

Environment and Transport Select Committee
23 January 2014

Superfast Broadband: Progress Update

Purpose of the report: Policy Development and Review

The Select Committee is asked to comment on the progress made to date with regards to the Council's Superfast Broadband Programme.

Introduction:

1. As 'Economic Development' falls within the Select Committee's remit, Officers have been asked to provide Members with an overview of progress made against key milestones and workstreams in the Council's Superfast Broadband Programme.
2. A Highlight Report is attached at **Annexe One**. Members are asked to comment on the information provided.

Recommendations:

That the Select Committee notes and comments on progress made to date with regards to the Council's Superfast Broadband Programme.

Next steps:

Should the Select Committee make any formal recommendations, further reporting dates will be arranged as appropriate.
