permitted Extensions

Contracts that have been originally advertised with extension options can be extended subject to acceptance in accordance with Table 2.7.a. and under Regulation 72 of the Public Contracts Regulations 2015. Extensions or renewals and certain amendments of an existing Contracts can be made without triggering a requirement for a new Procurement exercise.

Modifications

For contracts over the Regulatory Threshold, you must obtain the agreement of the Director of Procurement and Legal Services before any material modifications are made, to confirm that they are lawful and whether publication of a "Notice of modification of a contract during its term" is required.

All amendments must then be recorded in writing, signed appropriately and retained with the original contract on the Contract Management System.

In addition to the regulatory provisions, contracts may only be extended or varied if *all* of the following conditions have been met:

- a. the initial contract was based on a competitive tender or quotation process compliant with these Orders
- b. the value of the extension or variation added to the value of the original contract does not exceed the original authorisation threshold in Table 2.7.a
- c. the extension or variation has an approved Budget allocation

If any of the conditions above cannot be met, then a new procurement exercise must be initiated.

Where a variation or extension moves the total value of the Contract into a higher threshold, then acceptance must be sought in accordance with Table 2.7.a.

Procurement guidance is available on the Intranet setting out the circumstances under which contract modifications or extensions are permitted by Regulation 72 in the Public Contract Regulations 2015, or superseding legislation or regulation.

6.5. Contract Novation

Where a contractor sells, merges or transfers their business to another organisation, the existing contract(s) the Council has with that contractor should be novated if this is acceptable to the Council. When this situation arises, Legal Services will review the existing contract and the requested novation to determine acceptability. Legal Services will also ask Finance to review the previous appraisal carried out when the contract was let and apply this to the proposed new organisation to ensure the contract will be financially robust. If a novation is agreed, then the revised contract will be passed to Procurement Sourcing Solutions who will update the contract register and ensure that the master data is updated on the relevant purchase to pay system.

7. Paying our suppliers

7.1. Invoice Payments

The Council aims to move all invoicing to electronic format to make it easier for our suppliers to trade with us and to track the progress of orders and payments

Suppliers must issue all invoices via the route provided by Business Operations. No invoice may be received or processed directly by a Service unless it is agreed as a payment exception by the Director of Procurement, who may agree general exceptions where Service-specific systems are in use. Business Operations are responsible for maintaining a register of all agreed payment exceptions.

All invoices received in Business Operations must include a purchase order number. Invoices without a Purchase Order number will be returned to the supplier.

Suppliers cannot be paid until you have confirmed that the requirement has been satisfactorily delivered. It is the responsibility of the recipient of the Goods or Services to ensure all purchases are receipted to the appropriate value and in a timely fashion.

7.2. Payment Terms

The standard payment terms are 30 days from the invoice date, with payments made via BACS (electronic bank transfer). If a Supplier has identified themselves as an SME ("small or medium enterprise"), they can be paid on preferential payment terms of 10 working days.

You must obtain the agreement of Director of Procurement and a Finance Manager or authorised delegate for any other deviation from the standard payment terms. This must be in writing as a Payment Exception.

Where payments are agreed in advance, appropriate review of a supplier's financial stability and standing and due regard for risk in the event of supplier failure must be undertaken and agreed by the Director of Procurement and the relevant Finance Manager.

8. Disposing of surplus goods

Disposal of surplus materials, goods or assets (including recycling of materials that have a scrap value), must have adequate defined processes and controls to ensure that the council receives proper reimbursement, where appropriate and cost effective.

In principle, for assets being sold with a value of:

£0 - £14,999	A minimum of 1 bid is required
£15,000 - £99,999	A minimum of three bids must be invited
£100,000 and over	A minimum of three sealed bids must be invited

You must seek advice from Procurement when making valuations and the book value of the asset will be primarily used to calculate value. In most cases, it is anticipated that the highest bid received will be accepted.

Where recycling of materials can be progressed to sale or scrap, the council may enter into a profit share arrangement with Contractor. Examples are construction, servicing and repair type contracts, where scrap metals or building materials can be re-sold. The contractor will need robust processes to define how they deal with disposal and council authorisation to sell scrap value materials or goods.

Care must be taken to ensure that environmental sustainability as well as security and other associated issues and obligations (including those from the Data Protection Act and WEEE Regs) are considered and complied with when disposing of goods.

1 Introduction

A risk is defined as an uncertain event which, should it occur, will influence the achievement of objectives. This Risk Management Strategy outlines the approach used by Surrey County Council in managing risk. A framework is detailed showing the process for undertaking risk identification, assessment, treatment, monitoring and reporting.

By operating a robust risk management process the following benefits can be derived:

- ▶ **Strengthen accountability** – through clear and robust risk governance including risk roles and responsibilities, risk ownership, risk monitoring, escalation of risks and oversight of the risk management process
- ▶ **Make best use of resources** – through relevant and proportionate treatment of risks, taking account of the level of risk
- ▶ **Build stakeholder trust** – by demonstrating that significant risks are consistently identified, assessed, managed, and monitored at the appropriate level across Surrey County Council
- ▶ **Avoid surprises** – providing a consistent approach to identify, understand, and assess risks
- ▶ **Give confidence** – that appropriate actions are being taken to manage risks in a timely manner
- ▶ **Make informed decisions** – with reliable information on risks

The aim of Surrey County Council is to continuously improve its approach to risk management, prompted by new ideas and best practice. In particular, this strategy has drawn on guidance from:

- The Orange Book, Management of Risk: Principles and Concepts (*HM Government, 2020*)
- Fundamentals of Risk Management (*The Institute of Risk Management 2018*)
- Management of Risk: *Guide for Practitioners* (*OGC, 2010*)

This Risk Management Strategy will be reviewed annually by the Risk Manager and brought to the Audit and Governance Committee for review and approval.

2 Roles & Responsibilities

A number of key roles have been defined in supporting this risk management process:

Risk Owner: To manage any risks assigned and to provide up-to-date, accurate information about the risk

- *Work to develop suitable controls, actions and target completion dates*
- *Review risk including progress against plan, effectiveness of actions taken and any other factors that have impacted the risk*
- *Provide up-to date-risk information including any significant changes to risk levels and progress against treatment plans, to support timely and accurate risk reporting*

Directorate Lead / Service Lead: To coordinate the risk management process across their respective Directorate / Service

- *Manage the implementation of the risk management process across the Directorate or Service*
- *Monitor risk with Risk Owners and ensure the Directorate/Service risk register is updated*
- *Escalate or downgrade risks as appropriate*

Corporate Leadership Team: To support the effective implementation of risk management in the organisation

- *Promote a risk management culture*
- *Review the organisations top risks and ensure suitable mitigations are in place*

Audit & Governance Committee: To ensure that there are adequate risk management processes and activities taking place to protect the viability of the organisation

- *Approve the Risk Management Strategy*
- *Review the top risks for the organisation*
- *Consider recommendations for improvements to the overall management of risk*

Risk Manager: To ensure risk management is consistently applied across the Council

- *Manage the implementation of the Risk Management Strategy (and update as needed)*
- *Provide support and guidance on risk management to the organisation*
- *Maintain the Corporate Risk Register and ensure Directorate/Service risk registers are maintained*

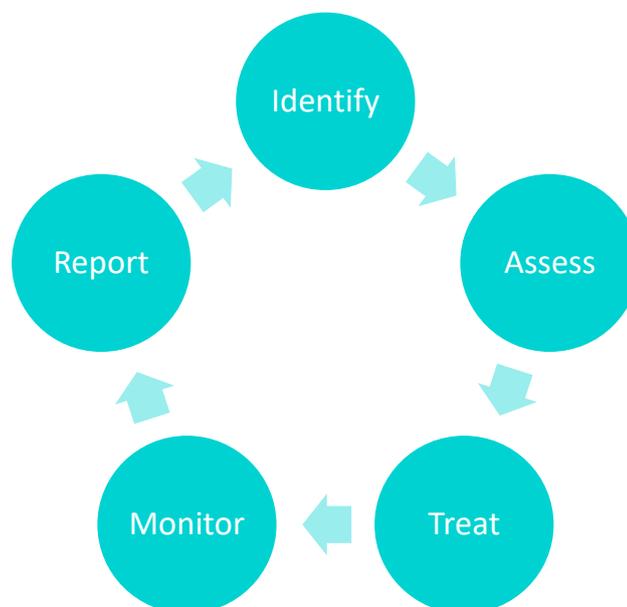

3 Risk Management Approach

(i) The Risk Process

In order to manage risk, Surrey County Council needs to first know what risks it faces and then how best to deal with them. To achieve this, a risk process is used (as shown in Fig 1.) The process highlights each of the risk stages, namely: identify, assess, treat, monitor and report.

More information on the activities undertaken at each stage of the risk process are detailed in the forthcoming chapters of this document.

Fig 1 - The Risk Management Process

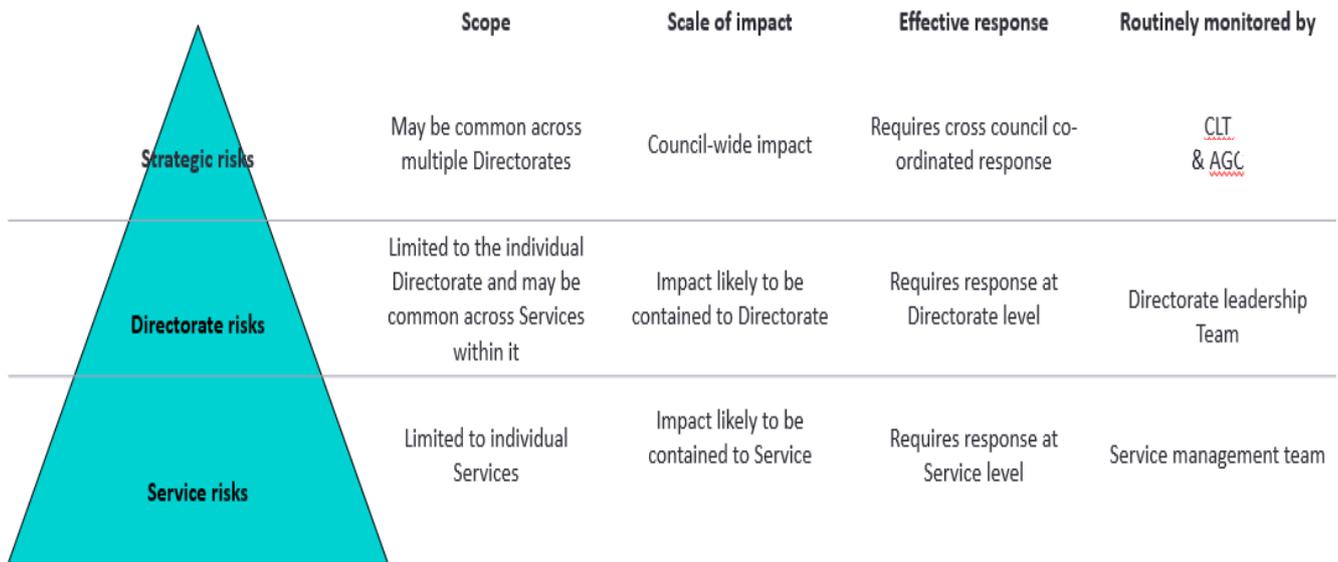

(ii) Risk Hierarchy

The primary method for prioritising risks in Surrey County Council is classifying the risk as either a **Strategic (Corporate)**, **Directorate** or **Service** level risk. Hence, this hierarchy informs the level in the organisation at which the risk is routinely managed and monitored.

Typically, the level of a risk will depend on the scope, scale of potential impact and nature of the response required to manage the risk. Examples of the types of attributes commonly associated with the 3 hierarchy levels are shown in Fig 2. Regardless of level assigned, any risk may be escalated for review or intervention if required (by the Risk Owner or via the Risk Manager).

Fig 2 – The Risk Hierarchy

Once the hierarchy is decided it is then possible to assign the risk to the correct risk register.

(iii) Risk Registers

Risk registers run alongside the risk management process and are used as the key tool to capture risk information in a structured and consistent way. The following risk registers are used within Surrey County Council:

Type of Risk	Risk Register Used	Owner of Risk Register
Strategic	Corporate Risk Register	Risk Manager
Directorate	Specific Risk Register for that Directorate	Head of Directorate
Service	Specific Risk Register for that Service	Head of Service

The format of the risk register used in Surrey County Council is shown in Annex A along with an explanation of the information required to populate. The focus of the risk register is to detail what the cause(s) and effect(s) of the risk are, the likelihood and impact, and the controls and mitigations. To help understand what risk information needs to be captured at each stage of the risk process a summary is shown at the end of each of the following Chapters - see '*Risk Register updated*'.

The frequency of reviewing and updating risk registers will depend on a number of factors such as the threat to the organisations objectives and the volatility of the risk i.e. the rate of change. It is recommended that risks are reviewed at least monthly (depending on the nature of the risk) **but as a minimum all risk should be reviewed at least quarterly.**

4 Risk Identification

Risk identification is the first step of the risk process journey. Risks can be identified in a number of ways - from a person spotting a risk while doing their job to a team during a workshop.

At this stage the intention is to describe the risk with a focus on:

The **risk event** – a summary explaining what may or may not occur

The **cause(s)** – those factors that will lead to the risk event occurring

The **effect(s) / consequence(s)** – the likely impact on activities and outcomes if the risk event does occur

By methodically working through the risk event and identifying the cause(s) and effect(s) it encourages a better understanding of the risk and a more structured definition of the risk. It is not always easy to describe risks, however the key point is that everyone understands what is meant by the risk and the description is sufficient to ensure an effective understanding of the risk moving forwards.

Some examples of causes of risk are:

- Failure to.....
- Loss of.....
- Insufficient.....
- Non-compliance with....
- Reduction in.....
- Conflict between.....
- Inability to.....
- Reliance on.....
- Disruption to.....
- Inadequate.....
- Increase in.....
- Delay in.....

The effects or consequences of risks can be numerous, and some examples are:

- Service disruption
- Impaired performance
- Management distraction
- Breach of contract
- Fines and penalties
- Loss of assets
- Financial cost
- Damaged reputation
- Health and Safety failings

Risk Register Updated:

At the end of this step the risk register should be populated with the:

- Risk Title (the risk event)
- Cause
- Effect
- An initial Risk Owner – the person best placed to manage the risk
- Unique ID (provided by the Risk Manager)

5 Risk Assessment

Risk assessment categorises risks according to **likelihood** of occurrence and **impact** on the organisation using a scoring-based system.

The **likelihood** is an estimate of the probability that the risk will occur. It takes into account any existing controls currently in place to help mitigate the risk from occurring. For example, applying the latest software patches to IT equipment is a control measure to reduce the chances of having computer viruses.

Shown below the likelihood is the current best assessment of the risk on a scale of 1-5.

Fig 3 - Likelihood criteria for risks

Level	Likelihood	Odds
1	Rare	<10%
2	Unlikely	10% to 29%
3	Possible	30% to 69%
4	Likely	70% to 90%
5	Very Likely	>90%

NOTE : It is important to understand that the goal is not to have the most accurate scoring but ensure that there is a prioritisation of risks. This allows for the allocation of resources focused on managing the most significant risks.

The **impact** is the negative effect that the risk could have on the organisation. Any existing controls to help manage the impact of the risk should be taken into account when undertaking the scoring assessment. For example, a business continuity plan would not change the likelihood of a risk occurring but is designed to reduce the impact.

The scoring is on a scale of 1-5 and is the best assessment based on the known risk information. To aid scoring for the Risk Owner, an impact criteria matrix is used, as shown in Fig 4. The criteria are only a guide for the Risk Owner to get a better 'feel' for the risks relative impact and thereby providing a consistent level of evaluation and ranking of risk across the organisation. It is not intended to be an exhaustive list as there are a multitude of impact areas such as governance, environment etc.

Fig 4 - Impact criteria for risks

IMPACT					
Level	Impact	Financial (revenue)	Residents	Reputational	Performance
1	Minimal	<£100k	Minimal impact on a small proportion of the population	Has no negative impact on reputation and no media interest	Minimal impact on achievement of one or more SCC priority objectives
2	Minor	£100K to £1m	Minor impact on a small proportion of the population	Minor damages in a limited area. May have localised, low level negative impact on reputation and generates low level of complaints	Minor impact on achievement of one or more SCC priority objectives
3	Moderate	£1m-£2.5m	Moderate impact on a large (or particularly vulnerable group) proportion of the population	Moderate damages but widespread. Significant localised low level negative impact on the organisations reputation which generates limited complaints.	Moderate impact on achievement of one or more SCC priority objectives
4	Major	>£2.5m to £10m	Major impact on a large (or particularly vulnerable group) proportion of population	Major damage to the reputation of the organisation. Generates significant number of complaints and likely loss of public confidence. Unwanted local or possibly national media attention.	Major impact on achievement of one or more SCC priority objectives
5	Severe	>£10m	Serious long term impact on a large (or particularly vulnerable group) proportion of population	Serious damage to the reputation of the organisation. Large number of complaints. National media coverage. Possible government intervention.	Serious long term impact on achievement of one or more SCC priority objectives

Once the risk likelihood score and impact score have been determined, they combine to provide an overall risk score (by multiplying the impact by the likelihood). This allows for a relative ranking of risks and a better focus on prioritising the most significant risks (with resources allocated accordingly).

Risk Register Updated:

At the end of this step the risk register should be populated with the:

- *Existing management controls to reduce the likelihood or impact of the risk*
- *Likelihood score*
- *Impact score*
- *Overall Risk Score (likelihood x impact)*

6 Risk Treatment

Risk treatment involves looking at the options to help mitigate the risk and taking the most appropriate actions. Very often the first idea (or option) is the most expensive and it is important to consider alternatives. The intention is to consider the cost-benefits of each option and then select the most appropriate to either reduce the likelihood of occurrence or the impact.

There are essentially 4 main treatment option, shown below in Fig 4:

Fig 5 - Risk Management treatment options

Activity / Option		Mitigation
Terminate	Stop what is being done.	The specific actions to be taken to control the risk
Treat	Reduce the likelihood or impact of the risk occurring.	
Transfer	Pass to another service best placed to deal with mitigations but ownership of the risk still lies with the original service. <i>One example would be insurance.</i>	The reasons for the transfer and the name of the service provider that the risk is being transferred to.
Tolerate	Do nothing because the cost outweighs the benefits and/or an element of the risk is outside our control.	The specific reasons / rationale for tolerating the risk.

NOTE: When considering the options, more than one mitigation may be appropriate.

Risk Register Updated:

At the end of this step the risk register should be populated with the:

- *Planned Enhancements to Controls (Actions) – treatment option(s) to further mitigate the risk*
- *Target Date(s) – The date when the action(s) should be completed by*

7 Risk Monitoring and Reporting

Effective risk monitoring and reporting is essential for informed decision-making and ensuring that the right actions are taken to drive improvement.

Risks must be regularly monitored to track progress, review the effectiveness of existing controls and consider any other factors that may impact the (level of) risk. The frequency of risk reviews will depend on the type of risks being assessed and the area that the risk sits within. For many parts of the organisation, the review of the risk register will be a standing item on the agenda. Nevertheless, all risks in a risk register must be reviewed every quarterly (at the very least) by the Risk Owner.

In addition to risk monitoring by the Risk Owner, a number of other stakeholders are likely to need to be kept informed on the risk status and contribute as required. Below shows some of the monitoring that takes place in the Council based on the risk hierarchy to support good risk management and good governance.

Risk Level / Hierarchy	Risk Monitoring
Strategic	<ul style="list-style-type: none"> • Corporate Risk Register reviewed by Corporate Leadership Team (monthly standing agenda item). New risks added if appropriate or removed or downgraded to departmental level. • AGC consider the Corporate Risk Register (standing agenda item) to provide oversight • Deep dives undertaken on risks to provide wider perspective and understanding
Directorate	<ul style="list-style-type: none"> • Risks reviewed and updated by Head of Directorate and their direct reports. • Risks escalated (via Head of Directorate or via Risk Manager), removed or downgraded
Service	<ul style="list-style-type: none"> • Risks reviewed and updated by Head of Service and their direct reports • Risks escalated (via Head of Service or via Risk Manager) or removed

Reports provide stakeholders a view on the current state of specific risks. Essentially there are 2 types of reporting:

- **Pre-defined reports** which are in the same format and provided to regular committees or other meetings. These will typically be undertaken by the overall responsible for that specific risk register.
- **Ad-hoc risk reports** on the status of risk. Typically, these will be spanning different parts of the organisation and are normally undertaken by the Risk Manager.

Below are some of the interested parts of Surrey County Council that require risk reports. While it is not a comprehensive list it does reflect that there are a large number of stakeholders that require risk information.

Fig 6 – Overview of some of the stakeholders that require risk information

It is **IMPORTANT** that anyone providing a risk report understands that there may be content which could be confidential. For example, the mitigations may cover commercially sensitive information or could be used to by-pass intended safeguards. Therefore, there must be a clear understanding of why the report is needed, what content requirement / risk information is needed, and who will have access to the report.

Typically a risk report as a minimum should show:

- The Title of the Risk
- The Owner of the Risk

Additional information may be made available such as:

- The cause(s) of the risk and the effect(s) on the organisation if it were to occur
- The current likelihood and impact if the risk
- The current control(s) in place to stop the risk from occurring
- The planned mitigation(s) to further reduce the likelihood or impact of the risk
- The due date(s) for completion of the mitigation

Risk Register Updated:

At the end of this step the risk register should be reviewed and any changes / updates made

- 3.3 The Council will comply with the Civil Contingencies Act 2004, regulations and statutory guidance.
- 3.4 The Council will adopt and promote best practice for preparedness, response and resilience, including minimising the impact of emergencies on the Council and the communities of Surrey.
- 3.5 The Council will regularly assess its business continuity arrangements through internal audit and peer review. It will seek to align itself against International Standard BS ISO 22301:2012.
- 3.6 The Council will provide information, instruction, training and supervision for employees to help them understand their role in the resilience processes of the County Council and to allow them to contribute positively towards the preparedness and resilience of the organisation.
- 3.7 The Council is committed to the effective management of contracts and their performance to ensure preparedness and resilience standards in their business arrangements with and on behalf of the Council.
- 3.8 The Council is committed to working closely with all staff to develop and implement preparedness and resilience measures that ensure the Council is able to deal with disruptive events.

4.0 Roles and Responsibilities

4.1 Elected Members

4.1.1 The Elected members are seen as crucial in the scrutiny of the Civil Contingencies Act 2004 duties in line with the expectation of the wider community of Surrey.

4.1.2 Elected members will monitor the overall preparedness and resilience of the Council and its compliance with relevant legislation, and ensure that decisions taken when developing Council policies and services reflect the County Council's Preparedness and Resilience commitment. The Community Safety Cabinet Member has responsibility for leading member activity on this issue. The Cabinet will:

- (a) Receive annual reports on preparedness and resilience,
- (b) Ensure that adequate resources are available to discharge the Council's preparedness and resilience commitments.

PART 6 (1)- SURREY COUNTY COUNCIL COUNCILLOR CODE OF CONDUCT AND RELATED PROVISIONS

Introduction

The Surrey County Council Councillor Code of Conduct is based on the model Councillor Code of Conduct developed by the Local Government Association (LGA) in association with key partners and after extensive consultation within the sector. The LGA will undertake an annual review of this code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation.

All Councils are required to have a Councillor Code of Conduct and the role of a Councillor in Surrey County Council is a vital part of the Council's system of democracy. It is important that Councillors can be held accountable and adopt the behaviours and responsibilities associated with their role. The conduct of an individual Councillor affects the reputation of all Councillors and the role of Councillor should be one that people aspire to.

Councillors represent local residents; work to develop better services; and deliver local change. The public have high expectations of Councillors and entrust them to represent their local area; taking decisions fairly, openly, and transparently. Councillors have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, Councillors should be able to undertake their role as a Councillor without being intimidated, abused, bullied or threatened by anyone, including the general public.

The code has been designed to protect Councillor's democratic role; encourage good conduct; and safeguard the public's trust in the Council.

Definitions

For the purposes of the Councillor Code of Conduct, a "Councillor" means a member or co-opted member of the Council. A "co-opted member" is defined in the Localism Act 2011, Section 27(4), as "a person who is not a member of the authority but who:

- (a) is a member of any committee or sub-committee of the authority, or;
- (b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority; and
- (c) who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee".

Purpose of the Councillor Code of Conduct

The purpose of this code is to assist Councillors, in modelling the behaviour that is expected of them; provide a personal check and balance; and to set out the type of conduct that could

lead to action being taken against a Councillor. It is also to protect Councillors, the public, fellow Councillors, officers and the reputation of local government. It sets out general principles of conduct expected of all Councillors and specific obligations in relation to standards of conduct. The use of support, training and mediation prior to action being taken using the code is encouraged. The fundamental aim of the code is to create and maintain public confidence in the role of councillor and local government.

General principles of Councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, Councillors and local authority officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of Councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of Councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Councillor Code of Conduct

This code applies to all Councillors as soon as they sign their declaration of acceptance of the office of Councillor or attend their first meeting as a co-opted member and continues to apply to them until they cease to be a Councillor.

This Code of Conduct applies to you when you are acting in your capacity as a Councillor which may include when:

- you misuse your position as a Councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a Councillor;

The code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication

- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

Councillors are also expected to uphold high standards of conduct and show leadership at all times.

The Monitoring Officer has statutory responsibility for the implementation of the Councillor Code of Conduct, and Councillors are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Councillor Code of Conduct.

Standards of Councillor conduct

This section sets out a Councillor's obligations, which are the minimum standards of conduct required of a Councillor. Should a Councillor's conduct fall short of these standards, a complaint may be made against them, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a Councillor:

- 1.1 I treat other Councillors and members of the public with respect.
- 1.2 I treat Council employees, employees and representatives of partner organisations and those volunteering for the Council with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. Councillors should not, however, subject individuals, groups of people or organisations to personal attack.

In their contact with the public, Councillors should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Councillors.

In return, Councillors have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening Councillors are entitled to stop any conversation or interaction in person or online and report them to the Council, the relevant social media provider or the police. This also applies to fellow Councillors, where action could then be taken under the Councillor Code of Conduct, and Council employees, where concerns should be raised in line with the Council's Councillor-Officer Protocol.

2. Bullying, harassment and discrimination

As a Councillor:

- 2.1 I do not bully any person.
- 2.2 I do not harass any person.
- 2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the Council

As a Councillor:

- 3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the Council.

Officers work for the Council as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. A Councillor can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, a Councillor must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a Councillor:

- 4.1 I do not disclose information:
- a. given to me in confidence by anyone
 - b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 - 1. reasonable and in the public interest; and
 - 2. made in good faith and in compliance with the reasonable requirements of the Council; and
 - 3. I have consulted the Monitoring Officer prior to its release.
- 4.2 I do not improperly use knowledge gained solely as a result of my role as a Councillor for the advancement of myself, my friends, my family members, my employer or my business interests.
- 4.3 I do not prevent anyone from getting information that they are entitled to by law.

The Council works openly and transparently, and its proceedings and printed materials are open to the public, except in certain legally defined circumstances. Councillors should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the Council must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. *Disrepute*

As a Councillor:

- 5.1 I do not bring my role or the Council into disrepute.

Councillors are trusted to make decisions on behalf of their community and their actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. Councillors should be aware that their actions might have an adverse impact on them, other Councillors and/or the Council and may lower the public's confidence in their or the Council's ability to discharge their/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Council into disrepute. Councillors can hold the Council and fellow Councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the Council whilst continuing to adhere to other aspects of this code.

6. Use of position

As a Councillor:

- 6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

A Councillor's position as a member of the Council provides them with certain opportunities, responsibilities and privileges, and they make choices all the time that will impact others. However, they should not take advantage of these opportunities to further their own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a Councillor:

- 7.1 I do not misuse Council resources.
- 7.2 I will, when using the resources of the Council or authorising their use by others:
- a. act in accordance with the local authority's requirements; and
 - b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local Council or of the office to which I have been elected or appointed.

Councillors may be provided with resources and facilities by the Council to assist them in carrying out their duties as a Councillor.

Examples include:

- office support
- stationery
- equipment such as phones and computers
- transport
- access and use of Council buildings and rooms.

These are given to Councillors to help them carry out their role as a Councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the Council's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

- 8.1 I undertake Code of Conduct training provided by the Council.
- 8.2 I cooperate with any Code of Conduct investigation and/or determination.
- 8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.
- 8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for a Councillor to demonstrate high standards, for them to have their actions open to scrutiny and for them not to undermine public trust in the Council or its governance. If a Councillor does not understand or is concerned about the Council's processes in handling a complaint, they should raise this with the Monitoring Officer.

Protecting your reputation and the reputation of the Council

9. Interests

As a Councillor:

- 9.1 I register and declare my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

Councillors need to register their interests so that the public, Council employees and fellow Councillors know which of their interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects a Councillor by allowing them to demonstrate openness and a willingness to be held accountable.

A Councillor is personally responsible for deciding whether or not they should declare an interest in a meeting, but it can be helpful for them to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be declared by a Councillor or other Councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of the Council is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and declaring interests. If in doubt, a Councillor should always seek advice from the Monitoring Officer.

10. Gifts and hospitality

As a Councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the Council or from persons who may apply to the local Council for any permission, licence or other significant advantage.
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.
- 10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered, but have refused to accept.

In order to protect their position and the reputation of the Council, a Councillor should exercise caution in accepting any gifts or hospitality which are (or which they reasonably believe to be) offered to them because they are a Councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case a Councillor could accept it, but must ensure it is publicly registered.

However, a Councillor does not need to register gifts and hospitality which are not related to their role as a Councillor, such as Christmas gifts from their friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with their duties as a Councillor. In case of any uncertainty, the Monitoring Officer should be contacted for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a Member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in Table 1 (Disclosable Pecuniary Interests) which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in Table 2 (Other Registerable Interests).

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in Table 1, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in

exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which *directly relates* to one of your Other Registerable Interests (as set out in Table 2), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which *directly relates* to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which *affects* –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative, close associate; or
 - c. a body included in those you need to disclose under Other Registerable Interests as set out in Table 2you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied
9. Where a matter *affects* your financial interest or well-being:
 - d. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - e. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider

public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

ARRANGEMENTS FOR DEALING WITH ALLEGATIONS OF BREACHES OF THE MEMBER CODE OF CONDUCT
--

1 Context

- 1.1 Surrey County Council is committed to promoting and maintaining high standards of conduct amongst its 81 elected Councillors, known as Members, and has adopted a Member Code of Conduct setting out the conduct it expects of its Members and co-opted Members as they carry out that role.
- 1.2 These are the Council's arrangements for dealing with any complaint it receives alleging that an elected or co-opted Member of Surrey County Council has failed to comply with its Member Code of Conduct. These arrangements will form the basis for investigating and deciding any such complaints.
- 1.3 The Council will appoint at least one Independent Person, whose views must be sought by the Council before it takes a decision on any allegation which it has decided should be investigated. The Council may also seek the view of the Independent Person at any other stage it chooses and a Member against whom an allegation as been made can also consult the Independent Person.

2 The Code of Conduct

- 2.1 A copy of the Council's Member Code of Conduct is set out in the Constitution, which is available for inspection on the Council's website and upon request from Democratic Services.
- 2.2 The Member Code of Conduct applies to Members when they go about the work of the Council or their role as a Member. The Council will not investigate complaints relating to a Member's private life.

3 Making a complaint

- 3.1 Anyone wishing to make a complaint about the behaviour of a Surrey County Councillor ("Member"), should write or email to –

The Monitoring Officer
Surrey County Council
Woodhatch Place
11 Cockshot Hill
Reigate
Surrey

RH2 8EF

Or email monitoringofficer@surreycc.gov.uk

- 3.2 The Monitoring Officer is the member of the Council's staff who has statutory responsibility for maintaining the Register of Members' Interests and who is responsible for administering the system in respect of complaints of Member misconduct.
- 3.3 Only written complaints will be investigated and the Council will require a name and a contact address or email address to acknowledge receipt of the complaint and keep the complainant informed of its progress. The Council does not normally investigate anonymous complaints, unless there is a clear public interest in doing so. The Monitoring Officer will disclose the name of the complainant to the Member unless specifically asked to withhold it. Only in very exceptional cases will the Council be able to progress a complaint to an investigation without disclosing the identity of the complainant to the Member.
- 3.4 The Monitoring Officer will acknowledge receipt of the complaint within 5 working days of receiving it and will keep the complainant informed of the progress of the complaint. The Monitoring Officer will also inform the Member that a complaint has been received.

4 Will the complaint be investigated?

- 4.1 The Monitoring Officer will review every complaint received.
- 4.2 The complaint must be:
 - against one or more named Members of the authority;
 - in relation to a named Member who was in office within the authority at the time of the alleged conduct and the Member Code of Conduct was in force at the time; and
 - in relation to an alleged breach of the Member_Code of Conduct.
- 4.3 If the complaint does not fall within 4.2 above, the matter will not be considered and the complainant will be informed that there will be no further action.
- 4.4 Where the complaint passes the above test, and in order to establish a preliminary view of the circumstances of the complaint and whether there may be a course of action which could be taken to resolve the issues promptly without the need for formal action, the Monitoring Officer may consult or meet with any other relevant persons, which may include the Leader of the Council or Group Leaders, the Chief

Executive or any other officers, the complainant and the Member against whom the complaint has been made.

- 4.5 The Monitoring Officer will then consult with the Independent Person and decide whether the complaint merits formal investigation. The Independent Person should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial. This decision will normally be taken within 14 days of receipt of the complaint. The complainant and the Member against whom the complaint is made will be informed of the Monitoring Officer's decision and the reasons for that decision.
- 4.6 In assessing whether a complaint should be investigated the following factors will be taken into consideration:
- Public interest – the decision whether to investigate will be a proportionate response to the issues raised and expected outcomes will take into account the wider public interest and the costs of undertaking an investigation. Complaints will only be investigated where the allegations are reasonably considered to be serious matters.
 - Alternative course of action – a complaint will only be investigated where there is no other action which could be taken which would achieve an appropriate outcome in the circumstances of the case.
 - Member's democratic role – where a complaint relates to a matter more appropriately judged by the electorate at the local elections, the Monitoring Officer will not normally refer these matters for investigation.
 - Previous action - if the complaint has already been subject to a previous investigation or some other action relating to the code of conduct or other related process, the matter will ordinarily not be referred for further action.
 - Vexatious/repeated complaints – the Monitoring Officer will not refer for investigation a complaint that is the same or substantially the same as one previously made by the complainant.
 - Timing of the alleged conduct – if there are significant delays between the incident complained of and the complaint the matter will not ordinarily be considered further unless there are very good reasons for the delay.

- Ulterior motive – no further action is likely to be taken if the complaint is considered to be motivated by malice, political motivation or retaliation.
- 4.7 In appropriate cases the Monitoring Officer in consultation with the Independent Person may consider resolution of the complaint without the need for a formal investigation. This may involve:
- The Member accepting that his/her conduct was unacceptable and offering an apology or other remedial action by the authority.
 - Referring the matter to group leaders or officers.
 - The Member being required to attend training.
 - The Member being required to meet with the Monitoring Officer and/or other relevant officers.
 - Such other action as is considered appropriate by the Monitoring Officer and Independent Person.
- 4.8 Matters which might appropriately be dealt with as described in 4.7 above may include:
- Misunderstanding of procedures or protocols.
 - Misleading, unclear or misunderstood advice from officers.
 - Lack of experience or training.
 - A general deterioration of relationships, including those between Members and officers, as evidenced by a pattern of allegations of minor disrespect.
 - Allegations and retaliatory allegations from the same individuals.
- 4.9 If this action does not resolve the complaint, the Monitoring Officer, in consultation with the Independent Person, will reconsider whether the complaint merits formal investigation. An investigation will only be conducted where the Monitoring Officer and Independent Person agree that this is the appropriate course of action. The Monitoring Officer reserves the right, in exceptional circumstances, to refer a complaint to the Member Conduct Panel to determine if an investigation is the appropriate course of action.
- 4.10 If the complaint identifies criminal conduct or breach of other regulation by any person, the Monitoring Officer has the power to refer the matter to the Police and other regulatory agencies.

- 4.11 If the Monitoring Officer or the Independent Person in considering any complaint, at any time, become aware that they have an actual or potential conflict of interest, they will record and declare this to the complainant and councillor concerned. They will withdraw from consideration of the complaint and ensure the complaint is considered independently by an alternative Deputy Monitoring Officer, or an alternative Monitoring Officer appointed from another Local Authority as appropriate, and an alternative Independent Person.

5 How is the investigation conducted?

- 5.1 If the Monitoring Officer decides that a complaint merits formal investigation, he/she will appoint an Investigating Officer. This may be a member of the Council's staff or an external investigator. The Investigating Officer will decide whether to speak to the complainant and to any other witnesses and may collect written evidence, such as correspondence, or minutes of meetings.
- 5.2 The Investigating Officer will contact the Member and provide them with a copy of the complaint and ask the Member to provide his/her explanation of events, and to identify what documents the Investigating Officer needs to see and anyone they should interview. In very exceptional cases, where the Monitoring Officer, after consulting the Independent Person, considers that disclosing details of the complaint to the Member might prejudice the investigation, these will be withheld from the Member until the investigation has progressed sufficiently.
- 5.3 At the end of their investigation, the Investigating Officer will produce a draft report and will send copies of that draft report, in confidence, to the complainant and to the member concerned, to give them both an opportunity to identify any inaccuracies in the report and to comment on their findings. Having received and taken account of any comments that you may make on the draft report, the Investigating Officer will send his/her final report to the Monitoring Officer.
- 5.4 The investigation and the Investigating Officer's report will be kept confidential at this stage.

6 What happens if the Investigating Officer concludes that there is no evidence of a failure to comply with the Member Code of Conduct?

The Monitoring Officer will send a copy of the Investigating Officer's report to the Chairman of the Member Conduct Panel and to the Independent Person and seek their views on whether to convene a Member Conduct Panel

hearing. Where a hearing is inappropriate the Monitoring Officer will write to the parties, notifying them that they are satisfied that no further action is required. The Monitoring Officer will send them both a copy of the Investigating Officer's final report, which will no longer be confidential at this point.

7 What happens if the Investigating Officer concludes that there is evidence of a failure to comply with the Member Code of Conduct?

Where the Investigating Officer concludes that there is evidence of a failure to comply with the Member Code of Conduct the Monitoring Officer will arrange for the Member Conduct Panel to hold a meeting, within three months of the Investigator's final report being issued, so that it can take a decision on the complaint.

- 7.1 The Monitoring Officer will invite the Member to reply in writing to the Investigation Officer's report, in particular to identify what is likely to be agreed and what is likely to be in contention at the hearing. The Member will be invited to give a view on whether the Panel should meet in public or in private. The Chairman of the Member Conduct Panel will set a date for the hearing and may issue directions as to the manner in which the hearing will be conducted, including whether or not the Member Conduct Panel will meet in public or private.
- 7.2 At the hearing, the Investigating Officer will present their report, call such witnesses as they consider necessary and make representations to substantiate their conclusion that the Member has failed to comply with the Member Code of Conduct.
- 7.3 The Member will also have an opportunity to give evidence, to call witnesses and to make representations to the Member Conduct Panel as to why they consider that they did not fail to comply with the Member Code of Conduct.
- 7.4 After hearing from all the parties the Member Conduct Panel may conclude either:
 - that the Member did not fail to comply with the Member Code of Conduct; or
 - that the Member did fail to comply with the Member Code of Conduct, in which case it will also decide what action to recommend or to take.

The Member Conduct Panel will not announce its decision at the Hearing. Before reaching a final decision on the complaint and any

sanction, the Chairman of the Member Conduct Panel will report its finding to the Independent Person, whose views will be sought and taken into account by the Panel before a final decision is made.

8 What action can the Member Conduct Panel take where a Member has failed to comply with the Member Code of Conduct?

The Council has delegated to the Member Conduct Panel the power to take such action in respect of individual Members as may be necessary to promote and maintain high standards of conduct. Accordingly, the Member Conduct Panel may –

- 8.1 Decide that no action is needed.
- 8.2 Issue a statement of censure.
- 8.3 Recommend to the Member's Group Leader (or in the case of ungrouped members, recommend to Council or to Committees) that he/she consider all or any of the following sanctions:
 - the Member be removed from any or all Committees or Sub-Committees of the Council;
 - the Member be removed from the Cabinet, or removed from particular Portfolio responsibilities;
 - the Member be removed from all outside appointments to which he/she has been appointed or nominated by the authority.
- 8.4 Report its findings and recommendations to the next available meeting of the County Council.

The Member Conduct Panel has no power to suspend or disqualify the Member or to withdraw members' or special responsibility allowances.

9 How are the Panel's findings communicated to a Member?

As soon as reasonably practicable after the Panel has made its final decision, the Monitoring Officer will prepare a formal decision notice in consultation with the Chairman of the Member Conduct Panel, and send a copy to the complainant and to the Member and will make that decision notice available for public inspection.

10 Who is on the Member Conduct Panel?

The Member Conduct Panel is a cross-party Panel of Members of the Council. The pool consists of 10 Members, including the Chair and Vice-Chair of Council. Any hearing will be conducted by three Panel Members, and the election of one of their number to chair the hearing will be the first item of business at the meeting.

11 Who is the Independent Person?

The Independent Person is a person who has applied for the post following advertisement of a vacancy for the post and is appointed by a positive vote from a majority of all the Members of Council.

A person cannot be “independent” if he/she –

- is, or has been within the past 5 years, a member, co-opted member or officer of the Council; or
- is a relative, partner or close friend, of a member, co-opted member or officer of the Council; or
- is an active member of a political party.

12 Revision of these arrangements

The Council may by resolution agree to amend these arrangements, and has delegated to the Chairman of the Member Conduct Panel the right to depart from these arrangements where they consider that it is expedient to do so in order to secure the effective and fair consideration of any matter.

13 Appeals

A Member is expected to comply with the decisions taken through the process and has no right of appeal against a finding of breach of the Member Code of Conduct. However, a Member may require that a further Member Conduct Panel meeting reviews any sanction imposed at a hearing.

14 Local Government Ombudsman

Where a complainant concludes that the authority has failed to deal properly with a complaint, they may make a complaint to the Local Government Ombudsman.

1. Policy Scope and Purpose	
Scope and Purpose:	The purpose of this Code is to support the Council's aim to provide high quality services fairly and efficiently in line with its values. There is a Code of conduct for members and there is also protocol which outlines how members and officers work together. All these documents are part of the Council's constitution and are published on the Council's website.
Who uses this Policy:	The Officer Code of Conduct applies to all employees and workers of the Council, including school based employees, agency workers, contractors and their staff whilst working for, or on behalf of, the Council. In this document the term "officer" covers all these groups.
Roles and Responsibilities:	<ul style="list-style-type: none"> • Line Managers are responsible for ensuring the Code is followed • All officers will be responsible for engaging with and adhering to the Code and related guidance and procedures • Trade Unions will be consulted in regard to the content of the Code • The Human Resources team will be responsible for the Code and providing guidance and direction • The People, Performance and Development Committee is required to approve the Code and onward recommendation to Full Council for inclusion in the constitution
Is there further information available?	<p>The Code refers to a number of supporting policies which are published on SharePoint or Our Surrey.</p> <p>Those which are statutory policies will also be published on the Surrey Education Services Hub</p>

2. Introduction

The public is entitled to expect the highest standards of Conduct from all local government officers. To the public you represent the Council. You are expected to maintain the highest standards of professional competence, knowledge, integrity, confidentiality, financial propriety and personal conduct.

Officers are expected to apply the Code of Conduct and other Council policies to the performance of their duties. The Code should be read alongside your services requirements, legislation and the professional standards which apply to your role.

Where an officer identifies themselves or can be identified as a Surrey County Council officer, the same rules that apply to actions in general apply to conduct online, including on work related, and personal, social media sites.

Officers need to be aware of the standards of behaviour outlined in the Code of Conduct in relation to their conduct outside of work. Any conduct by officers that takes place outside of work, including situations which may affect the Council's reputation or position, will be considered as a disciplinary matter which may involve formal action being taken. For example: you are required to inform your manager of any cautions, arrests or convictions, in respect of any criminal offence as soon as possible, this includes offences under the Road Traffic Act and sanctions from a professional body for misconduct eg. Social Workers, Accountants, Lawyers.

Breaches will be considered as a disciplinary matter which may involve formal action being taken. The code may be taken into account in performance management.

Throughout this policy there are references to a number of Council employment policies. All of these can be found on SharePoint or Our Surrey. Where they are policies required by statute they are available on the Surrey Education Services Hub. If you need any further assistance or clarification, please contact myhelpdesk@surreycc.gov.uk or 020 8541 9000.

3. Organisational ethics and personal conduct

The Council needs to ensure its decisions and operations are open, accountable and in line with recognised ethical standards. Officers of the Council are therefore required to act in accordance with [The Seven Principles of Public Life](#), which are:

Selflessness – Officers are expected to act solely in terms of the public interest;

Integrity – Officers are expected to avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work;

Objectivity – Officers are expected to act and take decisions impartially, fairly and on merit using the best evidence and without discrimination or bias;

Accountability – Officers are accountable to the public for their decisions and actions and required to submit themselves to scrutiny as appropriate;

Openness – Officers are expected to act and take decisions in an open and transparent manner. Information should only be withheld from the public if there are clear and lawful reasons to do so;

Honesty – Officers are expected to be truthful. This includes declaring any conflicts of interests and taking steps to resolve such conflicts; and

Leadership – Officers are expected to actively promote and support these principles by applying them to their own behaviour and challenging poor behaviour.

This code is based, and builds, on these seven principles published by [the Committee on Standards in Public Life](#).

The Council expects all officers to behave ethically and maintain high standards of personal conduct to sustain the good reputation of the Council and its services. In doing so officers are expected to be aware of and act in accordance with the Council's values as set out on Our Surrey.

4. Compliance with instructions

The Council expects all officers to comply with lawful written and oral instructions.

This will ensure that we take a consistent approach across the Council in relation to how we procure services and goods, carry out people management activities and how we approach financial management.

The relevant procedures and instructions are published on Our Surrey. Schools are expected to comply with locally adopted policies and procedures.

5. Health, safety, and wellbeing

All officers must take reasonable steps to protect their own health and safety and that of other people who may be affected by their work. Some officers, particularly managers, have specific responsibilities and these are detailed in the Council's safety policies and procedures. The Council's [Health, Safety and Welfare Policy](#) and [Manual](#) is published on Our Surrey.

Officers are expected to report for work in a fit and safe state to carry out their duties. You must not drink alcohol or take drugs at any time whilst at work, including during rest or meal breaks spent at or away from Council premises. Incidents outside working hours that involve intoxicating substances may be considered a disciplinary offence if the incident breaches the Code of Conduct. For further detail about the Council's expectations regarding drugs and alcohol officers should refer to the [Drug and alcohol workplace policy](#) on Our Surrey or Surrey Education Services hub for schools under HR Resources.

The Council is committed to providing a smoke free environment for staff and officers are expected to comply with the Council's [Smokefree workplace policy](#) on Our Surrey.

6. Governance

6.1 Handling and treatment of information relating to the County Council

All officers should be aware as to what information should be made available to Members, government departments, service users and the public; and which information should remain confidential. Any information made available should be provided in a clear and concise way.

Officers should not use any information gained in the course of their employment for personal gain or pass it on to others who might use it in such a

way. Information concerning a service user, resident, officer's or Member's personal affairs should not be divulged without prior approval, except where that disclosure is required or sanctioned by law.

It is important that officers take all relevant steps to comply with data protection requirements and ensure that confidential information is kept secure.

Whilst the organisation is working hard to align strategies to evidence-based findings in terms of relevant data sets to inform strategic activities, it is worth noting that some data may not be available to be shared, if this would mean that individuals and their characteristics, or personal data could be identified. This would contravene UK GDPR regulations.

For further information you should read the Information Governance guidance, available on Our Surrey: [Managing information – your responsibilities](#).

6.2 Declaring personal interests and outside commitments

The Council expects that officers will ensure:

- their private interests or beliefs do not conflict with their professional duties
- their position within the Council is not used to confer an advantage or disadvantage on any person
- they are not involved in, nor influence, any decision or allocation of Council services or resources from which they, their family or friends might benefit.

Officers must declare personal interests where there is, or could be perceived to be, a conflict of interest between their duties as an officer and their membership of any organisation.

Officers should declare their conflict of interest on My Surrey logging system, which ensures the line manager is aware and has to approve the conflict and reassess the situation every 12 months.

Actual or potential conflicts of interest are recorded and reviewed annually

All officers must declare:

- i. Any financial or non-financial interest which could be considered in any way to bring about a conflict with the Council's interests. This includes discussions or correspondence over any private interest with organisations that may have a business connection with the Council
- ii. Membership of any organisation that is not open to the public; requires commitment of allegiance to the organisation to be a member; and which has secrecy about its rules, membership, or conduct
- iii. Membership of any groups, clubs and societies, (including online groups – please see Section 11 regarding Social Media), that an officer believes could be relevant to declare in particular circumstances, especially where a conflict of interest may occur.

- iv. If a relative, partner or close personal friend holds a senior managerial position in an organisation with which the Council does, or seeks to do, business.

If officers have any doubt about whether they need to declare a personal interest or outside commitment, they must discuss the situation with their manager. Their manager will decide what controls should be put in place to mitigate any associated risks and confirm these in writing.

Officers are required to seek written permission from their Assistant Director/Headteacher before engaging in any other work or business which might relate to or impact your duties for the Council. This includes paid or unpaid work. It is important not to take paid or unpaid work which conflicts with the Council's interests. In addition, some officers have contractual restrictions on taking outside employment.

Agency workers who wish to be employed by other organisations at the same time as working for the Council should ensure this is checked by their agency, and that they are not working over the Working Time Directive limits and are having regular breaks to ensure they are fit and well to work.

For further guidance see the [Working Time Policy](#) and [Conflict of Interest](#) guidance on Our Surrey.

6.3 Declaring related party transactions

The Council is required to disclose material transactions with related parties. The requirement aims to provide assurance to readers of financial statements that any material transactions entered into between the organisation and those in a position of power to influence its decisions are disclosed and above board.

Officers must declare annually:

- i. Positions of influence they hold within partnerships, companies, trusts or any entities providing services to the Council/School
- ii. Positions of influence they hold (in a personal capacity) within organisations receiving grant funding from the Council/School

Declarations extend to a relative or partner of the officer if they have an interest in any such organisation.

6.4 Declaring bankruptcy

Bankruptcy may impact on the duties of officers who have a financial responsibility. Such officers must inform the relevant Assistant Director/Headteacher if they are declared bankrupt or are involved as a Director of a company which is wound up or put into voluntary liquidation, if it may potentially impact upon your role and duties. The purpose of the declaration is to ensure that a proper framework of support for the officer is in place.

6.5 Whistleblowing

The Council is committed to the highest possible standards of honesty, openness, probity and accountability. We seek to conduct our affairs in a responsible manner, ensure that our activities are openly and effectively managed, and maintain our integrity and principles of public interest disclosure.

In line with this commitment, where you become aware of activities which that you believe to be illegal, improper, unethical, or otherwise inconsistent with this code you are encouraged to report the matter in line with the Council's confidential reporting procedure – see the [Whistleblowing policy](#) on Our Surrey or Surrey Education Services hub via School Business Manager.

Officers who raise matters of concern in this way have specific protections afforded them under the Public Interest Disclosure Act 1998.

6.6 Fraud and corruption

Officers have an important role in the Council's strategy against fraud and corruption. All officers need to understand their responsibilities and duties in regard to the prevention and reporting of suspected fraud and corruption as outlined in the [Council's Strategy Against Fraud and Corruption](#), which is published on the Council's website.

7. Working relationships

Relationships with colleagues, service users and contractors should be conducted in a professional, courteous and respectful manner. Officers are expected to treat others with fairness and dignity at all times and to work to resolve differences where these exist.

The Council will not tolerate any form of harassment, bullying, victimisation or discrimination against service users, residents, colleagues, other officers or job applicants.

7.1 Working with members

Mutual respect between officers and members is essential to good local government. Close personal familiarity between officers and individual members can damage the relationship and should therefore be avoided.

For further information about working relationships between officers and members please see the Members/Officers protocol published on the Council's website.

7.2 Working with colleagues

Officers are expected to treat colleagues and those with whom they come into contact in the course of their work with fairness and respect.

[The Ending Bullying and Harassment Policy](#) defines bullying and harassment which is published on Our Surrey.

In order to avoid any accusation of bias, officers should not be involved in an appointment, nor any decision relating to discipline, promotion or any pay adjustments or conditions of another officer, or prospective officer to whom they are related or have a close personal relationship.

7.3 Working with the local community and service users

Officers should ensure professional, courteous, efficient and impartial service delivery to all. Officers should be especially sensitive in dealing with vulnerable children and adults.

7.4 Positions of trust

Officers should ensure they maintain professional standards and do not abuse, or appear to abuse, their position of trust in the way they conduct their relationships with service users/pupils/contractors, their families or carers.

Specific examples of conduct which should be avoided include, but are not limited to:

- meeting socially with pupils or service users (or their carers or families); and/or
- exchanging personal contact details or connecting using social media; or
- engaging in activity or associating with people outside work whose current or past conduct could raise doubts or concerns about your integrity or ability to be in a 'position of trust' with regard to children or vulnerable adults.

7.5 The Press and Media

Officers must not deal directly with the press or the media in relation to anything related to Council business unless it is part of their role, or they have been expressly authorised by your Assistant Director/ Headteacher.

If an officer speaks as a private individual directly to the press or at a public meeting or other situation where their remarks may be reported to the press, they must take reasonable steps to ensure nothing said might lead the public to think they are acting in their capacity as a Council officer.

An officer should not make an endorsement in their work capacity, through press channels, or on social media, regarding an external organisation which might infer a corporate endorsement on behalf of Surrey County Council.

Trade Unions and their elected and accredited representatives may be approached by the media for comments or interviews on a particular issue. In such cases the representative must make it clear that they are doing so in their capacity as a representative of that union and not as a Surrey County Council officer and that their comments may not represent the views/policy of the council

7.6 Political neutrality

- i. Members are elected to direct the policies and activities of Surrey County Council. Officers should ensure they serve all members, not just those of the controlling group, and respect their individual rights.
- ii. Officers should ensure that their own personal or political opinions should not interfere with any policy of the authority. Where officers advise political groups, they are expected to be politically neutral.
- iii. Officers may not, by law be an elected member of the authority in which they are employed.

(Political assistants appointed on fixed term contracts in accordance with the Local Government and Housing Act 1989 are exempt from political neutrality).

Certain posts are designated as politically restricted by the Local Government and Housing Act 1989. An officer's contract of employment will tell them whether they hold one of these posts and, if they do, they will be required by law to observe certain restrictions regarding their out of work activities

The political activities which are restricted for these posts include:

- standing as a Member of Parliament, Member of the European Parliament or a Councillor in any local authority (other than a Parish Council)
- holding office in a political party at any level, (except in limited roles concerned only with the internal membership of the party)
- canvassing at elections
- speaking in public or publishing any written or artistic work which appears to be intended to influence public support for a political party.

Officers need to be aware of their position in terms of political activity. If they are not sure whether an activity is subject to 'political activity restrictions', they should seek advice from their line manager, who will consult the Executive Director or Monitoring Officer if necessary.

Violation of the statutory rules is a breach of contract and will render them liable for investigation and possible disciplinary action under the Council's Disciplinary Procedure.

For further information see the [politically restricted posts positions](#) on Our Surrey.

7.7 Equality, Diversity & Inclusion

The Council is committed to creating a workplace that is inclusive and compassionate, where we value diversity and can be ourselves at work.

The Council sets out our commitment to the principles of Equality, Diversity and Inclusion and all staff are expected to demonstrate commitment to these principles in carrying out their work.

The Council is bound by the Equality Act 2010 which protects any person from being discriminated against or harassed on the basis of age, disability, gender reassignment, marriage of civil partnership status, pregnancy or maternity, race or ethnicity, religion or belief, sex, or sexual orientation. All staff are responsible for helping Surrey County Council to meet its obligations under the Equality Act which include:

- Eliminating discrimination, harassment and victimisation
- Advancing equality of opportunity
- Fostering good relations between groups of people with different protected characteristics

[Equality, diversity and inclusion - Surrey County Council \(surreycc.gov.uk\)](https://www.surreycc.gov.uk)

8. Contractors and competitive tendering

Contractors may include individuals who are temporarily working alongside Council officers, or officers of an external firm that has been awarded a contract to provide services on behalf of the Council. All contractors should be treated with courtesy and respect.

8.1 Contractors

Orders and contracts must be awarded by fair and open competition against other tenders. No special favour should be shown to businesses with particular connections to officers.

Officers should declare any relationship with a particular contractor, or any potential contractors, to the Assistant Director /Headteacher and should not participate in any buying activity where these Conflicts of Interest could arise. See the [Procurement standing orders](#) for further information.

If officers wish to tender for a contract from the Council, they must declare such an intention to the appropriate Assistant Director / Headteacher, at the earliest possible opportunity.

8.2 Separation of roles during competitive tendering

- i. Officers should be clear on the separation of client and contractor roles. Senior officers who have both a client/contractor responsibility must be aware of the need for accountability and openness.
- ii. Officers privy to confidential information on tenders of costs relating to contractors should not disclose the information to any unauthorised party or organisation.
- iii. Officers should ensure no special favour is shown to current or recent former officers, or associates, in awarding contracts.

9. Gifts & Hospitality

It is essential that the public can be confident that decisions are made for proper reasons and are not influenced by the interests of individual officers, their relatives or friends.

The Council expects officers, including those seconded to other organisations, to refuse offers of gifts and hospitality. Such offers should only be accepted in exceptional circumstances, where there is a clear justification for doing so and where this has been formally approved in advance.

For reasons of integrity and transparency, the gifts and hospitality requirements extend to the spouse, partner and immediate family of officers, where the provider is a business partner or associate of the Council.

Gifts & hospitality that have been offered, whether accepted, declined or accepted and passed on to charity, must be registered on the My Surrey system or the school's local register.

For further detail and information about what needs to be recorded see [Gifts and hospitality policy](#) on Our Surrey or Surrey Education Service hub under HR Resources.

10. Use of the Council's materials or resources

Officers are expected to use public funds entrusted to them in a responsible manner and should not make personal use of any Council resources unless authorised to do so.

10.1 Property and resources

Council property, materials and resources should be used solely in respect of its work. No improper use should be made of any facility such as vehicles, equipment, stationery or other services which the Council provides for its own business.

The Council recognises that there are times when calls must be made during working hours, for emergencies or to utility companies, for example. Reasonable usage of the telephone in these cases is permissible, but officers are expected to keep the length of call to the minimum possible.

Use of mobile phones is permitted for users who have been issued with a SCC mobile, for making work calls and logging of expenses, annual leave, sickness absence and any other work-related affairs.

Mobile phones must not be used whilst driving, unless the appropriate hands-free equipment is used, and it is essential and safe to do so.

A satnav can distract a driver physically through the manual entry of their destination details, visually, by looking at the electronic map or cognitively when the driver focuses their attention on listening to, or carrying out the instructions, or entering their destination into the system whilst driving.

It is important that drivers understand how best to use their satnav and learn not to use it when it may be dangerous to do so. Drivers should always input their destination details or update the sat nav system whilst stationary and not whilst driving.

For further information please see [Section D of the Health & Safety Manual](#)

10.2 Information Technology (IT) systems

The Council has an obligation and legal responsibility to ensure that the IT system is used appropriately and is not misused. We monitor use to ensure that misuse or abuse of the facility is identified. All officers are required to comply with the [IT and Information Security policies](#), procedures and published guidance on Our Surrey and locally in schools.

Whilst SCC fully supports agile working and recognises that more officers are not working full time from SCC premises, it is essential that SCC laptops are only used for SCC work and that they are not used for private or other external use, school staff should follow local guidance.

10.3 Intellectual property

Officers should be aware that "intellectual property" such as ideas, documents, software, etc. created during their employment belong to the Council. Any invention, improvement or design made or conceived by them while they are engaged to work for the Council which is in the existing, or contemplated, scope of the business of the Council shall become and remain the exclusive property of the Council.

Officers must also make sure that they do not breach the copyright held by others and thereby expose the Council to the risk of claims. If they wish to copy the work of others they should ensure that they comply with copyright law, seeking advice from their manager if they are unsure.

11. Use of social media

Officers need to be aware that posting information or views about local government or politics in general may not be isolated from your working life, if you have identified yourself as an officer of the Council.

If you have a personal account, you are advised to abide by its terms and conditions and read the advice it offers on using your social site.

The image they project on social media may adversely reflect on the image of the Council. We recommend that when they use social media that they remember our values.

If they identify themselves as an officer of the Council, or if they can be identified as an officer of the Council, ensure any communication that they make will not:

- bring the organisation into disrepute or seriously affect public confidence in its ability to deliver effective services, for example by

criticising the Council's decisions and/or activities connected with their own work

- breach confidentiality, for example by:
 - revealing confidential information owned by the organisation;
- be considered discriminatory against, or bullying or harassment of, any individual, for example by:
 - making offensive or derogatory comments
- breach the Council's Code of Conduct, its policies, its procedures and political neutrality.

Trade Unions and their elected and accredited representatives may be approached through social media for comments on a particular issue. In such cases the representative must make it clear that they are doing so in their capacity as a representative of that union and not as a Surrey County Council officer and that their comments may not represent the views/policy of the council.

12. Approvals

Where Assistant Directors, Directors, and Executive Directors require approval or notification under the Code then this shall respectively be obtained from the appropriate Directors, Executive Directors, or the Chief Executive. The Chief Executive will obtain approval from either the Monitoring Officer, or the Section 151 Officer.

Where a Head teacher requires approval under the code then this will be obtained from the Chair of Governors.

13. If in doubt

It is not possible to cover every situation an officer of the Council may face. If they are in any doubt about anything contained within this code or are concerned about anything relating to their personal position, they should speak to their line manager.

The Role of Members and Officers

3. **Members and Officers** are both servants of the public; their roles are complementary to each other but their responsibilities are distinct:
4. **Members** are elected by residents to represent an electoral division and serve a term of office; they are responsible and accountable for making strategic decisions and ensuring that they are implemented by Officers.
5. **Officers** are responsible to the Chief Executive via their managers and Executive Directors; their role is to provide information, guidance, support and advice to all Members so that they are equipped to make effective decisions. Officers are responsible for implementing and delivering the outcomes of policy and decisions.

Core principles

6. **Members and Officers together will:**
 - Be professional, respectful and reliable, working with trust and respect
 - Respond in a timely way to one another

- Understand and advise on the needs of local communities
- Trust and value each other's expertise, knowledge and skills
- Not criticise each other in the public domain
- Work together.

7. **Members can expect Officers to:**

- Be honest, impartial and politically neutral
- Keep them well-informed and give Members time to work with the information provided
- Implement policy and ensure operational delivery
- Recognise the pressures that Members face whilst representing their residents and the political environment in which they operate.

8. **Officers can expect Members to:**

- Fully consider professional advice as part of decision making
- Avoid becoming involved in routine management and staff issues (including recruitment below Deputy Chief Officer level)
- Carry out their role as the public face of the organisation and represent residents' best interests
- Show consideration by avoiding requests that include unreasonable deadlines or excessive demands.

The relationship – Piecing it together

The relationship is most effective when it operates in partnership. Both parties bring skills, knowledge and experience but for the relationship to work there needs to be awareness of expectations and boundaries.

We start from the precept that people are capable, mature and have good intent.

Officer support to Members - Keeping the local Member informed

9. Surrey County Council's 81 elected Members provide the bedrock of representative democracy and it is important that they are supported to carry out their community leadership role. Members are often the first point of contact for residents and to be effective it is critical that they are updated about matters affecting their division.

10. Officers are expected to be equipped to keep local Members informed:

- In relation to significant or sensitive operational matters
- When there is planned or unexpected service disruption taking place
- During the formative stages of policy development
- Whenever a public consultation is planned
- Prior to an issue raised in the media or public domain.

11. Where an issue is to be discussed at a public meeting that affects a particular division or area, all local county councillors will be invited and offered the opportunity to speak.

12. Officers can assist Members further by:

- Being alert to the local political context of decisions or issues
- Understanding their problems, looking for solutions and avoid focusing on obstacles
- Initiating contact proactively. Introductory emails to Members from newly appointed Officers, where a relationship will need to exist, is welcomed.

The media test:

“Is it reasonably foreseeable that this topic could be reported in the local media?”

If the answer is “yes”, then communication with Members is required.

Officer support to Cabinet

13. SCC operates a strong leader model of executive governance. The Cabinet will take decisions in accordance with the Constitution and Officers will implement those decisions.

14. Whilst the distinction between Member/Officer roles and responsibilities is consistent across the organisation, the relationship between the Cabinet and Corporate Leadership Team (CLT) is unique. These groups have a leadership duty to model the desired working relationships and boundaries; where members provide strategic direction and CLT are responsible for the operational delivery.

15. A close working relationship between Senior Officers and Cabinet Members is inevitable (and desirable) but it should never become, or appear to become, so close as to bring into question the Officer’s ability to work impartially with other Members and political groups.

Officer support to Scrutiny

16. Overview and Scrutiny plays an important role in overseeing policy implementation, service performance and scrutinising Cabinet business and the decisions that it takes. When Officers provide information for scrutiny committees, they are expected to do so, in line with Access to Information requirements.

17. Committees can request Officers attend scrutiny meetings. The intent is for the Officer to provide relevant information on policies and service performance, through constructive Member questions. Questions will not be related to the capability or competence of Officers as this is not a scrutiny function.

Officer support to Political Groups

18. Political groups are part of the informal governance landscape and they are permitted to request that an Officer attends a group meeting for the purpose of providing a briefing on a matter of policy, that is (or may be) the subject of a formal meeting.

- There is no entitlement to an additional meeting, or pre-briefing, ahead of other Members being provided with information.

19. To ensure transparency and political neutrality, the role of an Officer attending a group meeting is to:

- Provide the same factual information and professional advice to all political groups on request
- Withdraw from the meeting prior to groups discussing their course of action, or if they feel their impartiality or integrity are being put at risk
- Respect the confidentiality of any group discussion and not relay it to any other Members/groups or third party. Officers are able to discuss the meeting with senior Officers on a need to know basis.

20. To ensure that information is appropriate for the audience and protects confidentiality, groups need to provide advance notice of any third parties also attending the meeting who are not bound by council policy.

21. Whilst Members are entitled to use council premises and resources to carry out their duties, Officers are not in a position to extend the use of the resources to activities that are wholly personal, electioneering or solely for party political purposes. Where an agreed arrangement exists, resources may be made available at a charge.

Member support to Officers

22. Members are able to contribute to fostering positive relationships by recognising the boundaries and restrictions placed upon Officers. For example, Officers are unable to:

- Contribute to business solely relating to a political party (including attending local political group meetings)¹
- Take part in electioneering
- Assist with personal correspondence or matters
- Provide administrative support to Members in their capacity as a Councillor of another local authority.

23. Members have an important role in contributing to the development of policies and strategies (including scrutinising decisions). However, this is distinctly different from developing operational plans and the management of service delivery, which is

¹ This excludes Political Assistants.

the domain of Officers. Members can foster positive relationships by remaining mindful of this role boundary.

24. When seeking to deal with constituent matters, on some occasions it may not be possible to satisfy a Member's request due to operational time, capacity and resource pressures. Having a conversation about mutually appropriate timescales is reasonable.

25. Members can assist Officers further by:

- Avoiding support requests based on personal preferences that create additional pressure, process or cost
- Not disclosing to the public the direct contact details of an Officer without their consent
- Introducing themselves early into their term to appropriate Officers and also investing in the relationship.

Familiarity and personal relationships

26. Social interaction between Officers and Members is only beneficial in a public setting and work related context where professionalism is still maintained; this extends to social media.

27. Where a close/intimate personal relationship (relative/partner) exists or develops between an Officer and Member, the Monitoring Officer is to be informed at the earliest opportunity. Under these circumstances the Officer in question should not perform or supply support that has a financial association or where there is a conflict of interests.

Access and the provision of Information

28. The statutory rights of Members' access to information held by the Council are outlined in [Article 15](#) of the Constitution.

29. Members need to have adequate and relevant advice and information available to them in order to carry out their duties as Members of the Council, Cabinet or any relevant Committees or Boards and in particular in their role as local Members in relation to matters affecting their division. This enables Members to make properly informed decisions, be effective community leaders and scrutinise and develop policy. It is important that Officers assist Members by providing such advice and information in a timely way when requested.

30. If Members are not receiving, or are having difficulty in obtaining, information where they are able to demonstrate a "need to know", they should contact the Monitoring Officer or appropriate Executive Director.

31. If an Officer feels it to be necessary, they may contact their Executive Director, or the Monitoring Officer, before providing confidential information to a Member.

32. When providing written or verbal reports and briefings, it is important that Officers present information and advice in a way which is clear and evidence based. Allowing Members the opportunity for constructive challenge and debate supports effective decision making.

Communication and Correspondence

Open, honest and constructive communication is the foundation of our collaborative culture that directly influences organisational outcomes. Communication becomes easier as you build the relationship.

We start from the precept that we will be open and inviting, we will be clear about what we mean and we will say clearly what we need from others and why.

33. Regular contact between Officers and Members regarding council business is encouraged.

34. One to one communication between Members and Officers is confidential; whether oral or written. General Data Protection Regulations (GDPR) already apply but further guidance includes that:

- Officers will seek agreement from parties before forwarding emails to other Members
- Blind copies (Bcc) to any recipient are not permitted
- Responses to individual Member enquiries should not be forwarded to cabinet portfolio holders.

35. Members appreciate it when Officers:

- Provide information in an accessible and readable format
- Send information in good time so that Members can read it and be prepared
- Acknowledge Members' communications quickly and provide a response timeframe.

36. Officers appreciate it when Members:

- Allow sufficient time to respond to Member enquiries
- Wherever possible, request a mutually convenient time to discuss an issue. Officers are working to existing priorities and are often unable to accommodate immediate requests for support
- Acknowledge that Officers are working within restrictions with regards to data protection and confidentiality.

Confidentiality

37. Information given to a Member can only be used for the purpose for which it was requested, that is in connection with the proper performance of the Member's duties as a Surrey County Councillor.

38. Similarly, information requested by a Member (or a political assistant on behalf of a Member of a political group) is provided by Officers in confidence. It is not for distribution to other Members without the consent of the Member making the request or the political assistant acting on his/her behalf.

39. Information and correspondence to Members legitimately pertaining to their role, whether by electronic means or post, will not be delayed or interfered with by Officers or Members.

40. Confidential information provided to Members should not be divulged to anyone. If a Member identifies the need to disclose the information, prior advice is required (e.g. from the Monitoring Officer).

41. When information is distributed, best practice is to avoid forwarding an email chain as this may contain additional personal data that is not for disclosure.

Release of information to the media

42. Media activity, including press releases and social media activity relating to council policy, will be prepared by the Communications team in support of decisions by the Council, the Cabinet, Cabinet Members or any committees/boards, and generally on approved policies and initiatives. These are ultimately the responsibility of the Director of Communications & Engagement in conjunction with the relevant Executive Director(s). They should be cleared with the appropriate Cabinet Member or chairman before being issued and they may include a statement from the Cabinet Member or chairman. Care should be taken to ensure that media activity supports the actions and decision of the council, not of a political party.

43. There is specific legislative guidance relating to media activity in the run up to an election. This is known as the Pre-Election Period (PERP, or popularly Purdah). Great care has to be taken to ensure that council actions and statements cannot be seen to support a particular political party.

How to resolve issues

44. Members and Officers are considered as professionals and the expectation is for individual differences to be resolved through private discussions at the earliest and most suitable opportunity.

45. There may be occasions when Members or Officers feel that the other's behaviour, or actions, have not been in the spirit of this Protocol. The Member or Officer is advised to raise the issue with the respective line manager, Director,

Executive Director or Chief Executive, as appropriate. If an informal resolution remains unsuccessful then the issue may be referred to the Monitoring Officer for formal progression.

46. Issues regarding professional standards and conduct are covered within the relevant Codes of Conduct.

SCC Anti-Fraud and Corruption Strategy and Framework 2021 - 2024

Statement on Fraud by the Corporate Leadership Team

The Surrey County Council Corporate Leadership Team are committed to implementing and maintaining the highest standard of corporate and financial governance and ethical behaviour. We recognise that fraud against the Council harms the individuals, communities and businesses of Surrey and for that reason, fraud, bribery and corruption against the Council will not be tolerated, and all such occurrences will be investigated. We will undertake to consider the circumstances of each case of alleged fraud we investigate to ensure we seek a fair and balanced outcome.

We fully support the investigation of allegations of fraud, the continued development of a robust anti-fraud culture and framework within the Council, and a strong stance being taken where fraud is found.

The diverse nature of services provided by the Council mean that there are many areas where we could be a target for fraud. We will ensure we understand the main fraud risks we face and set out how we protect against them in our fraud risk registers.

We, the Corporate Leadership Team, with your support, will strive to ensure that we have robust processes in place to help prevent the risk of fraud, and that we do not forget the risk of fraud in our drive to improve efficiency in our services.

Introduction

The public is entitled to expect the Council to conduct its business with integrity, honesty and openness and demand the highest standards of ethical conduct from those working for and with it. The Council takes the threat of fraud and corruption and its statutory duty to protect the public funds it administers seriously, and has allocated specific resource to focus on coordinating its approach to protecting its assets and finances from fraud, corruption, and other wrongdoing. The Council expects the highest ethical and legal standards from its members, officers, contractors and agents carrying out business on its behalf.

It is essential that it protects the public purse and ensures that Council funds are used only for their intended purpose: to support and deliver services to our community. As such the Council maintains a zero-tolerance approach to fraud and corruption whether it is attempted from outside the Council or within.

It is an expectation that where employees have workplace concerns, or suspect wrongdoing, that this is raised through appropriate channels. All allegations relating to potential fraud, financial maladministration, conflicts of interest, breach of confidentiality, improper use of resources, ICT misuse or any other forms of financial irregularity should be reported to Internal Audit, who will take appropriate action.

The strategy forms part of the Council's counter fraud framework, a collection of interrelated policies and procedures including the Whistleblowing Policy, Anti-Money Laundering Policy, Sanctions Policy, Employee Code of Conduct, and Financial Regulations. The framework includes guidance on types of fraud and corruption, how to report concerns, and the investigation process. This strategy and framework set out the Council's commitment to preventing, detecting and deterring fraud and corruption to ensure public funds are used for their intended purposes.

Strategic approach

To fulfil the Council's Counter Fraud Strategy and Framework 2021 - 2024, the Authority must ensure that fraud, bribery, corruption, and misappropriation is minimised. Every pound lost to fraud and corruption is a reduction in resources and negatively influences the Authority's' ability to deliver its objectives.

The Council has reviewed its arrangements in line with the Fighting Fraud and Corruption Locally Strategy (2020) – the Local Government blueprint for tackling fraud in Local Government. The strategy outlines four strategic principles for effective fraud management, together with the overarching principle of 'Protect':

PROTECTING ITSELF AND ITS RESIDENTS
*Recognising the harm that fraud can cause in the community.
 Protecting itself and its' residents from fraud.*

Action Plan

What we will do against each of these strategic principals is set out in the following table.

Our principles	What we will do
Govern	<ul style="list-style-type: none"> • Ensure that there is full support from the top of the organisation and throughout, for the robust investigation into any allegations of fraud, bribery, corruption, or wrongdoing; • Ensure that our zero tolerance culture is embedded throughout the organisation; • Promote our Whistleblowing Policy to both employees and those external to the organisation; • Report instances of fraud and corruption to the Audit Committee, who support officers in their work to prevent, detect and investigate fraud and corruption.
Acknowledge	<ul style="list-style-type: none"> • Acknowledge and understand fraud risks; • Commit the right support to tackle fraud and corruption; • Conduct and maintain a strategic fraud risk assessment for the Council; • Develop and maintain a strong framework of internal controls; • Commit support and resources to tackling fraud and corruption; • Demonstrate a robust counter fraud response; • Communicate the risks to those charged with Governance.

<p>Prevent</p>	<ul style="list-style-type: none"> • Develop and maintain a robust and effective anti-fraud culture; • Ensure that the standards in public life adopted are set out clearly in the Council’s policies and effectively communicated; • Conduct employee and third-party due diligence; • Make the best use of information and technology to identify and tackle fraud; • Continue to invest in the training and development of investigative staff to ensure high levels of competence, so that staff have the right skills and follow set standards; • Regularly communicate with staff on countering fraud and provide fraud awareness training; • Identify control weaknesses and enhance fraud controls and processes; • Communicate counter fraud activity and successes through reporting to Leadership, Audit Committee and staff training/workshops.
<p>Pursue</p>	<ul style="list-style-type: none"> • Prioritise the recovery of financial losses as a result of fraud, and use of civil sanctions where appropriate; • Develop capability and capacity to investigate and punish offenders, through the support of appropriate disciplinary processes and working with outside agencies, including the Police. • Monitor and promote our confidential reporting hotline; • Develop and maintain internal investigation protocols and disclosure protocols; • Provide a consistent and effective response for dealing with fraud cases; • Collaborate across geographical boundaries with other local authorities through working groups, sharing of intelligence, benchmarking, and on joint investigations; • Learn lessons from identified fraud and corruption and close the gaps in control weaknesses that allowed any wrongdoing to be perpetrated.
<p>Protect <i>(this is an overarching aim which sits across the previous four principles)</i></p>	<ul style="list-style-type: none"> • Recognise the harm that fraud can cause in the community; • Protect the Council, the public funds it administers, as well as residents and other stakeholders, from risks and financial losses relating to fraud and corruption, now, and in the future.

Governance

This is about the Council having robust arrangements and executive support to ensure ‘zero-tolerance’ anti-fraud, bribery and corruption measures are embedded throughout the organisation.

Internal Audit work closely with senior officers, including Leadership and the Chief Executive. The Corporate Leadership Team are committed to setting a ‘tone from the top’ through the support of a zero-tolerance approach to fraud and corruption, which includes the investment of resources into a dedicated Counter Fraud team that sits within Internal Audit.

The Chief Internal Auditor reports all instances of identified fraud, theft, and corruption quarterly to the Audit Committee. The Chief Internal Auditor additionally maintains a close relationship with the sitting chair of this committee, ensuring that members are appropriately briefed of all significant instances of identified wrongdoing.

The Council expects everyone carrying out Council business to protect the public purse and to report suspicions of dishonest behaviour. The promotion of a strong anti-fraud culture will deter potential fraudsters and those considering wrongdoing, as well as encouraging a safe environment in which individuals can feel comfortable to raise concerns, without fear of reprisals or victimisation.

Acknowledge

The Council accepts that no Authority is immune from the risk of fraud, bribery, and wrongdoing. It seeks to use all available recourse to help to reduce the opportunity, motivation and justification for fraud, bribery, and wrongdoing and to act robustly when it is identified.

A fraud and misconduct risk assessment is maintained to help the Council identify the risks it faces from fraud, corruption, bribery, and other wrongdoing. This risk assessment then documents the controls in place to mitigate these risks, identifies gaps or weaknesses in the control mechanisms, and feeds into the development of a work programme to target and reduce these risks.

The Council will regularly review its approach to tackling fraud, keeping abreast of emerging risks and current trends which occur across the Council and nationally.

This strategy is part of the counter fraud framework, which includes the following policies and procedures which set out the Council's commitment to preventing, detecting, and deterring fraud and corruption to ensure public funds are used for their intended purposes:

- Employee Code of Conduct;
- Code of Conduct for Members;
- Whistleblowing Policy;
- Anti-money Laundering Policy;
- Sanctions Policy;
- Financial Regulations;
- Procurement Standing Orders.

Prevent

The Council faces a variety of risks and threats and acknowledges that prevention is the best and most efficient way to tackle fraud, bribery, and wrongdoing and to prevent / minimise losses.

The best defence against fraud, corruption, bribery, and wrongdoing is to create and maintain a strong and robust anti-fraud culture within the Council. The Council will promote the standards of business conduct it expects and requires from all its employees (including contractors and Councillors) as documented in the Council's Code of Conduct (and set out under the 'Seven principles of public life' heading later in this strategy).

The Council will continue to invest in the training and professional development of Internal Audit staff to ensure high levels of competence, so that staff have the right skills to prevent, identify, investigate, and pursue fraud, corruption, and other wrongdoing.

Practical counter fraud and risk guidance and training has been produced and is disseminated to staff. This details risk identifiers and is based on lessons learned elsewhere and recognisable risk scenarios. Targeted anti-fraud presentations are also delivered to services, which are prioritised via a risk-based approach.

Internal Audit will continue to make the best use of information and technology to identify and tackle fraud. This will include the development and utilisation of data analytics, both as embedded tests that sit within audit work, and targeted proactive exercises aimed at identifying fraud and error.

The Council also recognises that a key preventative measure to combat fraud and misconduct is to ensure that the appropriate due diligence is exercised in the hiring, retention, and promotion of employees and relevant third parties. This applies to all staff whether, permanent, temporary, contracted, or voluntary. Procedures will be followed in accordance with the Council's recruitment and selection framework. We will always undertake the appropriate pre-employment checks (for example: qualification verification and obtaining references) before any employment offer is confirmed.

Any system weakness identified as part of the work carried out by Internal Audit will be recorded, with controls recommended to minimise any system weaknesses and these will be agreed and monitored to ensure compliance as part of the audit process.

Pursue

Fraud, corruption, and malpractice will not be tolerated and where it is identified the Council will deal with proven wrongdoings in the strongest possible terms, including:

- Disciplinary action;
- Reporting to the Police or other external agencies;
- Prioritise the recovery of any losses on behalf of the taxpayer, including use of criminal or civil legal action through the Courts.

The Counter Fraud team within Internal Audit will provide a consistent and effective response for responding to allegations of alleged financial irregularity. The team works to defined internal investigation protocols, which are under regular review and are shared with management and HR. The team collaborates across geographical boundaries with other local authorities through working groups, sharing of intelligence, and benchmarking.

Where information relating to a potential or actual offence or wrongdoing is uncovered, a comprehensive, independent, and objective investigation will be conducted. Any investigation will take account of relevant policies and legislation.

The purpose of any investigation is to gather all available facts to enable an objective and credible assessment of the alleged irregularity and to enable a decision to be made as to a sound course of action.

In such instances, Internal Audit will work closely with management and where appropriate, other local authorities or other agencies such as the Police, to ensure that all allegations and evidence are properly investigated and reported upon.

Referral to the Police on matters of alleged fraud or other financial irregularity is a matter for the Chief Internal Auditor, in consultation with the Section 151 Officer and the relevant senior managers. Any referral made to the Police will not prohibit action under the Council's disciplinary procedure.

In cases of alleged theft, fraud, corruption, or other irregularity involving staff, the Council may pursue the case through its disciplinary processes, even if the member of staff has submitted their resignation.

All completed investigations will include a review of lessons learned which may result in the production of an Internal Control Report for management. This aims to identify where there are any gaps or weaknesses in the system of internal control which contributed to the ability of the identified fraud, theft, corruption, or other irregularity to be perpetrated. This report will contain actions for management which will aim to close these gaps in control. These actions will be monitored and reported upon, in line with Internal Audit's action tracking process.

Seven Principles of Public Life

The Council is committed to the highest ethical standards as set out in the Code of Conduct. The Council believes the 'seven principles of public life' are the foundation of a strong anti-fraud culture and expects all members, officers, and contractors to follow these principles, as well as all legal rules, policies, and procedures.

The seven principles of public life and a brief explanation are listed below:

Principle	Explanation
Selflessness	Act solely in terms of the public interest and not for the purpose of gain for yourself, family or friends.
Integrity	Avoid placing yourself under any obligation to people or organisations that might seek to influence you in your work.
Objectivity	Act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
Accountability	Be accountable to the public for your decisions and actions and submit yourself to scrutiny as appropriate.
Openness	Act and take decisions in an open and transparent manner. Information should only be withheld from the public if there are clear and lawful reasons for doing so.
Honesty	Be truthful. This includes declaring any conflicts of interest and taking steps to resolve such conflicts.
Leadership	Actively promote and support these principles by applying them to your own behaviour and challenging poor behaviour.

Definitions

Fraud - can be broadly described as, someone acting dishonestly with the intention of making a gain for themselves or another, or inflicting a loss (or a risk of loss) on another; including:

- Dishonestly making a false statement or representation;
- Dishonestly failing to disclose to another person, information which they are under a legal duty to disclose;
- Committing fraud by abuse of position, including any offence as defined in the Fraud Act 2006.

Theft - Theft is stealing any property belonging to the Council or which has been entrusted to it (i.e. client funds), including cash, equipment, consumables, machinery, or even data. Theft does not necessarily require fraud to be committed. Theft can also include the stealing of property belonging to our staff or members whilst on Council property.

Obtaining services dishonestly – is broadly where services which were to be paid for were obtained knowing or intending that no payment (or only part-payment) would be made.

Bribery – is ‘the offering, promising, giving, soliciting, agreement to accept or acceptance of a financial or other advantage which may induce or reward a person to perform improperly a relevant function’ under The Bribery Act 2010.

Corruption – is the offering or acceptance of inducements designed to influence official action or decision making. These inducements can take many forms including cash, holidays, event tickets or meals.

Money laundering – is the process of converting illegally obtained money or assets into ‘clean’ money or assets with no obvious link to their criminal origin. Detailed guidance is set out in the Council’s Anti-Money Laundering Policy (attached as annex 1.1).

This strategy also covers other irregularities or wrongdoing, for example failure to comply with Financial Regulations, Standing Orders, National and Local Codes of Conduct, Health and Safety Regulations and all other relevant laws and legislation that result in an avoidable loss to the Council.

The following policies are attached as an Annexes:

- 1.1 Ant-Bribery Policy**
- 1.2 Anti-Money Laundering Policy**
- 1.3 Sanctions Policy**

1.1 Anti-bribery policy

Policy statement

Surrey County Council will:

- Not tolerate bribery or corruption in any form or at any level;
- Consider anti-bribery measures as part of its governance process; and
- Commit to policies and procedures to prevent, deter and detect bribery.

1. Introduction

- 1.1 The Council expects its business to be conducted with probity, openness and accountability. Key to maintaining the Council's high standards is the requirement for members, officers, contractors and agents carrying out business on behalf of the Council to behave honestly, lawfully and with integrity.
- 1.2 This policy forms part of the Council's counter fraud framework and sets out:
- Definitions and legal background in respect of bribery; and
 - The Council's approach to bribery including fulfilling its duties under the Bribery Act 2010 (the Act).

2. Scope of the policy

- 2.1 This policy applies to all areas of Council business and therefore all members, officers, contractors and agents carrying out business on behalf of the Council. Any act of bribery by a person outside the Council will be a matter for the police.
- 2.2 This policy should be read alongside the Gifts and Hospitality Policy. Other relevant policies (such as the Code of Conduct and Procurement Standing Orders) should be referred to where appropriate.
- 2.3 Failure to comply with this policy will result in action being considered under the Sanctions Policy.

3. Definitions and legal background

- 3.1 Bribery is the act of offering, giving, receiving or seeking an inducement or reward intended to influence the performance of a relevant function or duty to gain a personal, commercial, regulatory or contractual advantage.

Bribery Act 2010

- 3.2 The Act includes four key offences:
- Offering, promising or giving a bribe to reward a person for improperly performing a relevant function (Section 1);
 - Requesting, agreeing to accept or receiving a bribe as a reward for improperly performing a relevant function (Section 2);
 - Bribing a foreign public official with the intention of obtaining or retaining business or an advantage in the conduct of business (Section 6); and

- A corporate offence by a 'commercial organisation' of failing to prevent bribery that is intended to obtain or retain business or an advantage in the conduct of business (Section 7).

- 3.3 The Act makes no distinction between a bribe being offered, promised or given directly or through a third party. Further, it makes no difference whether the person requesting, agreeing to accept or receiving the bribe knows or believes that the performance of the function will be improper; or whether this person asks another person to carry out the improper performance of the function on their behalf.
- 3.4 The Council accepts that it may be classed as a 'commercial organisation' in relation to the corporate offence of failing to prevent bribery. The Act allows for a defence to this corporate offence if an organisation can show that it had in place 'adequate procedures' designed to prevent bribery.
- 3.5 Good practice and robust governance arrangements include having adequate procedures in place to prevent bribery and protect the Council from reputational and legal damage. Whether an organisation's procedures are 'adequate' will ultimately be a matter for the courts to decide on a case-by-case basis. Adequate procedures need to be applied proportionately, based on the level of risk of bribery in the organisation.

Public Contracts Regulations 2006

- 3.6 The Public Contracts Regulations 2006 place a duty on the Council to automatically and perpetually exclude from participation in a procurement procedure any company or director that has been convicted of a corruption offence. The Council may disregard this regulation on an exceptional basis, for example due to reasons relating to the public interest such as public health or protection of the environment.

4. The Council's approach to bribery

- 4.1 The Council has in place a framework of arrangements intended to manage the risk of bribery and corruption and ensure business is conducted to the highest standards. This policy does not change the requirements of other guidance, which includes:
- Member and Officer Codes of Conduct, which require members and officers to declare any personal or pecuniary interests;
 - Procurement Standing Orders governing the negotiation of contracts; and
 - Gifts and Hospitality Policy, which sets out the restrictions on accepting gifts and hospitality and the need to register approved gifts that are accepted.
- 4.2 In the context of this policy, it is unacceptable for members, officers, contractors and agents carrying out business for or on behalf of the Council to:
- Give, promise to give, or offer a payment, gift or hospitality with the expectation or hope that a business advantage will be received, or to reward a business advantage already given;
 - Give, promise to give, or offer a payment, gift or hospitality to a government official, agent or representative to 'facilitate'¹ or expedite a routine procedure;

¹ Facilitation payments are unofficial payments made to public officials in order to secure or expedite actions, including but not limited to: awarding contracts; making appointments to temporary or permanent positions; and determining eligibility to receive services.

- Accept payment from a third party that is known or suspected to be offered with an expectation that it will obtain a business advantage for them;
- Accept a gift or hospitality from a third party if it is known or suspected that it is offered with an expectation that a business advantage will be provided by the Council in return;
- Retaliate against or threaten a person who has refused to commit a bribery offence or who has raised concerns under this policy; or
- Engage in activity in breach of this policy.

5. Reporting suspected bribery

- 5.1 You should report any suspected acts of bribery. If you have been offered an inducement from another party, you should report this even if you declined.
- 5.2 The Council has put in place a safe environment to report suspected cases of fraud and corruption, including bribery. Any individual may contact the Council's Internal Audit team directly as below.

1.2 Anti-money laundering policy

Policy statement

Surrey County Council will do all it can to:

- Prevent any attempts to use the Council and its staff to launder money;
- Identify potential areas where money laundering may occur; and
- Comply with all legal and statutory requirements, especially with regard to the reporting of actual or suspected cases of money laundering.

1. Introduction

- 1.1 The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017, the Proceeds of Crime Act 2002 and the Terrorism Act 2000 (and all relevant amending legislation) place obligations on the Council, including its members and employees, with respect to suspected money laundering.
- 1.2 While most money laundering activity in the UK occurs outside of the public sector, vigilance by Council employees and members can help identify those who are, or may be, perpetrating crimes relating to the financing of terrorism and money laundering.
- 1.3 This policy forms part of the Council's counter fraud framework and sets out:
 - Definitions and legal background in respect of money laundering;
 - The Council's approach to money laundering including the responsibility of members and officers to report suspicions promptly; and
 - Guidance and procedures for members and officers.

2. Scope of the policy

- 2.1 This policy applies to all members and officers of the Council and aims to maintain the high standards of conduct that the public is entitled to expect from the Council.
- 2.2 It is vital that all members and officers are aware of their responsibilities and remain vigilant; criminal sanctions may be imposed for breaches of legislation.
- 2.3 Failure to comply with the procedures set out in this policy will result in action being considered under the Sanctions Policy. This may include disciplinary action in line with the Officer, or Member, Code of Conduct.

3. Definitions and legal background

- 3.1 Money laundering is the process of converting illegally obtained money or assets into 'clean' money or assets with no obvious link to their criminal origin.
- 3.2 There are three primary money laundering offences set out in legislation:
 - Concealing, disguising, converting, transferring, or removing from the UK any criminal property (Section 327 of the Proceeds of Crime Act 2002);
 - Entering into or becoming concerned in an arrangement which you know or suspect facilitates the acquisition, retention, use or control of criminal property by or on behalf of another person (Section 328); and
 - Acquiring, using or possessing criminal property (Section 329).

3.3 There are also two secondary offences:

- Failure to disclose any of the three primary offences; and
- Tipping off (the act of informing a person suspected of money laundering in such a way as to prejudice an investigation).

3.4 Any member or employee of the Council may potentially be implicated in money laundering if they suspect money laundering and either become involved with it in some way and/or do nothing about it. The key requirement is to promptly report any suspected money laundering activity to the Money Laundering Reporting Officer.

4. The Money Laundering Reporting Officer (MLRO)

4.1 The officer nominated to receive disclosures about money laundering activities within the Council is the Auditor Manager (Counter Fraud):

5. Procedures

Cash

5.1 The Council will not accept any cash payment in excess of £5,000 irrespective of whether this is through a single payment or series of linked payments. 'Cash' includes notes, coins, banker's drafts and travellers cheques.

5.2 This does not necessarily mean that cash transactions below this value are legitimate and legal. Professional scepticism is encouraged at all times and any suspicions must be reported to the MLRO or their deputy.

Responsibilities of members and officers

5.3 Any member or officer who suspects money laundering activity must report their suspicion promptly (as soon as practicable) to the MLRO or their deputy if appropriate. If you prefer, you can discuss your suspicions with your line manager first.

5.4 Your disclosure must be made at the earliest opportunity following the information coming to your attention, not weeks or months later, and should be made to the MLRO or deputy using the form attached at the end of this policy.

5.5 You must follow any subsequent directions from the MLRO or deputy. You must not:

- Make any further enquiries into the matter;

- Take any further steps in any related transaction without authorisation from the MLRO or deputy;
- Disclose or otherwise indicate your suspicions to the person suspected of money laundering; or
- Discuss the matter with others or make a note on file that a report to the MLRO or deputy has been made, as this may alert the suspected perpetrator.

Responsibilities of the MLRO

- 5.6 The MLRO or deputy must promptly evaluate any disclosure to determine whether it should be reported to the National Crime Agency (NCA). Any decision not to submit a report to the NCA must be recorded.
- 5.7 If they so determine, the MLRO or deputy must promptly submit an online Suspicious Activity Report (SAR) to the NCA. Alternatively, a SAR may be manually reported to the NCA. Both online and up to date manual reporting forms are available on the NCA's website.
- 5.8 If a disclosure provides the MLRO or deputy with knowledge or reasonable grounds to suspect that a person is engaged in money laundering, and they do not disclose this to the NCA as soon as practicable, the MLRO or deputy will have committed a criminal offence.

Risk based approach, customer due diligence and record retention

- 5.9 Under MLR 2017, the Council is obliged to adopt a risk-based approach towards anti-money laundering regulations and how they approach due diligence.
- 5.10 MLR 2017 stipulate risk mitigation policies must be in writing and be proportionate to the risks identified. They must include internal controls over money-laundering and terrorist financing risks. They must also include revised customer due diligence procedures as well as reporting, record keeping and monitoring requirements.
- 5.11 Regulation 18 of MLR 2017 requires a written risk assessment to identify and assess the risk of money laundering and terrorist financing that the Council faces. This will:
- Assist in developing policies, procedures and controls to mitigate the risk of money laundering and terrorist financing;
 - Help in applying a risk-based approach to detecting and preventing money laundering terrorist financing Inform an assessment of the level of risk associated with particular business relationships and transactions and enable appropriate risk-based decisions about clients and retainers;
 - Inform an assessment of the level of risk associated with particular business relationships and transactions and enable appropriate risk-based decisions about clients and retainers.
- 5.12 In carrying out risk assessments we will take into account information on money-laundering and terrorist financing risks made available by the Law Society and/or SRA, and risk factors relating to:
- Customers;
 - Geographic areas where the Council operates;
 - Products and services;
 - Transactions;
 - Delivery Channels.

- 5.13 Under MLR 2017, there ceases to be "automatic" simplified due diligence requirements for any transactions. Instead, a relevant person needs to consider both customer and geographical risk factors in deciding whether simplified due diligence is appropriate. There are various levels of due diligence as follows:
- Simplified due diligence is only permitted where it is determined that the business relationship or transaction presents a low risk of money laundering or terrorist funding, taking into account the risk assessment;
 - Enhanced due diligence' (Regulation 33) for those with a high-risk status, for example remote transactions where the customer is not physically present to be identified would require additional appropriate documents to be requested;
 - The 'beneficial owner', the individual that ultimately owns or controls the customer or on whose behalf a transaction or activity is being conducted, should be identified;
 - The business relationship should be scrutinised throughout its existence and not just at the beginning.
- 5.14 In all cases, the evidence of the customer identification and record of the relationship / transaction should be retained for at least five years from the end of the business relationship of transaction(s). The records that must be kept are:
- A copy of, or references to, the evidence of the identity obtained under the customer due diligence requirements in the Regulations;
 - The supporting evidence and records in respect of the business relationships and occasional transactions which are the subject of customer due diligence measures or ongoing monitoring;
 - A copy of the identification documents accepted and verification evidence obtained;
 - References to the evidence of identity.
- 5.15 If satisfactory evidence of identity is not obtained at the outset of the matter then the business relationship or one off transaction(s) cannot proceed any further.
- 5.16 The customer identification procedure must be carried out when the Council is carrying out 'relevant business' and:
- Forms a business partnership with a customer;
 - Undertakes a one-off transaction (including a property transaction or payment of a debt) involving payment by or to a customer of £5,000 or more;
 - Undertakes a series of linked one-off transactions involving total payment by or to the customer(s) of £5,000 or more;
 - It is known or suspected that a one-off transaction, or a series of them, involves money laundering;
 - This must be completed before any business is undertaken for that customer in relation to accountancy, procurement, asset management, audit and legal services with a financial or real estate transaction.
- 5.17 In the above circumstances, employees must:
- Identify the person seeking to form the business relationship or conduct the transaction (an individual or company);
 - Verify their identity using reliable, independent sources of information, Identify who benefits from the transaction;

- Monitor transactions to make sure they are consistent with what you understand about that person or country;
- Understand the source of their funds;
- Ensure there is a logical reason why they would want to do business with the Council.

5.18 Transaction and business relationship records should be maintained in a form from which a satisfactory audit trail may be compiled, and which may establish a financial profile of any suspect account or customer.

5.19 The steps that will be followed to continuously mitigate the risks associated with money laundering are:

- Applying customer due diligence measures to verify the identity of customers and any beneficial owners obtaining additional information on customers;
- Conducting ongoing monitoring of the transactions and activity of customers with whom there is a business relationship;

1.3 Sanctions policy

Policy statement

Surrey County Council will ensure that:

- Appropriate sanctions are applied in all proven cases of fraud, theft and corruption;
- Public funds are recovered wherever possible; and
- The sanction decision making process is robust, transparent and fair.

1. Introduction

- 1.3 The Council takes its responsibility to protect public funds seriously and expects its business to be conducted to the highest ethical and legal standards. Where there is evidence of fraud, theft or corruption against the Council, those responsible, whether internal or external to the Council, will be held accountable for their actions using the full range of sanctions available.
- 1.4 This policy forms part of the Council's counter fraud framework and sets out:
- The range of sanctions available; and
 - Guidance on determining the appropriate action to take.
- 1.5 This policy is not prescriptive. A range of factors will require consideration before deciding on the appropriate sanction, including the individual circumstances of each case and the seriousness of the offence.

2. Sanction options

- 2.4 Where there is evidence of fraud, theft or corruption, the following options will be considered:
- No further action
 - Referral to professional bodies
 - Disciplinary action
 - Civil proceedings
 - Criminal prosecution
- 2.5 These options are not mutually exclusive and parallel sanctions may be pursued.

No further action

- 2.6 The Council may consider closing a case without taking any further action. This may be due to the following factors:
- Evidence is not robust or reliable
 - The offence is minor
 - The cost to pursue the case is not proportionate to the offence committed

Referral to professional bodies

- 2.7 Where there is adequate evidence that a person or entity has breached professional duties or responsibilities, the Council will refer the matter to the relevant professional body. This may include the Disclosure and Barring Service if there is evidence of a safeguarding concern.

Disciplinary action

- 2.8 In the event that an allegation is made against a Council employee, the investigating officer will consult with Human Resources and the employee's line manager regarding risk assessments and disciplinary action. Any disciplinary action will be in accordance with the Council's Disciplinary Policy. Sanctions may include warnings or dismissal on the grounds of gross misconduct.
- 2.9 Additional sanction options will be considered alongside any disciplinary action including referral to professional bodies, civil proceedings and criminal prosecution.

Civil proceedings

- 2.10 Where evidence is not sufficient to prove a case beyond reasonable doubt, and therefore successful criminal prosecution is unlikely, the Council may consider civil proceedings for which the standard of proof is on the balance of probability.
- 2.11 Regardless of whether any sanction action is taken, the Council will always seek recovery of overpaid, misused or unfairly gained monies. The following measures may be considered in the pursuit of financial recovery:
- Consultation with the Council's Payroll and Pensions Teams to redress financial loss caused by employees;
 - Application of the Credit Control Team's usual procedures, which includes civil action when necessary;
 - Legal action such as search orders and freezing/tracing injunctions to preserve evidence and assets; and
 - Recovery of money through appropriate legal proceedings.

Criminal prosecution

- 2.12 Where there is sufficient evidence to indicate that a criminal act has taken place, the case may be referred to the police. The decision to refer the issue to enforcement agencies, such as Sussex Police, will be taken by the Section 151 and / or Monitoring Officer as advised by the Chief Internal Auditor.
- 2.13 The police or Crown Prosecution Service will provide a final decision on whether to pursue the case. This decision will consider the following:
- **Evidential criteria** such that the evidence must be:
 - Clear, reliable and admissible in court
 - Strong enough for a realistic chance of prosecution; to prove a case 'beyond reasonable doubt'
 - Whether prosecution is in the **public interest**, taking into account:
 - Seriousness and/or monetary value of the offence
 - Cost and proportionality of the prosecution
 - Age, health and level of culpability of the suspect
 - Circumstances of and harm caused to the victim
 - Other factors such as community impact
- 2.14 Where the Council considers it "expedient for the promotion or protection of the interests" of its residents, Section 222 of the Local Government Act 1972 empowers the Council to:

- Prosecute or defend or appear in legal proceedings and, in the case of civil proceedings, institute them in their own name; and
- In their own name, make representations in the interests of residents at any public inquiry held by or on behalf of a public body under any enactment.

2.15 The Council will only consider undertaking prosecutions through this route under exceptional circumstances and any decision to do so will be taken by the Section 151 Officer and Monitoring Officer as advised by the Chief Internal Auditor.

2.16 Any criminal proceedings will include an attempt to recover money under the Proceeds of Crime Act 2002.

3. Leaving the Council

3.7 During the course of an investigation or disciplinary action, the employee(s) suspected of fraud, theft or corruption may choose to resign from their employment with the Council. In this case, following a review of evidence, the Council may continue to pursue referral to professional bodies, civil proceedings or criminal prosecution.

3.8 The employee's line manager will also consult with Human Resources to determine whether it will be appropriate to provide a reference to future employers.

4. Publicity

4.3 The decision to publicise outcomes will consider the following criteria:

- Interests of Surrey County Council;
- Interests of Surrey residents; and
- Deterrent value to others.

Media and Publicity Protocol

Introduction

1. This protocol will operate along with the Member/Officer Protocol.
2. The provisions of the Local Government Act 1972, the Local Government Act 1986 and the Code of Local Authority Publicity 2001 govern this protocol. All media and communications work done by the Council will comply with these Acts and the code.
3. A key paragraph of the code worth remembering is paragraph 12 which says "Any publicity describing the Council's policies and aims should be as objective as possible, concentrating on facts or explanations or both". This principle will underpin our approach.

Role of the communications function

4. The communications function will continue to develop and promote the Council's reputation across the full range of its activities. It will provide objective professional advice to the whole Council, will remain non-party political and will support and advise both the executive and scrutiny functions. It will:
 - (a) promote corporate initiatives in consultation with the Leader of the Council, the Chief Executive and officers, including media information, briefings, publications, events and other communications;
 - (b) promote agreed Cabinet initiatives in consultation with the Leader of the Council, Cabinet Members, the Chief Executive and chief officers;
 - (c) promote agreed service initiatives as requested by senior managers in consultation with Cabinet Members and the Leader of the Council where appropriate; and
 - (d) promote the role of scrutiny as a key part of the democratic process in consultation with the Chief Executive and chief officers.

Political groups

5. The communications function will provide information on request to the political groups within the protocols and the Constitution of the Council. It will provide professional non-party political advice to Members on request within the existing publicity code.

6. Political groups will be responsible for issuing their own information and party political media releases. This is a legitimate part of the democratic process; however, this should not be done using Council resources.

Council meetings

7. The Communications Service will promote its role in the democratic process by:
 - (a) issuing factual media information before the meetings as appropriate to highlight key issues as agreed by the Leader, the Chairman and Chief Executive to explain and promote the Council's policies and services.
 - (b) issuing media materials as appropriate following the meeting describing the decisions to promote Council policies and services. These will quote the Leader of the Council or the appropriate Cabinet Member as agreed by the Leader, Chairman and the Chief Executive.
 - (c) responding to all media enquiries before and after the meeting, providing an objective, factual explanation of the issues to promote understanding and awareness of the Council and its services in consultation with the Leader, the Chairman and Chief Executive. This will include facilitating interviews and photo opportunities as appropriate.
 - (d) promoting the valuable democratic role of elected Members as appropriate in consultation with the Leader, the Chairman and the Chief Executive.
 - (e) referring all requests for political comment to the relevant group leader.
 - (f) arranging briefings on issues as appropriate in consultation with senior officers and the Leader of the Council or their nominee.

Cabinet

8. The Cabinet is a key focus of the Council and its decision-making process. We will proactively promote the work of the Cabinet as an important public face of the authority by:
 - (a) issuing media information/releases as appropriate with the agenda highlighting important issues and initiatives to explain and promote the Council, its policies and services. Where appropriate these will quote the Leader of the Council or the appropriate Cabinet Member as agreed by the Leader and the Chief Executive.
 - (b) issuing media materials as appropriate in consultation with the Leader or relevant member of the Cabinet and the Chief Executive following the meeting describing the decisions taken to promote Council policies and services. These will quote the Leader of the Council or the appropriate Cabinet Member as agreed by the Leader and the Chief Executive.
 - (c) responding to any media enquiries prior to the meeting by providing a factual explanation of the issue. Where a matter of

- policy is in question, we will consult the appropriate chief officer and Cabinet Member in conjunction with the Leader.
- (d) responding to media enquiries following the meeting by providing a factual explanation of the decision. Where a matter of policy is in question, we will consult with the appropriate chief officer and Cabinet Member in conjunction with the Leader.
 - (e) referring all requests for political comments to the appropriate group leader.

Scrutiny and monitoring

9. The scrutiny processes should be recognised publicly by the Council to help convey the legitimacy of the decision making processes. For that reason, the communications function will support the scrutiny role in the following ways:
- (a) issuing factual media material as appropriate at the request of the chairman and vice-chairman of a scrutiny board and agreed by both, factually describing the outcome of the meeting and reflecting the majority view of the board.
 - (b) responding to any media enquiries prior to the meeting by providing a factual explanation of the issue. Where a matter of policy is in question, we will consult with the appropriate chief officer and Cabinet Member.
 - (c) responding to media enquiries following the meeting by providing a factual explanation of the decision. Where a matter of policy is in question, we will consult with the appropriate chief officer and Cabinet Member.
 - (d) referring all requests for political comments to the appropriate group leader.

General media enquiries

10. (a) media officers will continue to field general media enquiries and provide factual, objective information on the policies and decisions of the Council in consultation with the Leader of the Council, the relevant member of the Cabinet or chief officer.
- (b) any requests for political comments will be referred to the appropriate group spokesperson.

PROTOCOL FOR HANDLING REPORTS FROM SELECT COMMITTEES AND OTHER COMMITTEES TO THE CABINET

Article 6.04 2 (b)(ii) of the Constitution (Cabinet Procedure Rules) states that 'the business at Cabinet meetings will include consideration of reports from select committees and any other committees of the Council, where the subject matter relates to more than one portfolio area or as determined by the Leader' and that 'the Cabinet will always formally respond to reports and recommendations made to it by any committees of the Council.'

Article 6.04 2 (e)(ii) of the Constitution states that 'the business at Cabinet Member meetings will include consideration of reports from select committees and any other committees of the Council where the subject matter relates to the Cabinet Member's portfolio area....' and that 'the Cabinet Member will always formally respond to reports and recommendations made to him/her by any committees of the Council.'

The Cabinet/Cabinet Member, in responding, should:

- (1) Refer to all recommendations individually.
- (2) Include details of the mechanism and timescales for implementation where appropriate.
- (3) If recommendations are not agreed, give reasons for this.
- (4) Ensure that responses to reports and recommendations are made within two months of receipt of the report.

Boards and committees submitting reports and recommendations to the Cabinet or Cabinet Member should:

- (1) Ensure any actions required are specific.
- (2) Identify any resource implications and specify timeframe.
- (3) Monitor progress against any agreed actions to ensure effective implementation.

PROTOCOL FOR SCRUTINY BOARD REVIEW OF CONTRACTS

Purpose

1. The Council's scrutiny boards intend, as part of their published programme of work, to scrutinise the Council's procurement and contract management processes and key Council contracts in order to:-
 - 1.1 Confirm that an effective procurement process is in place and that all procurement is operating in line with that process.
 - 1.2 Confirm that the Council's contracts are being properly monitored and managed in accordance with the Council's contract management procedures.
 - 1.3 Identify at an early stage any concerns about the performance of any contract.
2. The Council's contracts are commercially sensitive. This protocol is designed to ensure that scrutiny boards operate within their remit, as set out in the Council's Constitution, and that the confidentiality of the Council's contracts is not breached.
3. This protocol excludes contracts of employment, which are not available for scrutiny by scrutiny boards.

Remits of the scrutiny boards

4. Within its remit, the Council Overview Board can scrutinise:-
 - 4.1 The procurement process - why a decision was taken to procure externally by means of a contract; the process for letting the contract; competition and best value;
 - 4.2 The contract preparation process - how the contract was set up to achieve the benefits and minimise the risks identified by the Cabinet in its original decision; that robust performance indicators have been included in the contract appropriate to the identified benefits and risks.
 - 4.3 The contract management process - that an effective process for monitoring and managing the contract is in place and being followed; that steps have been taken to ensure that all staff managing contracts are properly trained and equipped.
 - 4.4 The performance of individual contracts within the Board's remit - how the contracts are performing against their agreed performance indicators.

5. Service-focused scrutiny boards can scrutinise
 - 5.1 The procurement process, contract preparation process and contract management process as set out in 4.1 –4.3 above in relation to those contracts that fall within the remit of that scrutiny board.
 - 5.2 The performance of individual contracts within the remit of that scrutiny board: how the contracts are performing against their agreed performance indicators; whether the contracts are meeting the needs of Surrey citizens and communities.

Access to contract documents

6. Scrutiny Board members are entitled to copies of any document “which is in possession or control of the Cabinet and which contains material relating to any business transacted at a public or private meeting of the Cabinet”, provided that:-
 - 6.1 It is not in draft form and
 - 6.2 It is relevant to an action or decision that it is scrutinising or intending to scrutinise as part of its agreed work programme.
7. A scrutiny board must agree a programme of work that demonstrably scrutinises decisions made by the Council or by the Cabinet/Cabinet Members and actions taken in connection with those decisions. Contractual documentation is only relevant as evidence of those decisions and actions. The relevant Scrutiny Officer will notify the Head of Legal, Democratic and Cultural Services and Head of Procurement in advance of any item of scrutiny on the board’s forward programme that is likely to require access to a contract.
8. The scrutiny board, or a task group or Member authorised by the scrutiny board, may have a photocopy of a contract provided that:-
 - 8.1 It is relevant to a decision/action being scrutinised by the scrutiny board and
 - 8.2 The Member(s) follows the procedure set out in paragraph 11 below.

Maintaining confidentiality

9. Paragraph 6 of the Members’ Code of Conduct specifies:-

“You will on occasions be privy to confidential and sensitive information, such as personal information about someone, or commercially sensitive information which, if disclosed, might harm the commercial interests of the Council or another person or organisation. This information must not be revealed without proper authority”.
10. Under Standing Order 61 and 62, any scrutiny board member with a disclosable pecuniary interest in a contract/party to a contract or has received a gift or

hospitality from a contractor/party to a contractor being scrutinised by that scrutiny board must disclose that interest and not participate in any scrutiny of the contract.

11. Any contract documentation made available to a member of the scrutiny board must not be copied, handed to or discussed with any third party, except another member of that scrutiny board or designated officers involved in the scrutiny process. A failure to conform with this will constitute a breach of confidentiality and therefore of the Code of Conduct.
12. Any Member receiving a copy of any contract will be required to confirm by signature their understanding of and agreement to maintaining the confidentiality of the document.

Status of task groups and individual scrutiny board members

13. A scrutiny board may appoint a task group or ask an individual scrutiny board Member to undertake a specified task of scrutiny and analysis on behalf of the committee. Any task group or individual must keep to the task that they have been given and report back their findings to the agreed meeting of the full scrutiny board in order that it can agree its course of action and/or formulate its recommendations to the Cabinet/Cabinet Member. Scrutiny boards should not appoint task groups or individuals to carry out a roving commission.
14. The Council's main contracts are extremely complex. A suggested list of questions for scrutiny board members to apply in order to effectively scrutinise a contract is attached at **Annex A**.

POLITICALLY RESTRICTED POSTS AND EXEMPTIONS FROM POLITICAL RESTRICTION

Explanatory Note:

This protocol explains how the rules restricting the political activities of certain local government employees apply in the Surrey County Council (SCC) context and sets out procedures for applying to the Chief Executive for a post to be exempt from or included in the list of politically restricted posts.

1 The Effect of Political Restriction

The main provisions regarding politically restricted posts are set out in Part 1 of the Local Government and Housing Act 1989 (as amended). The law aims to ensure the political impartiality of local government staff who hold posts involving duties of a politically sensitive nature.

The effect of including a post on the list of politically restricted posts is to prevent the post holder from having any active political role either in or outside the workplace, in particular:

- Standing as a candidate for publicly elected office, unless the employee resigns prior to announcing his or her candidature.
- Acting as an election agent or sub agent for any candidate for election.
- Holding office in a political party.
- Canvassing at any elections.
- Speaking or writing publicly (other than in an official capacity) with the intention of affecting public support for a political party (the only exception to this is that displaying a poster or other documents at the post holder's home or in their car is allowed).

Employees within politically restricted posts are permitted to join political parties but must have no active participation within the party.

2 Categories of Politically Restricted Posts

- 2.1 Politically restricted posts fall into four categories of local government officer as follows:
- 1 Posts individually identified in the legislation, either by name or by their relationship to other senior officers.
 - 2 Posts where the duties of the post include giving advice on a regular basis to the authority themselves, to the executive, to any committee/board or sub-committee of the Council or any joint committee on which the Council is represented and/or speaking on behalf of the Council on a regular basis to journalists or broadcasters.
 - 3 Posts to which duties have been delegated under the Scheme of Delegation to Officers.
 - 4 Political Assistants.

Secretarial, clerical or support staff, even if they report to the Chief Executive or directors will not fall into category 1 for the purposes of political restriction. They may however be deemed to be in politically restricted posts under 2 above.

Politically Restricted Posts at Surrey County Council

- 2.2 Posts set out in the Table 1 are politically restricted without rights of exemption

Table 1

Description of post in the Local Government and Housing Act 1989	Council's Designated Post
The Head of the Authority's Paid Service	Chief Executive
Statutory Chief Officers	Strategic Director Children, Schools and Families Strategic Director, Adult Social Care and Public Health Director of Finance Head of Fire and Rescue
Non Statutory Chief Officers	Strategic Director Environment and Infrastructure Strategic Director Customers and Communities Deputy Chief Executive
Deputy Chief Officers	Assistant Directors Heads of Service Any other employee who reports directly to or is directly accountable to any of the posts listed in the above three categories
The Monitoring Officer	Director of Legal, Democratic and Cultural Services
Political Assistants	Political Assistant to Conservative Group Political Assistant to the Surrey Opposition Forum Political Assistant to the Residents' Association/Independent Group
Posts with functions delegated to them under the Scheme of Delegation to Officers	Posts with functions delegated to them under the Scheme of Delegation to Officers set out in Part 3 Section 3 of the Constitution

2.3 Posts set out in Table 2 must be recorded on the list of politically restricted posts and post holders may apply for exemption from political restriction if they can demonstrate that the criteria set out in the Table do not apply to their posts:

Table 2

Description of posts in the Local Government and Housing Act 1989 (as amended)	Council's Designated Posts
Posts whose duties include giving advice on a regular basis to the authority themselves, to the executive to any committee of that executive, or to any member of that executive who is also a member of the authority, to any committee or sub-committee of the authority or any joint committee on which the authority is represented and/or speaking on behalf of the authority on a regular basis to journalists or broadcasters	Posts whose duties include giving advice on a regular basis to the Council, to Cabinet, to the Leader or any portfolio holder, to any committee/board or sub-committee of the Council, to any local committee or any joint committee on which the Council is represented (such as Health Scrutiny when it meets jointly with other authorities) and/or speaking on behalf of the Council on a regular basis to journalists or broadcasters.

3 The Role of the Chief Executive (Head of Paid Service)

The Chief Executive, as the Head of Paid Service, has statutory responsibility for the grant and supervision of exemptions from political restriction and will consider applications from members of staff for exemption from political restriction in respect of a post he or she holds with the Council and consider applications for a direction that the Council include any post in the list of politically restricted posts maintained by it.

4 Guidance for Human Resources

- 4.1 The Council is required to maintain a list of its posts falling within 2.3 above. The Head of Human Resources and Organisational Development is the Council's "Proper Officer" designated to maintain this list who will update and publish this.
- 4.2 Where the Chief Executive issues a direction regarding a post, the Head of Human Resources and Organisational Development will amend the list accordingly.
- 4.3 Where new appointments are made to posts included in any of the categories of posts referred to in section 2 above, the Council's letter of appointment must refer to the fact that the post is politically restricted.

5 Guidance for Employees

5.1 What political restrictions apply to officers?

The appointment or conditions of employment of every person holding a politically restricted post under a local authority are deemed to incorporate requirements to restrict his or her political activities. These restrictions are set out in the Local Government Officers (Political Restrictions) Regulations (SI 1990/851).

If you hold a politically restricted post with the Council:

- If you intend to stand for election as a Member of the House of Commons, the European Parliament, the Scottish Parliament, Welsh Assembly or any local authority (excluding parish/town councils) you must, by notice in writing, addressed to your manager and the Chief Executive, resign with immediate effect prior to announcing your candidature. It is left to the discretion of the Chief Executive whether or not to reinstate an employee who resigns his/her post and consequently loses an election.
- You cannot act as an agent or election agent for a candidate standing for election to any of the bodies mentioned above.
- You cannot be an officer in a political party or canvass on behalf of a political party or for a candidate standing for election to any of the bodies mentioned above.

5.2 Who can apply for an exemption from political restriction?

- 5.2.1 Any Council employee and in some circumstances any successful candidate for a post at Surrey County Council whose post has been identified as falling within the categories set out in section 2.3 above is eligible to apply to the Chief Executive for the post to be removed from the list of politically restricted posts if he/she considers that the criteria have not been correctly applied. Those posts within the categories set out in 2.2. are not eligible for exemption from political restriction.

5.2.2 It is in the interests of anyone applying to the Chief Executive for exemption from political restriction to ensure that they submit their application at least two months before they intend to stand for election.

5.2.3 The Local Government and Housing Act 1989 (as amended) requires an application for exemption to be made by the post holder in respect of a particular post. An original exemption cannot therefore be transferred to another local authority or to another post.

5.3 How to apply for an exemption

5.3.1 Post holders applying for an exemption in relation to their post may apply on the grounds that the criteria referred to in Section 2(3) Local Government and Housing Act 1989 do not apply to their post.

5.3.2 If you want to apply for a political exemption you should write to the Director of Human Resources stating the title of your post, the basis upon which the post is currently deemed to be politically restricted and the reason why you do not consider that the relevant criteria apply. You must include the current job profile for the post approved by your line manager.

5.3.3 The Director of Human Resources or her nominee will confirm whether the post should be politically restricted and the reasons for this.

5.3.4 Your application will be presented to the Chief Executive for a decision on whether the post should be exempted from political restriction.

5.3.5 If the Chief Executive determines that the duties of the post do not fall within the remit of Section 2(3) of the Local Government and Housing Act 1989, the Chief Executive will direct that for so long as the direction has effect, the post will not be regarded as politically restricted and should be removed from the list of politically restricted posts maintained by the Council. The Director of Human Resources will remove the post from the relevant politically restricted list and keep the post under review.

6 Consideration of Applications by the Chief Executive

6.1 Procedure to be followed

6.1.1 The Chief Executive, in consultation with the Monitoring Officer, will consider any applications for exemption from or inclusion of posts on the list of politically restricted posts maintained by the Council.

6.1.2 Any employee or future employee whose post is included in the list of politically restricted posts may make an application to the Chief Executive for a direction that his or her post should be removed from the list of politically restricted posts if they consider that the criteria set out in Section 2(3) Local Government and Housing Act 1989 do not apply to their post. The Chief Executive will however only consider applications for exemption from future joiners if they have received formal job offers from the Council. The Chief Executive will not consider applications from people who are only considering applying for a Council post but have not received a job offer.

6.1.3 In addition to the application from the post holder, the Chief Executive will require a copy of the post holder's job description, approved by their line manager (or in the case of a future joiner a copy of the job description provided by the recruitment team). The Director of Human Resources will also produce a report clarifying why the post has been designated as a politically restricted post and the basis on which the relevant criteria apply.

- 6.1.4 The Chief Executive will consider applications based on the written representations in the first instance. However, if it is considered necessary by the Chief Executive, he may invite the applicant to attend a meeting to consider the application at which the applicant may be accompanied by an accredited trade union representative or work colleague. In this instance, the Director of Human Resources or her nominee would also be invited to attend to present her views.
- 6.1.5 Once the application has been considered, the Chief Executive will notify the Director of Human Resources and the post holder of his decision.
- 6.1.6 In cases where any person is seeking a direction from the Chief Executive as to whether a particular post should be added to the list of politically restricted posts, the application should be made to the Director of Human Resources who will refer the case to the Chief Executive. He will deal with such an application in a similar way to that set out above in relation to exemptions, considering written representations in the first instance or, if necessary, hearing from both the applicant and the Director of Human Resources before making a decision.
- 6.1.7 The Director of Human Resources will implement any direction for inclusion of a post in or exclusion of a post from the list of politically restricted posts.
- 6.1.8 The decision of the Chief Executive is final; there is no right of appeal.

6.2 Criteria for determining applications

- 6.2.1 Those posts to be included on the list of politically restricted posts are described in Section 2(3) of the Local Government and Housing Act 1989 as follows:

“The duties of a post under a local authority fall within this subsection if they consist in or involve one or both of the following, that is to say –

- a. Giving advice on a regular basis to the authority themselves, to any committee or sub committee of the authority or to any joint committee on which the authority are represented, or where the authority are operating executive arrangements to the executive of the authority, to any committee of that executive, or to any member of that executive who is also a member of the authority;*
- b. Speaking on behalf of the authority on a regular basis to journalists or broadcasters.”*

- 6.2.2 Adjudication of matters arising as a result of differing interpretations of Section 2(3) is for the Chief Executive. However the Chief Executive must reach a reasonable decision and give reasons for that decision. The Chief Executive may wish to seek evidence by way of job description, and any representations it receives from or on behalf of the applicant and the Council, bearing in mind the following points:

- *Giving advice to the Council, its Cabinet and Committees:* Guidance from the Independent Adjudicator has established that advice must be to the Council and/or its decision makers and committees. Advice to individual backbench members does not fall within this definition.
- *“On a regular basis”* – Something more than an occasional attendance to present a formal report to a committee is needed to establish that advice is needed on a regular basis.
- Overview and scrutiny committees are *committees of the authority* and therefore giving advice on a regular basis to overview and scrutiny committees and sub-committees comes within the scope of Section 2(3) (a) of the 1989 Act.

Granting Dispensations: Processes

Introduction

Under the Localism Act 2011, the County Council has delegated to the Audit and Governance Committee the power to grant dispensations for Members allowing them to speak and vote at a meeting when they have a disclosable pecuniary interest. This note outlines the process via which a dispensation may be granted.

Making a Request for a Dispensation

- The Member who wishes to be granted a dispensation must submit an application in writing to the Monitoring Officer.
- The Monitoring Officer will arrange for the dispensation to be considered in public by the Audit and Governance Committee.

Process to Determine the Granting of Dispensations

- Following receipt of a request for dispensation, an item will be added to the next meeting of the Audit and Governance Committee or, with the agreement of the chairman, an additional meeting of the committee will be convened to consider the request for dispensation.
- The Committee will consider the application of legal criteria and locally agreed criteria to the request for dispensation.
- The Member making the request for dispensation has the option of making an oral representation to the Committee.
- The Committee has the discretion to decide the nature of any dispensation or to refuse to grant a dispensation.
- Following the meeting, a decision notice will be issued to the Member requesting the dispensation, the Chairman of the relevant Committee, and a copy will be kept with the authority's Register of Interests and published online.

Legal Criteria

Dispensations may be granted:

- for speaking only, or for speaking and voting.
- for one meeting or on an ongoing basis up to a maximum of four years.

The Audit and Governance Committee may grant a dispensation to a Member or co-opted Member of an authority if it considers that:

- without the dispensation so great a proportion of the council or authority would be prohibited from participating in that business as to impede the council's or authority's transaction of that business;

- without the dispensation the representation of different political groups dealing with that business would be so upset as to alter the likely outcome of any vote;
- the granting of the dispensation is in the interests of people living in the council's or authority's area;
- without the dispensation each member of the council's Cabinet would be prohibited from participating in the business, or
- it is otherwise appropriate to grant a dispensation.

It should be noted that a dispensation will not be given to allow a Cabinet Member with a disclosable pecuniary interest in an item of executive business to take an executive decision about it on their own.

Locally Agreed Criteria

Under the Localism Act, the Audit and Governance Committee can also grant a dispensation if they consider it appropriate for other reasons.

The Audit and Governance Committee will consider any reason put forward by a member as part of their application on a case-by-case basis and may grant a dispensation to a Member or co-opted Member of an authority if it considers that:

- the nature of the Member's interest is such that allowing them to participate would not damage public confidence in the conduct of the authority's business;
- the interest is common to the Member and a significant proportion of the general public; or
- the participation of the Member in the business that the interest relates to is justified by the Member's particular role or expertise.

THE SURREY CODE OF BEST PRACTICE IN PLANNING PROCEDURES

1 INTRODUCTION

- 1.1 The third report of the Committee on Standards in Public Life (the Nolan Committee) recommended that all planning committees should consider whether their procedures were in accordance with best practice, and adapt their procedures if necessary, setting them out in a code accessible to members, staff and the public.
- 1.2 One of the key purposes of the planning system is to balance the applicant's interests in the development and use of land against the wider public interest.
- 1.3 Although much of this Code applies only to Members (including substitute Members) of the Planning and Regulatory Committee, some aspects affect any Member who becomes involved with a planning matter. This Code of Best Practice aims to provide clear guidance to Members about how they should carry out their duties in relation to planning and development proposals.
- 1.4 This Code should be considered in conjunction with the Members' Code of Conduct, the Member/Officer Protocol and the Media and Publicity Protocol.

2 ROLE OF MEMBERS

Committee members

- 2.1 Members of the Planning and Regulatory Committee act in a semi-judicial capacity making decisions on planning and development proposals.
- 2.2 It is recognised that voting members of the Planning and Regulatory Committee have an overriding duty to the whole community, and not just the people living or working in their division, when considering proposals brought to the committee. Whilst Members should bring to planning decisions a sense of the community's needs and interests, they have the difficult task of combining their duty to represent the interests of the community with an obligation to remain within the constraints of planning law. They must only take account of relevant matters, i.e. sound land use planning considerations, not political or council priorities, and must have regard to the development plan and government policy. Local feelings may run high but these must be weighed carefully against all material considerations. The officer's report will deal specifically with these matters in order to inform the committee's considerations and so that Members can arrive at an informed decision.
- 2.3 Members of the Committee are required to observe the Members' Code of Conduct as set out in this Constitution.

Local Members on the Committee

- 2.4 It is recognised that a local Member can give support to a body of opinion whilst not advocating for a particular outcome. If a member of the committee felt they

wished to support a particular outcome on a local matter coming to the committee for consideration, the Member could speak as the local Member as long as they declare their intention at the meeting, move to act as the local Member, do not participate in the debate, and do not vote on the application.

- 2.5 Members of the committee who wish to act as the local Member on a particular application must inform the Chairman of the committee and Committee Manager of their wish to speak as such following the agenda publication and prior to the committee meeting. They will then be entitled to speak as a local Member rather than a member of the committee.
- 2.6 If there were several items for consideration at the meeting where the committee member wished to act as the local Member, it would be better for the Member to appoint a substitute and attend the meeting as the local Member only.
- 2.7 If a Committee member wished to participate in the consideration and voting on a particular issue at the committee, they should avoid being associated with or leading a campaign or organising support for or against the planning application.

Local Members not on the Committee

- 2.8 Members who are not members of the Planning & Regulatory Committee may wish to address the committee on a matter within their division. In this circumstance, they will inform the Chairman and Committee Manager of their wish to speak prior to the meeting. The order of speakers, which includes representations from a Local Member, is found at Point 7 of this document. The Chairman may terminate a speech by a Member if s/he considers that it is not contributing to the effective working of the meeting.

Twin-Hatted Members

- 2.9 Members of the Planning & Regulatory Committee who sit on borough, district or parish councils need to ensure that, when they consider planning applications on which they have been consulted in their capacity as a councillor of another Council, that they come to the matter with an open mind
- 2.10 Where an application has been discussed at a meeting at another Council at which the Member was present they should declare this before proceeding to consider the matter at County level on the basis of the reports and information presented to the committee.

Planning applications by Council Members

- 2.11 When the committee considers a planning application submitted by a Council Member, the Member who submitted the application will be entitled to speak to officers prior to the committee as an applicant but not as a Council Member. The Council's Monitoring Officer will be informed of all applications by Members and officers.
- 2.12 When the committee considers a planning application submitted by a committee member, the Member must withdraw from the committee, speak on the application when the applicant is provided the opportunity to address the meeting, and then withdraw from the room for the consideration and voting on the application.

- 2.13 If a Member has acted in a professional capacity for any individual, company or other body pursuing a planning matter then that Member must declare any disclosable pecuniary interest and act in line with the Members' Code of Conduct. If the Member is a member of the committee, they should withdraw from the committee for this item.

3 DECLARATION AND REGISTRATION OF INTERESTS

Members will make oral declarations at the Planning and Regulatory Committee of significant contact with applicants and objectors, in addition to the usual disclosure of pecuniary interests, especially in relation to involvement with any County Council proposals resulting in a Regulation 3 planning application to be determined by the Planning and Regulatory Committee.

- 3.1 The law and guidance on the declaration of disclosable pecuniary interests as set out in the Members' Code of Conduct and the Council's Standing Orders, must be observed and upheld by all Members and officers. At committee meetings Members will make oral declaration of significant contact with applicants or objectors.
- 3.2 Members who have substantial property interests or involvement with the property market or other interests which would prevent them from voting on a regular basis will avoid serving on the Planning and Regulatory Committee.
- 3.3 Members should bear in mind the potential for their interests to affect the decisions they may take on such matters, even if such interests do not amount to disclosable pecuniary interests. If a member's interest in a matter would lead them to predetermine a decision, it would not be appropriate for that member to participate in the decision, even if they are not subject to any specific statutory prohibition relating to disclosable pecuniary interests. If they were to do so, they would be at risk of breaching the code of conduct and making the authority's decision vulnerable to challenge.

4 TRAINING

Before sitting on the Planning and Regulatory Committee new Members must undertake a period of training in planning law and procedures.

- 4.1 No Member can act as a member of the Planning and Regulatory Committee without having previously attended training by the Council's lawyers and planning officers on the legal and practical aspects of the operation of the Town and Country Planning system such training will also be required for both ex-officio Members and named substitutes.
- 4.2 Additional training on specific/specialist topics and matters may be provided which are relevant to planning applications coming forward for determination at committee.
- 4.3 Members are encouraged to attend training sessions relating to planning or related legal matters, these sessions are open to all Members.
- 4.4 The County Council will from time to time consider and review the form of training that is most appropriate. Officers, in consultation with the Chairman, will welcome

suggestions from Members on any other subjects which they would like to see covered and any other training procedures that they would wish to adopt.

- 4.5 Refresher training will be provided as and when officers, in consultation with the Chairman, deem necessary.
- 4.6 There will be an annual training session for the committee involving visits to a sample of implemented permissions to assess the quality of the decisions in order to help improve the quality and consistency of decision making, strengthen public confidence in the planning system and to help with reviews of planning policy.

5 SITE VISITS

- 5.1 Site visits will be arranged to familiarise members with land or buildings which are the subject of a planning application and the surrounding area where there is a clearly identified benefit to be gained because a proposal is contentious or particularly complex and/or the impact might be difficult to assess or visualise from the submitted information or plans.
- 5.2 Dates for site visits prior to each meeting date will be set in advance as part of the committee schedule.
- 5.3 A record will be kept by the Committee Manager of such visits and those attending. There is no debate on the merits of the application at a site visit. No minutes or record of the discussion is made.
- 5.4 The need for a site visit will be determined by the Planning Group Manager or the Planning Development Manager in consultation with the Chairman of the committee in advance of the application being considered by the committee. Any member of the committee who considers that a site visit would be useful in respect of a particular application should contact the Committee Manager in advance of the committee meeting
- 5.5 All members of the committee are invited to attend site visits, together with the local Member(s). Where a proposal could have a significant impact on an adjoining electoral division or divisions the adjoining local Member(s) will also be invited. Members of the committee are strongly encouraged to attend site visits.
- 5.6 All Members attending site visits should be accompanied by an officer. If access to private land is necessary the case officer will secure the prior agreement of the land owner/operator/applicant who will be advised against lobbying and asked to provide only factual answers or information to Members.
- 5.7 Any persons present at a site visit who are neither Members nor officers of the Council may observe but not participate in the site visit.
- 5.8 Site visits are not part of the formal consideration of the planning application therefore public rights of attendance and speaking do not apply.
- 5.9 As noted above, the site visit is arranged first and foremost for the Members of the Committee to see the site in its context. It is not an opportunity to lobby the committee by any parties – applicants, objectors, local or adjoining members. Discussion on an application should only take place in the meeting where it is determined. Members will not debate or comment on the planning merits or

otherwise of a proposal. For the avoidance of doubt, the respective roles of the parties are as follows:

- 5.10 Chairman/Vice-Chairman – to ensure that this protocol is adhered to and to ensure that the site visit is conducted in an orderly fashion.
- 5.11 Officers – to lead the site visit and to introduce the site and the proposal and to bring any relevant planning matters to the attention of the Committee.
- 5.12 Members of the Committee – to follow the instructions of the Officers and only seek factual clarification from the applicant. They should avoid being lobbied on site by any parties and should avoid indicating to any parties how they are likely to vote when the matter is considered by Committee. Members of the Committee should not break into smaller groups with applicants, objectors or local or adjoining members without an officer to ensure that all members receive the same information and there is no actual or perception of being lobbied.
- 5.13 Landowner/Operator/Applicants and their Consultants – attend purely to facilitate the site visit, explain their proposals and to answer factual/clarifying questions. Shall not engage in lobbying of committee members.
- 5.14 Objectors – have no right to attend site visits and can only observe from publicly accessible land.
- 5.15 Local and Adjoining Members – will be given a short opportunity to explain the main issues for the local community at the start of the site visit following the Officers' introduction, shall only direct questions via the officers and shall not lobby the Committee on site, either collectively or individually.
- 5.16 The expectation is that site visits will be conducted on this basis. The Chairman/Vice-Chairman in conjunction with the attending Officers may decide to end a site visit if not.

6 LOBBYING OF AND BY COUNCILLORS

Members and officers should avoid indicating the likely decision on an application or otherwise committing the Authority during contact with applicants and objectors.

- 6.1 Members of the Planning and Regulatory Committee keep an open mind when considering planning applications in accordance with the relevant planning considerations. Members must not favour any person, company, group or locality. However Members who have previously done something that directly or indirectly indicated what view they took, would or might take in relation to a matter and the matter was relevant to the decision but who come to the Committee prepared to hear all relevant considerations will not be perceived to have a closed mind when voting on the application
- 6.2 Members involved in decision making on planning applications should not, whether orally or in writing, organise support or opposition to a proposal, lobby other Members, act as advocate or put pressure on officers for a particular recommendation. However, Members not on the Committee can make written representations on an application

Attendance at public meetings

- 6.3 When Members attend public meetings, they may request that an officer attends with them. Wherever possible such meetings should ensure that representatives of both proposers and objectors are allowed to present their views. Members will be subject to lobbying on specific applications and in such cases it is essential that care is taken to protect the public perception of the independence of the planning process.

Committee Pre-Meetings

- 6.4 All committee pre-meetings will be held when necessary as agreed by the Chairman and the Planning Group Manager or Planning Development Manager to give the committee the opportunity to seek clarification and ask any factual or technical questions in advance of the committee. The merits of any particular application will not be discussed at these meetings and a record of the discussion will be kept by the Committee Manager.

7 COMMITTEE MEETING PROCEDURE

- 7.1 The following procedure will apply in respect of each item when any of the persons identified are eligible to speak at the meeting:

- Chairman introduces the item
- Introduction of item by officer(s)
- Representations by objector(s)
- Chairman invites points of clarification of objector(s) from Members
- Representations by supporter(s)
- Chairman invites points of clarification of supporter(s) from Members
- Representations by applicant or agent
- Chairman invites points of clarification of applicant or agent from Members
- Representation by local Member(s)
- Chairman invites points of clarification of local Member(s) from Members of committee
- Chairman invites officers to respond to matters raised
- Consideration of application by committee and decision

8 OFFICER REPORTS TO COMMITTEE

All applications considered by a Planning Committee should be the subject of full written reports from officers incorporating firm recommendations.

- 8.1 All applications considered by the Committee will be the subject of a full written report by officers incorporating firm recommendations. These reports will deal with national and local plan policies and guidance and comments made by statutory and non-statutory consultees, local residents and other interested parties. An update sheet will be provided at Committee if there have been any significant developments or changes to the report and to update the position on consultee comments and representations received since the agenda was published.
- 8.2 Officers involved in the processing and determination of planning matters must act in accordance with any appropriate officer and professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a

result, planning officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with corporate and member aspirations and priorities.

- 8.3 Proposals for the County Council's own development with 5 or more objections must by law be determined by the Planning and Regulatory Committee and will be treated in the same way as any application submitted by a private developer. Decisions will be made strictly on planning merits.
- 8.4 In any case where the Planning and Regulatory Committee is minded to refuse a planning application for County Council development, it will refer the application back to the applicant with the grounds for refusal which would apply were it to determine the application. This will provide the applicant an opportunity for the applicant to reconsider the application in discussion with the Planning Group or Planning Development Manager before deciding whether or not to resubmit the original application or to amend it in some way.
- 8.5 Where the committee decides to approve or refuse an application when the officer's recommendation has been to permit the application, the Committee must provide detailed reasons for its refusal.
- 8.6 If, having read the committee report, a member of the committee is minded to vote against the officer recommendation they may find it helpful to liaise with the Planning Development Manager, Planning Development Team Leader or the relevant Case Officer with regards to wording of possible reasons for refusal that could be put forward to the committee if they are still so minded following the discussion at the committee. There is nothing to prevent a Member from seeking advice from officers before a committee meeting. In this instance, the committee member should declare that s/he had discussed possible reasons for refusal prior to the meeting but that s/he would consider all the information presented at the meeting before deciding what course of action to take.

9 LEGAL REPRESENTATION AT COMMITTEE

- 9.1 An officer from the Council's Legal and Democratic Services will attend meetings of the Committee to advise Members on legal and procedural matters.

10 DETERMINATION OF APPLICATION

The reasons given by a Planning Committee for refusing or granting an application should be fully minuted.

- 10.1 Section 38 of the Planning and Compulsory Purchase Act 2004 requires all planning applications to be determined in accordance with the development plan, if material to the application, and all other material considerations.
- 10.2 The County Council recognises that planning decisions are often matters of fine judgement. The officer's report will normally rely heavily on planning policy and Members may exercise their discretion to permit an application as an exception to policy or disagree with the recommendation.
- 10.3 Where the committee wishes to make a decision contrary to the officer's recommendations (whether for approval or refusal) a member will move a motion which will be seconded and a vote taken. If the motion is carried the committee will agree the reasons for refusal (or any conditions if approved) after taking advice

from officers on the correct policy references. If this cannot be completed during the debate, the committee may then adjourn or proceed with the agenda whilst the Planning Group Manager or Planning Development Manager consider the formal wording of the decision to go against officer recommendation. This wording will then be presented to the committee when the meeting reconvenes to approve or amend the wording.

- 10.4 If a decision cannot be reached on the wording of reasons at the meeting, the committee may delegate this action to the Planning Group Manager or Planning Development Manager in consultation with the Chairman of the committee, the proposer and the seconder of the approval or refusal of the proposals.
- 10.5 There will be full and accurate minuting of resolutions with a careful record being kept of the debate when a resolution is proposed which is contrary to an officer recommendation. In such cases the Chairman will summarise, or cause to be summarised, the salient points of the debate, and ensure the text of the proposition is clearly understood before putting the matter to the vote. The officers will support the decision of the committee.
- 10.6 A Member shall decline to vote in relation to any planning application unless he or she has been present in the meeting of the committee throughout the consideration of that particular item.

THE SURREY CODE OF BEST PRACTICE IN RIGHTS OF WAY PROCEDURES

1 INTRODUCTION

- 1.1 The Surrey Code of Best Practice has been produced so that there is clarification regarding the procedures in rights of way when they go to Local Committees for decisions.
- 1.2 This Code should be considered in conjunction with the Members' Code of Conduct, the Member/Officer Protocol and the Media & Publicity Protocol.
- 1.3 Local Committees have four roles. They:
 - decide on local services and budgets delegated to them by the Cabinet
 - decide on local services and functions handed down to them within a framework of agreed performance standards and budgets
 - monitor the quality of services locally
 - engage local people in issues of concern, and influence the County Council and its Cabinet on county-wide plans and services in the light of local needs.
- 1.4 One of those areas of responsibility is rights of way issues. Those issues include but are not limited to rights of way diversions, definitive map modification orders, and traffic regulation orders.
- 1.5 To have your say on Rights of Way items please visit the Local Committees pages where guidance is available for speaking at Local Committee on those issues. The Rights of Way public notices page also advertises legal orders, which keep members of the public informed about current orders.

2 SUMMARY

- 2.1 The Surrey Code of Best Practice in Rights of Way Procedures is to clarify what Members can expect from Officers, and the public from Members, for all committee decisions relating to public rights of way in Surrey.
- 2.2 All rights of way decisions considered by a Local Committee (or other decision-making committee) will be the subject of full, written reports from officers incorporating firm recommendations. The reasons given by the committee for refusing or granting a recommendation should be fully minuted, especially where these are contrary to officer advice and/or Surrey County Council or other policies.

- 2.3 Members taking part in the consideration of items relating to rights of way issues are encouraged to undertake a period of training in rights of way procedures as specified by the Authority.
- 2.4 Members and officers should avoid indicating the likely decision on a procedure or otherwise committing the Authority during contact with applicants and objectors.
- 2.5 The law and guidance on the declaration of disclosable pecuniary interests as set out in the Member's Code of Conduct and the Council's Standing Orders, must be observed and upheld by all Members and officers.

3 The Code

- 3.1 The Surrey Code of Best Practice in rights of way procedures is to clarify what Members can expect from Officers and the public from Members for all decisions relating to public rights of way in Surrey.

4 Training

- 4.1 Members are encouraged to undertake a period of training in rights of way procedures before taking part in the formal consideration (and voting) of items relating to rights of way issues.
- 4.2 The County Council will from time to time consider and review the form of training that is most appropriate. Such training will also be required for both ex-officio Members and substitutes. A register of those who have attended training will be kept.
- 4.3 In the first instance there will be a series of short seminars by Countryside Access Officers on the legal and practical aspects of the operation of the relevant legislation and procedures surrounding rights of way matters.
- 4.4 This training will be open to all Members and brief handouts will be provided where appropriate. The Council will welcome suggestions from Members on any other subjects that they would like to see covered and any other training procedures that they would wish to adopt.

5 Lobbying of and by Councillors

Members and officers should avoid indicating the likely decision on an application or otherwise committing the Authority during contact with applicants and objectors.

- 5.1 Members should keep an open mind when considering rights of way items in accordance with the relevant considerations. Members must not favour any person, company, group or locality. However Members who have previously done something that directly or indirectly indicated what view they took, would or might take in relation to a matter and the matter was relevant to the decision but who come to the committee prepared to hear all relevant considerations, will not be perceived to have a closed mind when voting on the item.

- 5.2 Members involved in decision making on rights of way items should not, whether orally or in writing, organise support or opposition to a proposal, lobby other Members, act as advocate or put pressure on officers for a particular recommendation. However, Members not on the Committee can make written representations on an item.

6 Attendance at public meetings

- 6.1 Where possible Members who attend public meetings, should inform an Officer so they can attend and take notes. Wherever possible, such meetings should ensure that representatives of both proposers and objectors are allowed to present their views.
- 6.2 It is recognised that Members will be subject to lobbying on specific rights of way matters. In such cases it is essential that care is taken to maintain the Council's and Members' integrity and to protect the public perception of the processes involved with rights of way matters.
- 6.3 Whilst Members should bring to rights of way decisions a sense of the community's needs and interests, they have the difficult task of marrying their duty to represent the interests of the community with an obligation to remain within the constraints of national legislation. They must only take account of relevant matters laid by the relevant Act under which the right of way issue is being considered. Local feelings may run high but these must be weighed carefully against all material considerations. The officer's report will deal specifically with these matters so that Members can arrive at an informed decision.

7 Site Visits

- 7.1 The purpose of a site visit conducted by Members and officers is to gain information relating to the rights of way decision and which would not be apparent from the officer's report and recommendation to be considered by the Committee. A site visit may also assist Members in matters relating to the context of the decision in relation to the characteristics of the surrounding area.
- 7.2 Formal site visits will be held where there is a clearly identified benefit to be gained from holding one i.e. where a proposal is contentious or particularly complex and the impact is difficult to assess or visualise from the submitted information or plans contained in the information before the Committee. The Committee Manager or Countryside Access Officer will keep a record of why such visits are being held and who attended.
- 7.3 The need for a site visit will be determined by the Countryside Access Manager in consultation with the Chairman of the Committee in advance of the report being considered by the Committee. All Members of the Committee will be invited to attend the site visit, together with the local Member(s), or Members may defer making a decision until they have held one.
- 7.4 All Members attending site visits should be accompanied by an officer. If access to private land is necessary, the Committee Manager in consultation with the case officer will secure the prior agreement of the land owner/tenant/applicant who will be advised that lobbying is unacceptable and that only factual answers or information should be given to Members.
- 7.5 At the discretion of the Chairman of the Committee, the relevant District and Parish Councils will be notified of any site visit and invited to attend and observe. Any persons present at a site visit who are neither Members nor officers of the Council may observe but not participate in the site visit.

8 Declaration and registration of interests

Members will make oral declarations at a Local Committee of significant contact with applicants and objectors, in addition to the usual disclosure of pecuniary interests.

- 8.1 The law and guidance on the declaration of personal and prejudicial interests as set out in the Members' Code of Conduct and the Council's Standing Orders, must be observed and upheld by all Members and officers. At Committee meetings Members will make oral declaration of significant contact with applicants or objectors.
- 8.2 Members should bear in mind the potential for their interests to affect the decisions they may take on such matters, even if such interests do not amount to disclosable pecuniary interests. If a Member's interest in a matter would lead them to predetermine a decision, it would not be appropriate for that Member to participate in the decision, even if they are not subject to any statutory prohibition relating to disclosable pecuniary interests. If they were to do so, they would be at risk of breaching the code of conduct and making the authority's decision vulnerable to challenge.

9 Officer reports to Committee

- 9.1 All items considered by the Committee will be the subject of a full written report by officers, which incorporates firm recommendations. These reports will consider national legislation, Surrey County Council policies and guidance, and representations made by statutory consultees, local residents and other interested parties. The report will contain all the relevant material known at the time the report is despatched to Members. An updating sheet will be provided at Committee only if there have been any significant developments or changes to the report.
- 9.2 Rights of Way items, which may be submitted to the Planning and Regulatory Committee for determination will relate to: Minerals and Waste applications, cross boundary applications and locally contentious issues.
- 9.3 Decisions for rights of way on Surrey County Council, Borough or District land will be treated in the same way as any decision on private land. Decisions will be made strictly on legislation and Surrey County Council policy without regards to any financial or other gain that might accrue to the Council in respect of the decision. The County Council recognises that its own rights of way applications may not be treated any differently from any other.
- 9.4 Applications for changes to the rights of way network relating to Minerals and Waste applications will be considered by the Planning and Regulatory Committee usually when the decision on the planning application itself is made.
- 9.5 Definitive Map Modification Orders must be determined either way within twelve months in accordance with national legislation; officers conduct a comprehensive consultation and all responses get included in the officers report. Should Members recommend deferring the decision of an application a reason must be fully minuted. New evidence can be submitted to Officers, and a recommendation taken back to the following Local Committee.

9.6 Where rights of way proposals cross Borough and District boundaries, a report would normally go to both Local Committees. For example, in the consideration of Traffic Regulation Orders a report has to go twice; once for a decision on whether to publish a Notice of Intention to make an order and a second time to consider any representations from that Notice and determine whether an Order should be made. In this instance, the rights of way application may go to the Planning and Regulatory Committee for determination following an initial consultation with the appropriate local committee chairmen. Similarly, the Planning and Regulatory Committee can consider items that are particularly contentious locally.

10 Determination of rights of way matters

- 10.1 The reasons given by a Local Committee for refusing or granting a recommendation should be fully minuted, especially where these are contrary to officer advice or the county policy.
- 10.2 The County Council recognises that rights of way decisions are often matters of fine judgement where the balancing of considerations is difficult. The officer's report will normally rely heavily on national legislation and the Council's policies for Rights of Way as stated in the Rights of Way Statement for Surrey (January 2010). Members may wish to exercise their discretion to choose a recommendation as an exception to policy or may not agree with the recommendation. Where the Committee wishes to make a decision contrary to the officer's recommendations (whether for approval or refusal) the Committee will agree the reasons for the decision during the debate on the item, after taking advice from officers. If for any reason this cannot be completed during the debate, the Committee may delegate approval of the detailed drafting of the reasons to the Committee Chairman in consultation with officers. Should the matter end at Public Inquiry as a result of the decision, a Member will be required to attend and give evidence in support.
- 10.3 There is nothing to prevent a Member from seeking advice from officers, including advice on wording for an alternative recommendation, before a Committee meeting provided that he/she comes to the meeting with an open mind.
- 10.4 There will be full and accurate minuting of resolutions with a careful record being kept of the debate when a resolution is proposed, which is contrary to an officer recommendation. In such cases the Chairman will summarise, or cause to be summarised, the salient points of the debate. They will also ensure the text of the proposition is clearly understood before putting the matter to the vote. The officers have a duty to support the decisions of the Committee.
- 10.5 A Member shall decline to vote in relation to any rights of way decision unless he or she has been present in the meeting of the Committee throughout the consideration of that particular item.
- 10.6 Members of the public and their representatives may address the Local Committee on items relating to public rights of way being considered by the Committee. Speakers must first register their wish to speak by telephone or in writing/e-mail to the Community Partnership & Committee Officer by 12 noon one working day before a meeting stating on which item(s) they wish to speak.

10.7 Only those people who have previously made written representations to the Countryside Access Team, in response to an item will be entitled to speak. These representations should have been received during the formal consultation period. Further information about speaking at Local Committees can be found on the Surrey County Council website.

PART 6 (13) - PROTOCOL FOR THE SCRUTINY OF COUNCIL OWNED COMPANIES

1. Background

The Government Guidance on Alternative Delivery Models outlines five options¹ for delivery of Council services not delivered 'in-house'. Services that are not delivered 'in-house' involve some form of alternative delivery model (ADM):

- Local Authority Trading Company (commonly referred to as a LATC)
- Public Service Mutual (commonly referred to as a PSM or mutual)
- outsourcing (to an existing social enterprise or charity; or to a for-profit provider)
- joint venture (JV - potentially involving ownership and control by a range of stakeholders including (but not limited to) staff, the council, or independent provider(s))

Any full or partly externalised service will fall within one of the delivery model categories listed above. These are not necessarily exclusive - PSMs can be LATCs and JVs under some circumstances.

A further delivery model option exists; the service 'remaining in house with re-engineering'. This option reflects the need for some level of change to take place, without externalising the service. It is therefore a delivery model option in its own right.

As part of its strategy to innovate in developing new models of delivery and to benefit from the freedoms introduced by the Localism Act, Surrey County Council had made investments and created trading companies to deliver income and efficiencies and in doing so has established a Strategic Investment Board, which reports annually to the Council.

2. Surrey County Council Governance

Strategic Investment Board:

The purpose of the Board is to safeguard the Council's interest as shareholder and to take decisions in matters that required the approval of the Council as owner of a company. The Board is a sub-committee of the Cabinet and is responsible for the monitoring of the Council's trading activity and its investments in companies to ensure satisfactory performance and effective risk management. The financial returns delivered by trading and investment helps to ensure that we continue to deliver quality services to our residents.

The Board's responsibilities and powers include:

¹ Guidance 'Alternative delivery models explained,' [Alternative delivery models explained - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/544447/Alternative_delivery_models_explained_-_GOV.UK.pdf), 28 March 2017. As accessed 26 January 2022.

- approval of annual business plans; and
- reviewing the financial and overall performance of trading companies; and
- appointing and removing directors.

Specifically, the Board will:

- (a) approve the allotment of further shares in a Company
- (b) periodically evaluate financial performance of a Company
- (c) approve the strategic direction of a Company
- (c) approve the sale of the Council's investment in a company
- (d) agree capital or revenue investments of £1m and above proposed by a Company
- (e) consider any recommendation from Company Directors to cease Trading
- (f) report to the Council annually on trading activity

The **Shareholder Investment Panel** (SHIP), an Officer led panel, chaired by the Director of Finance – Corporate and Commercial (Deputy s151), works within delegated authority limits set by the SIB. The Panel's remit is to review and challenge the subsidiaries performance within year and assist with the approvals and operational workings of the respective companies. This enables approvals to be made in a timely manner so that operational effectiveness is not impacted by an elongated approval process. The SHIP also provides governance, as the client, for projects delivered by any of the subsidiaries and acts as the Senior Responsible Owner. Items that fall outside of the approval limits afforded to the SHIP will still be discussed and scrutinised by the Panel before coming forward to the **Asset Strategy Board** (ASB).

The ASB is a Council Member led Board, supported by Officers, which reviews and considers submissions from both SHIP and the Capital Programme Panel (CPP). The CPP's role is to oversee the Council's Capital Programme, considering asset plans, new projects, schemes and overall capital programme delivery. The ASB will monitor the ongoing strategy for subsidiary companies and property which has been approved by the SIB and Cabinet. Furthermore, the ASB will challenge to ensure any submissions moving forward to the SIB for approval are aligned to the strategies. Submissions received by the ASB from the CPP will move forward to Cabinet for approval.

Each company must have at least one person named as a **Director** – the Council itself cannot act in this capacity. The SHIP has delegated authority from the SIB for appointing (and removing) Directors to act on behalf of the Council. Directors have specific responsibilities in Company Law and therefore the board or panel making

the selection will need to ensure that persons with the appropriate skills are appointed.

3. Scrutiny

The Council's Select Committees are responsible for scrutiny of the executive decision making and performance, to monitor and review company performance and provide recommendations to the Cabinet. Select Committees may use their power to call in decisions if required.

Article 7 of the Constitution of the Council states that Select Committees have a specific role to, "[scrutinise] the Strategic Investment Board in respect of the performance of the companies for which the Council is the majority shareholder."

In practice this means that the relevant Select Committee may call the Board as a witness in the scrutiny review of any Council company relevant to its remit. For example, Surrey Choices at the Adults and Health Select Committee.

Outside of individual executive decisions the Resources and Performance Select Committee will be responsible for the regular scrutiny of the overall performance of the Council's companies and its investments.

Specific role:

- Select Committees may call Cabinet Members, Strategic Investment Board Officers and relevant Company Representatives, including Directors, as part of the scrutiny of executive decisions.
- Select Committees may conduct scrutiny of financial and service delivery performance of wholly owned and majority owned Council companies relevant to their remits (see table 1) when the proposed scrutiny meets the Council's selection criteria for addition to the Select Committee's forward work programme.
- Select Committees may programme scrutiny of the set-up of any new Council owned company as part of its pre-decision scrutiny work.
- The Select Committee Chair and Vice-Chairs' Group to receive information on the performance of the Council's companies including their finances on a six-monthly basis to inform their decision to programme scrutiny and to fulfil their overview function.
- The Resources and Performance Select Committee will receive the Strategic Investment Board's Annual Report in order to scrutinise performance against the Council's strategic objectives and the performance of investments.

Access to information:

As per the Article 15 of the Council's Constitution², a member of a Select Committee will be entitled to copies of any document which is in the possession or control of the Cabinet, its committees, or individual Cabinet Members and which contains material relating to any business transacted at a public or private meeting of the Cabinet, its committees, or individual Cabinet Members or any decision which has been made by an officer of the authority in accordance with executive arrangements.

A copy of the document must be provided as soon as reasonably practicable and, in any case, no later than 10 clear days after the request has been received. Where it is determined that, a member of a select committee is not entitled to a copy of a document or part of any such document for a reason set out under paragraph (i) a written statement must be provided to the relevant select committee setting out the reasons for the decision.

(i) Limit on rights

A member of a select committee will not be entitled to:

- any document that is in draft form;
- any part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision it is reviewing or scrutinising or intends to scrutinise; or
- the advice of a political adviser.

Trading happens quickly and involves commercial confidentiality therefore we must ensure scrutiny is appropriately timed and part of planned work and has due regard to rules on the handling of exempt information. To ensure that Select Committees are able to plan their activity Members must have access to confidential information and guidance from Council officers as to upcoming decisions that may require scrutiny.

4. Audit and Governance

The role of the committee is to give assurance to governance arrangements, to receive and review the Council's annual accounts, the annual accounts and audit reports of the Council's wholly owned subsidiaries, the Strategic Investment Board's Annual Report and to consider council risk.

 - (3) No councillor shall receive more than one Special Responsibility Allowance. Where a councillor performs more than one special responsibility specified in Schedule 1, they will be entitled to the Special Responsibility Allowance which is the highest in value.

ATTENDANCE ALLOWANCES

10. The Council also provides for the reimbursement of expenditure incurred by Members in providing care for dependant adults or children who are frail and/or disabled at a rate based on actual cost up to a specified limit.
11. The amount which may be claimed is the actual costs incurred by a councillor in order to participate in approved duties as specified in the Guide to Members' Allowances.
12. Councillors may also claim any additional costs incurred where they can demonstrate that the cost was wholly and necessarily incurred in order to participate in approved duties as specified in the Guide to Members' Allowances.

HYBRID WORKING PAYMENT

13. From May 2025, the Council provides Councillors with a £300 one-off payment upon election for bespoke IT solutions. The payment covers the whole term of office and is not repeated should a member be re-elected. Current Councillors may claim the payment in advance of the 2025 elections.

PENSIONS

14. From 1 April 2014 councillors in England were unable to join the LGPS. Those councillors in England who were in the scheme on the 31 March 2014 were able to remain in the scheme until the end of that council term in 2017.

RENUNCIATION

15. A councillor may by notice in writing given to the Member Services Manager forego any part of his/her entitlement to an allowance under this Scheme.

PART-YEAR ENTITLEMENTS

16. (1) If an amendment to this Scheme is made which affects payment of a Basic Allowance or a Special Responsibility Allowance in the year in which the payment is made, a councillor will be entitled to payment at the revised rate from the date on which the change was approved (unless otherwise stated).
- (2) If a councillor becomes or ceases to be eligible for a Basic or Special Responsibility Allowance during the course of a year, the entitlement will be adjusted by reference to the number of days for which entitlement existed relative to the number of days in that year.

CLAIMS AND PAYMENTS

PARENTAL LEAVE POLICY**Parental Leave Policy for Members****Introduction**

1. This Policy sets out Members' entitlement to maternity, paternity, shared parental and adoption leave, caring for children receiving neonatal care and relevant allowances.
2. The objective of the policy is to ensure that Members are able to take appropriate leave at the time of birth or adoption and that reasonable and adequate arrangements are in place to provide cover for portfolio-holders and others in receipt of Special Responsibility Allowances (SRA) during any period of leave taken.
3. Improved provision for new parents will contribute towards increasing the diversity of experience, age and background of local authority councillors. It will also assist with retaining experienced councillors – particularly women – and making public office more accessible to individuals who might otherwise feel excluded from it.

Leave Periods

4. Members giving birth are entitled to up to 6 months maternity leave from the due date, with the option to extend up to 52 weeks by agreement if required.
5. In addition, where the birth is premature, the Member is entitled to take leave during the period between the date of the birth and the due date in addition to the 6 months' period. In such cases any leave taken to cover prematurity of 28 days or less shall be deducted from any extension beyond the initial 6 months.
6. In exceptional circumstances, and only in cases of prematurity of 29 days or more, additional leave may be taken by agreement, and such exceptional leave shall not be deducted from the total 52-week entitlement.

7. Members shall be entitled to take a minimum of 2 weeks paternity leave if they are the biological father or nominated carer of their partner/spouse following the birth of their child(ren).
8. A Member who has made Shared Parental Leave arrangements through their employment is requested to advise the Council of these at the earliest possible opportunity. Every effort will be made to replicate such arrangements in terms of leave from Council.
9. Where both parents are Members leave may be shared up to a maximum of 24 weeks for the first six months and 26 weeks for any leave agreed thereafter, up to a maximum of 50 weeks. Special and exceptional arrangements may be made in cases of prematurity.
10. A Member who adopts a child through an approved adoption agency shall be entitled to take up to six months adoption leave from the date of placement, with the option to extend up to 52 weeks by agreement if required.
11. Any Member who takes maternity, shared parental or adoption leave retains their legal duty under the Local Government Act 1972 to attend a meeting of the Council within a six-month period unless the Council Meeting agrees to an extended leave of absence prior to the expiration of that six-month period. However, councils are encouraged to show understanding and flexibility towards councillors who may require extended periods of absence due to parental responsibilities, including caring for children receiving neonatal care.
12. Any Member intending to take maternity, paternity, shared parental or adoption leave will be responsible for ensuring that they comply with the relevant notice requirements of the Council, both in terms of the point at which the leave starts and the point at which they return.
13. Any Member taking leave should put in place arrangements for a neighbouring member to cover local casework. Democratic Services should be advised of these arrangements so that the website can be updated.
14. Any Member taking leave should ensure that they respond to reasonable requests for information as promptly as possible, and

that they keep officers and colleagues informed and updated in relation to intended dates of return and requests for extension of leave.

Basic Allowance

15. All Members shall continue to receive their Basic Allowance in full whilst on maternity, paternity or adoption leave.

Special Responsibility Allowances

16. Members entitled to a Special Responsibility Allowance shall continue to receive their allowance in full in the case of maternity, paternity, shared parental or adoption leave.
17. Where a replacement is appointed to cover the period of absence that person shall receive an SRA on a pro rata basis for the period of the temporary appointment.
18. The payment of Special Responsibility Allowances, whether to the primary SRA holder or a replacement, during a period of maternity, paternity, shared parental or adoption leave shall continue for a period of six months, or until the date of the next Annual Meeting of the Council, or until the date when the member taking leave is up for election (whichever is soonest). At such a point, the position will be reviewed, and will be subject to a possible extension for a further six-month period.
19. Should a Member appointed to replace the member on maternity, paternity, shared parental or adoption leave already hold a remunerated position, the ordinary rules relating to payment of more than one Special Responsibility Allowances shall apply.
20. Unless the Member taking leave is removed from their post at an Annual General Meeting of the Council whilst on leave, or unless the Party to which they belong loses control of the Council during their leave period, they shall return at the end of their leave period to the same post, or to an alternative post with equivalent status and remuneration which they held before the leave began.

Resigning from Office and Elections

21. If a Member decides not to return at the end of their maternity, paternity, shared parental or adoption leave they must notify the

Council at the earliest possible opportunity. All allowances will cease from the effective resignation date.

22. If an election is held during the Member's maternity, paternity, shared parental or adoption leave and they are not re-elected, or decide not to stand for re-election, their basic allowance and SRA if appropriate will cease from the Monday after the election date when they would technically leave office
