DATE: 18th June 2014

LEAD OFFICER: GARATH SYMONDS, Assistant Director for Young People

SUBJECT: ANNUAL PERFORMANCE REPORT FROM SERVICES FOR YOUNG PEOPLE

DIVISION: MOLE VALLEY

SUMMARY OF ISSUE:

The purpose of this report is to update the Local Committee on the progress that Services for Young People have made towards participation for all young people in Mole Valley in post-16 education, training and employment during 2013-14. This is the overarching goal of Services for Young People and our strategy to achieve it is set out in 'The young people's employability plan 2012-17'.

In particular this Local Committee report focuses on the contribution of our different commissions to this goal and how they have performed during the year. Please note that the majority of detailed performance information is provided in the appendix to this report.

Next steps have also been included to set out how we will keep the Local Committee informed about developments and our progress during the year ahead.

RECOMMENDATIONS:

The Local Committee (Mole Valley) is asked to note:

- (i) The progress Services for Young People has made during 2013/14 to increase participation for young people in education, training or employment, as set out in the annexe to this report

REASONS FOR RECOMMENDATIONS:

The Local Committee has an important part to play in supporting the local development of Services for Young People, ensuring that we are providing the right support to young people in local communities. In particular they have an important formal role in relation to the Local Prevention Framework.

1. INTRODUCTION AND BACKGROUND:

- 1.1 This report is for information. It provides: a summary how participation of young people in Mole Valley has been improved; an overview of how our

different commissions have performed during the year; and a brief outline of how we will keep the Local Committee informed of our progress during 2014/15.

2. ANALYSIS:

- 2.1 In March 2014 only 26 young people were NEET compared to 57 in March 2013, a reduction of over 50%. This was also the lowest proportion of young people who were NEET in the county, at 1.1%.
- 2.2 98.8% of young people were participating in education, training, employment or re-engagement at the end of March 2014, compared to 97.4% in March 2013.
- 2.3 11 first-time entrants to the youth justice system in 2013/14, compared to 8 in 2012/13 and 20 in 2011/12
- 2.4 A more detailed analysis of performance is provided in Annex 1, Services for Young People in Mole Valley Performance Summary 2013/14.

3. OPTIONS:

- 3.1 There are no options in relation to this 'for information' report.

4. CONSULTATIONS:

- 4.1 During 2013-14 there has been wide ranging consultation with young people, staff, and partner agencies. In particular we have carried out an internal evaluation of our commissions and focussed on engaging young people in our planning for re-commissioning of Services for young people in 2015. Alongside this, the Youth Engagement Contract has secured feedback from more than 1,000 young people across Surrey in relation to different aspects of our services, the information we provide and local issues.

Members have been consulted through the Local Committee Youth Task Group, Youth Steering Groups at some of our Youth Centres and as part of the internal evaluation of our commissions. We have also been involving Members in a recently commissioned external evaluation of Services for Young People, which will report its findings in May 2014.

The feedback from these different consultations has directly contributed to the development of our services during the year.

5. FINANCIAL AND VALUE FOR MONEY IMPLICATIONS:

- 5.1 The budget allocated to each of the commissions in Services for Young People is provided in the Annexe.

6. EQUALITIES AND DIVERSITY IMPLICATIONS:

- 6.1 Through local commissioning and needs analysis we focus our resources on identifying and supporting those young people who are most at risk of

experiencing negative outcomes in the future. This group includes young people from a wide range of backgrounds and its make up often varies between different parts of the county.
