

Environment & Transport Select Committee
10 September 2014

Local Transport Review

Purpose of the report:

To allow the Committee to input on the proposed changes to bus services in Surrey, as discussed with the Member Reference Group.

Background:

1. A Local Transport Member Reference Group was established March 2014 to support officers in their work to make ongoing savings and efficiencies. This report outlines the officer findings to date, for Members, upon which the Committee will make its recommendations.

Recommendations:

That the Committee comment on the following recommendations to Cabinet:

- a) Authorise officers to carry out wide-ranging consultation on proposed Transport changes with partners, stakeholders, and the wider public during the period October 2014 to January 2015.
- b) At a further meeting in spring 2015, Cabinet consider proposals for change which take into account views expressed in the consultation.

Next steps:

Following consideration of the recommendations by the Committee, the report will be submitted to the meeting of the Cabinet to be held on the 23 September 2014.
