

GUILDFORD HEALTH AND WELLBEING BOARD

25 SEPTEMBER 2013

PROPOSED TERMS OF REFERENCE

The Board is requested to approve the following terms of reference proposed by the Healthy Guildford Group.

- (1) To work with the Surrey Health and Wellbeing Board to deliver its functions.
- (2) To develop and interpret local health profiles and turn health data into meaningful insights that can be put into action.
- (3) To oversee local health needs assessments with particular marginalised or vulnerable populations or in geographical areas.
- (4) To develop, oversee and monitor the implementation of a Guildford Health and Wellbeing Strategy based upon local needs.
- (5) To implement evidence based public health interventions that are needs based and to monitor and communicate outcomes.
- (6) To ensure public health interventions are tailored to meet the specific needs of the local population.
- (7) To promote access to public health services, encourage uptake and lead communications relating to public health issues and threats.
- (8) To identify where health inequalities exist and drive reductions in these.
- (9) To consider how services commissioned or delivered locally could be enhanced to improve residents' health.
- (10) To encourage local partners providing health, social care and related services to work closely together.
