New Models of Delivery Programme / Local Authority Trading Company Update

Purpose of the report: Policy Development and Review

To provide the Committee with an update on the New Models of Delivery Programme and the progress of the Adult Social Care Local Authority Trading Company.

- 1 The attached documents provide details of the New Models of Delivery Programme, and an update on the progress of the formation of the Adult Social Care Local Authority Trading Company (LATC).
- 2 The LATC is an output of the New Models of Delivery Programme and gives an indication of a possible future approach to other services the Council delivers. The LATC will be formed in April 2014, following approval from the Cabinet on 17 December 2013. The [reports and minutes](#) of that meeting are available for review on the Surrey County Council website.¹
- 3 The New Models of Delivery Programme uses the Shift “5D” approach to identify opportunities to develop in service areas. Details of this approach were presented in the report to COSC on [12 September 2013](#)².
- 4 23 Services have held initial “Discovery” workshops. Follow-up meetings with services are prioritising emerging ideas by impact, scale and achievability, with focus on income generation potential but also innovation to drive efficiency and productivity.
- 5 Future updates to COSC will include details on the products and/or models which services decide to develop.

Recommendations:

- 6 The Committee is asked to review the attached information and consider whether it wishes to make any recommendations at this stage. It is also asked to consider possible areas of future scrutiny it would wish to
