The number of select committees will vary from time to time as agreed by the Council. The committees will between them cover all of the executive functions, combining responsibilities for policy development and service improvement, and questioning decisions in respect of executive functions.

(b) **Membership of committees**

Any Member of the Council (except the Leader, Deputy Leader and members of the Cabinet) may serve on a select committee. However, no Member may be involved in scrutinising a decision in which he/she has been directly involved.

(c) **Co-optees**

Committees may co-opt non-councillors, as and when required, to provide a degree of independent advice and expertise. Co-opted members cannot have voting rights unless allowed by law.

This shall apply where the committee's functions relate wholly or in part to any education functions which are the responsibility of the Leader/Cabinet/Cabinet Member. If the select committee deals with other matters, these representatives shall not vote on those other matters, though they may stay in the meeting and speak.

(e) **Meetings of committees**

Select committees shall meet regularly following an agreed calendar of meetings. In addition, extraordinary meetings may be called from time to time as and when appropriate. A committee meeting may be called by the committee chairman, by any 3 members of the committee, or by the proper officer if he/she considers it necessary or appropriate.

Any member of a select committee shall be entitled to give notice to the proper officer that he/she wishes to include an item relevant to the functions of the committee on the agenda for the next available meeting. On receipt of such a

request the proper officer will ensure that it is included on the next available agenda.

(i) Referral of matters to committees ('councillor call for action')

- (i) Any Member of the Council may refer to a select committee any local government matter which is relevant to the functions of the committee.
- (ii) The Member referring the matter may make representations as to why it would be appropriate to scrutinise the matter.
- (iii) If the committee decides not to scrutinise the matter, it must notify the Member of its decision and the reasons for it.
- (iv) The committee must provide the Member with a copy of any report or recommendations which it makes to the Leader/Cabinet/Cabinet Member or Council in relation to the matter.

(j) Reports from committees

- (i) Select committees will report their views and recommendations to the Leader/Cabinet/Cabinet Member, Council or partner organisations as appropriate. Select committees may report direct to the Council where they wish to draw its attention to issues of interest or concern, or where they wish to enlist the Council's support or invite it to express a view.
- (ii) If a committee cannot agree on one single final report to the Leader/Cabinet/Cabinet Member or Council as appropriate, then a minority report may be prepared and submitted for consideration by the Leader/Cabinet/Cabinet Member or Council with the majority report.
- (iii) Select committees will have access to the Leader's Cabinet forward plan and timetable for decisions and intentions for consultation and may respond in the course of the Leader's/Cabinet's/Cabinet Member's consultation process in relation to any key decision.

(k) Rights to copies

Subject to paragraph (l) below, a member of a select committee will be entitled to copies of any document which is in the possession or control of the Cabinet, its committees, or

individual Cabinet Members and which contains material relating to any business transacted at a public or private meeting of the Cabinet, its committees, or individual Cabinet Members or any decision which has been made by an officer of the authority in accordance with executive arrangements.

A copy of the document must be provided as soon as reasonably practicable and in any case no later than 10 clear days after the request has been received. Where it is determined that, , a member of a select committee is not entitled to a copy of a document or part of any such document for a reason set out under paragraphs (k) and (l) a written statement must be provided to the relevant select committee setting out the reasons for the decision.

(l) Limit on rights

A member of a select committee will not be entitled to:

- (i) any document that is in draft form;
- (ii) any part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision it is reviewing or scrutinising or intends to scrutinise; or
- (iii) the advice of a political adviser.

(m) Attendance by witnesses

(i) Select committees may examine and review decisions made or actions taken in connection with the discharge of any Council or executive functions as appropriate. As well as reviewing documentation, in fulfilling the scrutiny role a committee may require the Leader, Deputy Leader or any Member of the Council, and/or any senior officer to attend before it to explain in relation to matters within the committee's remit:

- (i) any particular decision or series of decisions;
- (ii) the extent to which the actions taken implement Council policy; and/or
- (iii) their performance

and it is the duty of those persons to attend if so required.

(ii) Where any Member or officer is required to attend a committee under this provision, the committee chairman will inform the proper officer. The proper officer shall inform the Member or officer in writing giving at least 10

working days notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the committee. Where the account to be given to the committee will require the production of a report, then the Member or officer concerned will be given sufficient notice to allow for preparation of that documentation.

- (iii) Where, in exceptional circumstances, the Member or officer is unable to attend on the required date, then the committee shall, in consultation with the Member or officer, arrange an alternative date for attendance.
- (iv) When officers appear to answer questions, their evidence will be confined, as far as possible, to questions of fact and explanation relating to policies and decisions. Officers may explain what the policies are and how administrative factors may have affected the choice of policy measures and the manner of their implementation. Officers may be asked to explain and justify advice that they have given in relation to the exercise of executive functions prior to decisions being taken, and to justify decisions they themselves have taken under the Scheme of Delegation where they fall within the terms of the matter under scrutiny. As far as possible, officers should avoid being drawn into discussion of the merits of alternative policies where this is politically contentious, and should certainly not venture an opinion as to whether one policy option is preferable to another.

(n) **Attendance by others**

A committee may invite people other than those people referred to in paragraph (m) above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, partner authorities, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

(o) **Call in**

The intention is that call in powers will be used exceptionally by select committees.

- (i) When a decision is made by the Leader, Cabinet, individual Cabinet Members, a committee of the Cabinet or local Members in relation to their local area, or a key decision is made under joint arrangements or by officers, the formal record of the decision shall be published not

later than three working days after the decision is taken. An information bulletin will be published on the S-Net on the day after the meeting summarising the decision taken pending publication of the record.

- (ii) That notice will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of 5 working days after the publication of the decision, unless the appropriate select committee objects to it and calls it in.
- (iii) During that period, a decision may be called in for scrutiny by the committee chairman or vice-chairman or any three or more other committee members from more than one political group. The chairman shall call a meeting of the committee within 10 working days of the expiry of the period referred to in paragraph (ii) above, and where possible after consultation with the decision maker(s).
- (iv) If, having considered the decision, the select committee is still concerned about it, then it may refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to Council. If referred to the decision maker it shall then reconsider within a further 7 working days, amending the decision or not, before adopting a final decision.
- (v) If following an objection to the decision, the select committee does not meet in the period set out in paragraph (iii) above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the select committee meeting, or the expiry of that further 10 working day period in paragraph (iii), whichever is the earlier.
- (vi) If the matter was referred to Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, it has no locus to make decisions in respect of an executive decision unless it is contrary to the policy framework, or contrary to or not wholly consistent with the budget.

Unless that is the case, the Council will refer any decision to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose

whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet as a whole, or a committee of it, a meeting will be convened to reconsider within 10 working days of the Council's request. Where the decision was made by an individual, the individual will reconsider within 5 working days of the Council's request.

- (vii) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is the earlier.
- (viii) The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

EXCEPTION

- (ix) The call-in procedure set out above shall not apply where the decision being taken is urgent in accordance with Rule 6.05(f) (special urgency). A decision will be urgent if any delay likely to be caused by the call in process would seriously prejudice the Council's or the public's interests. The record of the decision, and notice by which it is made public shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in. The chairman of the select committee must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. In the absence of the chairman of the select committee, the Chairman of the Council's consent shall be required. In the absence of both, the Chief Executive's consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Council, together with the reasons for urgency.

(p) The party whip

When considering any matter in respect of which a member of the select committee is subject to an official party whip, the Member must declare the existence of the whip, and the nature of it before the commencement of the committee's deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.
