Meeting	Item	Recommendation	Responsible Officer/Member	Update/Response
November 2023	<b>PROGRESS ON POLICE AND CRIME PLAN 2021-2025 [Item 8]</b>	I. The Surrey Police and Crime Panel applauds the achievements of the OPCC as set out in the report including securing additional Safer Streets funding to tackle crime and anti-social behaviour, plus £2 million in funding for a new Domestic Abuse Hub in Surrey. Both will make a real difference to Surrey residents. However, we note with some concern the drop in Grade 1 response compliance. <b>The Surrey PCP recommends that the Commissioner prioritises resolution of this issue working with the Chief Constable and that the issue of Grade 1 response compliance remains on the agenda of forthcoming Performance meetings until such a time as there is a marked and sustained improvement in performance.</b>	<b>OPCC</b>	<p><b>OPCC response (received 24 January 2024):</b></p> <p>“Following the recent HMICFRS PEEL inspection, the force received an 'inadequate' grading for its response to the public, highlighting two Causes of Concern (CoCos).</p> <p>One of the CoCos emphasises the need for improvement in the force's response to incidents, specifically requiring Surrey Police to attend calls for service in accordance with its published attendance times and ensure effective supervision of deployment decisions within the control room. In response, Surrey Police is reforming its Deployment and Gradings structure. This new framework aims to introduce a more nuanced system with additional grades and realistic attendance targets compared to the previous framework. This is an ongoing piece of work and the Panel will be provided with an update once complete.”</p>

<b>2 February 2024</b>	<b>6/24 HMICFRS PEEL INSPECTION INTO SURREY POLICE [Item 6]</b>	<p>Notes that the Inspection report highlights areas of good performance (preventing crime, managing offenders) but also a number of areas for improvement that have been highlighted by the Panel including around call performance and response compliance. Expresses its concern that 'responding to the public' is currently assessed as inadequate and <b>asks the <u>Commissioner to report to the Panel in June 2024</u></b> on progress addressing this and other 'Areas for Improvement', and on assurances sought from the Chief Constable. Further notes the importance of ensuring Surrey Police is equipped and resourced to address these concerns.</p>	<b>OPCC</b>	<p>A report on progress addressing the HMICFRS PEEL inspection recommendations <b>will be taken at the September 2024 Panel</b> meeting. This has been deferred in light of the pre-election period with the agreement of Monitoring Officers.</p> <p><b>Update (24 January 2025):</b></p> <p>Update report was brought to the 26 September 2024 meeting of the panel. The panel noted the report and an action was taken to seek clarification on one matter.</p>
