

SHEET 4 - MATERIALS PALLETTE

**BOLLARD**

- Black cast iron style.
- The image above is indicative only.
- The actual style will be matched to those at the junction with Station Road as best possible ('Dorking bollard')

**SETTS**

- Marshalls granite style.
- Silver Grey colour.

**TACTILE PAVING**
(for pedestrian crossing locations)

- Marshalls concrete blister (tactile) paving.
- Textured surface option.
- Finished in natural to provide some contrast with the Yorkstone but still be sympathetic to the character of the area.

**YORKSTONE PAVING**

- Marshalls Scoutmoot.
- Varying sized slabs to provide an enhanced aesthetic look.
- Designed to take occasional traffic.

**KERBING**

- Marshalls granite style.
- Silver Grey colour

**NOTES**

Available in Black or Green

Additional Costs may be applied for the items detailed below:

- * Heavy Duty Columns as per the attachment of Hanging Baskets, Banners & Festive Decorations
- * Festive Lighting Supplies

STREET LIGHTING

- The street lighting throughout West Street is due to be upgraded as part of Surrey County Council's county-wide improvement programme. Whilst this is a separate project from the footway enhancements, details have been included above to provide a feel for the overall street scene that could be achieved. As it stands this involves replacing the existing wall mounted units.
