

SURREY COUNTY COUNCIL**LOCAL COMMITTEE (MOLE VALLEY)****DATE: 5 MARCH 2014****LEAD OFFICER: SANDRA BROWN****SUBJECT: LOCAL COMMITTEE & MEMBERS' ALLOCATION FUNDING - UPDATE****DIVISION: ALL****SUMMARY OF ISSUE:**

Surrey County Council Councillors receive funding to spend on local projects that help to promote social, economic or environmental well-being in the neighbourhoods and communities of Surrey. This funding is known as Members' Allocation.

For the financial year 2013/14 the County Council has allocated £12,876 revenue funding to each County Councillor and £35,000 capital funding to each Local Committee. This report provides an update on the projects that have been funded since May 2013 to date.

RECOMMENDATIONS:**The Local Committee (Mole Valley) is asked to note:**

- (i) The amounts that have been spent from the Members' Allocation and Local Committee capital budgets, as set out in Annex 1 of this report.

REASONS FOR RECOMMENDATIONS:

The allocation of the Committee's budgets is intended to enhance the wellbeing of residents and make the best possible use of the funds. Greater transparency in the use of public funds is achieved with the publication of what Members' Allocation funding has been spent on.

1. INTRODUCTION AND BACKGROUND:

- 1.1 The County Council's Constitution sets out the overall Financial Framework for managing the Local Committee's delegated budgets and directs that this funding should be spent on local projects that promote the social, environmental and economic well-being of the area.
- 1.2 In allocating funds councillors are asked to have regard to Surrey County Council's Corporate Strategy 2010-14 Making A Difference that highlights five themes which make Surrey special and which it seeks to maintain:
- A safe place to live;
 - A high standard of education;
 - A beautiful environment;
 - A vibrant economy;
 - A healthy population.
- 1.3 Member Allocation funding is made to organisations on a one-off basis, so that there should be no expectation of future funding for the same or similar purpose. It may not be used to benefit individuals, or to fund schools for direct delivery of the National Curriculum, or to support a political party.

2. RECENT COMPLETED PROJECTS:

- 2.1 Several projects have taken place within the last 3 months, here are a couple of examples of the projects

Cafe Melange

A £1,500 grant contributed towards the art and craft group, Cafe Melange. The group meets in Turner House Sheltered Housing. The group enables older people to share their skills and helps them to develop further skills.

This project benefits the residents of Beare Green, which is a very rural community with a poor transport network. This funding will provide 24 x 2 hour sessions with an artist, and help the group to purchase a storage cupboard, and art supplies.

Bookham CCTV

A £2,000 grant will contribute towards replacing the current CCTV camera which is at the South end of Bookham High Street. The costs of this project include receiver and data equipment to enable the images to be viewed by the CCTV control room at Reigate Police Station.

Bookham Residents Association and the Police are in support of this project and the proposed solution will meet residents' requirements as it would enable real-time viewing by the CCTV control room and the ability to zoom in on vehicle registration plates and faces.

3. ANALYSIS:

- 3.1 All the bids detailed in Annex 1 have been considered by and received support from the local county councillor and been assessed by the Community Partnerships Team as meeting the County Council's required criteria.

4. OPTIONS:

- 4.1 The Committee is being asked to note the bids that have already been approved.

5. CONSULTATIONS:

- 5.1 In relation to new bids the local councillor will have discussed the bid with the applicant, and Community Partnerships Team will have consulted relevant Surrey County Council services and partner agencies as required.

6. FINANCIAL AND VALUE FOR MONEY IMPLICATIONS:

- 6.1 Each project detailed in this report has completed a standard application form giving details of timescales, purpose and other funding applications made. The county councillor proposing each project has assessed its merits prior to the project's approval. All bids are also scrutinised to ensure that they comply with the Council's Financial Framework and represent value for money.
- 6.2 The current financial position statements detailing the funding by each member of the Committee are attached at **Annex 1**. Please note these figures will not include any applications that were approved after the deadline for this report had past.

7. EQUALITIES AND DIVERSITY IMPLICATIONS:

- 7.1 The allocation of the Members' Allocation and Local Committee's budgets is intended to enhance the wellbeing of residents and make the best possible use of the funds. Funding is available to all residents, community groups or organisations based in, or serving, the area. The success of the bid depends entirely upon its ability to meet the agreed criteria, which is flexible.

8. LOCALISM:

- 8.1 The budgets are allocated by the local members to support the needs within their communities.
