July 2014				
3 July	Acute Hospitals Collaboration	Scrutiny of Services – the performance of acute hospital are of the utmost interest to the Surrey public and they have been widely reported to be under more pressure than in the past. The performance of the hospitals also effects the whole health system. The Committee will consider plans of Ashford & St. Peters and Royal Surrey Trusts to work together.	Ashford & St Peters and Royal Surrey Acute Trusts reps Guildford & Waverley and NW Surrey CCGs Health Watch	
3 July	Childhood Obesity	Scrutiny of Services – There is a growing national problem of obesity in children and young people. The JSNA identifies that Surrey does not have an agreed weight management care pathway and services vary across the County, not meeting the needs of those at high risk. The Committee will scrutinise efforts of Public Health and the CCGs in addressing this issue.	Helen Atkinson, Acting Director of Public Health Guildford & Waverley CCG Children, Schools & Families representative	To be joint with C&E Select

Page 127	Transformation Board Update	Scrutiny of Services/Policy Development - Transformation Boards are made up of NHS commissioners and providers and SCC. The Boards centre on the Acute Trusts and have the entire health economy of that area as their scope. They solve problems and strategise on thematic terms. The Committee would benefit from understanding the outputs of an exemplar board and their role in the health system	Board representatives	
	Renal Services	Scrutiny of Services/Policy Development – St Helier Hospital, which is based in the London Borough of Sutton, provides renal services to most Surrey residents. Following the outcome of the Better Services Better Value review that X should become a planned care centre, there is a need to review access to these services for residents of Surrey. The Committee will scrutinise current availability of renal services and the potential to move services back into Surrey.	Epsom & St Helier Hospitals CCG lead (TBC)	
	Cancer Services	Scrutiny of Services – The Committee will scrutinise current provision of cancer screening and treatment services across the County.	Acute hospital representatives Community health
