

**SURREY COUNTY COUNCIL**

**LOCAL COMMITTEE (SPELTHORNE)**

**DATE: 29 September 2014**

**LEAD OFFICER: Leigh Middleton, Lead Youth Officer (West Surrey)**

**SUBJECT: Creating Opportunities for Young People – Early Help**

**SUMMARY OF ISSUE:**

Services for Young People is re-commissioning services for 2015-2020 and the new service model will be presented to Cabinet on 23<sup>rd</sup> September 2014. The current Local Prevention commission ends on 31 August 2015 and new funding agreements will be awarded for provision to start on 1 September 2015, subject to Cabinet approval of the new service model.

The Youth Task Group (YTG) has developed a set of local priorities for Local Prevention in Spelthorne which is based on local needs. Providers who bid for Local Prevention will be asked to respond to the local needs and priorities identified in this specification.

The Local Committee is asked to approve the Spelthorne local priorities so that the procurement exercise can start in October.

**RECOMMENDATIONS:**

**The Local Committee (Spelthorne) is asked to :**

- (i) Approve the local set of priorities (Annex 1), to be considered by providers, focusing on the identified needs of Spelthorne and the geographical neighbourhoods prioritised by the Youth Task Group.
- (ii) Note that approval is subject to approval of the Services for Young People model by Cabinet on 23<sup>rd</sup> September 2014.
- (iii) Note the changes to the council scheme of delegation which provides increased decision making to local commissioning in relation to youth work and Surrey Outdoor Learning and Development (SOLD).

**REASONS FOR RECOMMENDATIONS:**

Local Prevention has been in place across Spelthorne since 1<sup>st</sup> April 2012. It has contributed significantly to the reduction in young people becoming Not in Education, Employment or Training (NEET). It is therefore recommended that this early help commission is re-commissioned for 2015-20.

These recommendations will:

## ITEM 8

- a) Support the Council's policy of Creating Opportunities for Young People.
- b) Support the Council's priority to provide early help for children, young people and their families.

### **1. INTRODUCTION AND BACKGROUND:**

Local Prevention is a commission which aims to reduce risk factors and increase protective factors for young people who are identified as being most at risk of becoming Not in Education, Employment or Training (NEET). Local Prevention commissions preventative opportunities for young people in school years 8 to 11. The commission is delivered outside of core school hours all year round.

- 1.1 The first Local Prevention was awarded to The Youth Consortium and ran until 31<sup>st</sup> August 2013.
- 1.2 Re-commissioning took place in 2013 and a funding agreement was awarded to The Lifetrain Trust to deliver the provision.
- 1.3 Current provision is delivered outside youth centres but the new provision will be linked more closely to youth work delivery to provide a seamless service for young people at risk of becoming NEET.
- 1.4 In the last bidding round providers could bid for any amount above 25% of the funding available. Providers will now be able to bid for any amount above 10% of the funding available to encourage smaller providers of specialist niche services to bid.
- 1.5 The amount allocated to each of the eleven Boroughs and Districts is reviewed each commissioning cycle and is based on the needs of each area based on the NEET and Risk of NEET Indicator (RONI) cohorts.
- 1.6 Local Prevention targets priority neighbourhoods with the highest numbers of young people at risk of becoming NEET, who are NEET or who have offended. Providers must operate in these neighbourhoods.
- 1.7 The new provision will place a stronger emphasis on Early Help referrals and will build the role of the Lead Professional into the commission.
- 1.8 Services for Young People previously came to the Local Committee in summer of 2014 to seek views on increased delegation in relation to Centre Based Youth Work (CBYW) and SOLD. The Local Committee welcomed this change which is now being formally put to Cabinet for approval on 23<sup>rd</sup> September. Changes will be made to council delegation. Please see Annex 1a.

### **2. ANALYSIS:**

- 2.1 Services for Young People's strategic objective is for all young people to be employable. Local Prevention contributes to this by reducing risk factors that may lead to a young person becoming NEET.
- 2.2 This provision improves outcomes for young people in response to the priorities identified by the YTG.

- 2.3 It supports localism by providing highly targeted services in the Borough of Spelthorne.
- 2.4 The drop in minimum bids from 25% to 10% of funding available will open up the market for smaller organisations.
- 2.5 The Spelthorne Youth Task Group has identified local priorities for commissioning which are included in Annex 1.
- 2.6 The local priorities are based on an assessment of the local needs which are summarised below:
- Ashford North & Stanwell South (25) and Staines South (25) had the highest numbers of young people who were NEET during 2013-14, followed by Sunbury Common (19), Stanwell North (18) and Ashford Common (17). Ashford North & Stanwell South, Stanwell North and Sunbury Common each had over 50 young people who were identified as at risk of becoming NEET.
  - At 17, Ashford North & Stanwell South had the highest number of young people who received substantive outcomes or Youth Restorative Interventions (YRIs) as a result of offending behaviour, followed by Staines South (15).
  - Stanwell North includes the most deprived super output area in the borough (Spelthorne 001B), which ranks 5<sup>th</sup> in Surrey.
  - Almost 6 in 10 young people who were NEET in Spelthorne were male, slightly above the Surrey average.
  - A high proportion of young people identified as at risk of becoming NEET in Spelthorne had previously been on School Action plans when in school and around 65% had low attainment in English and Mathematics at Key Stage 4.
  - According to the latest available Public Health England data (2009-11), Sunbury Common is one of the few wards in Surrey where the rate of under-18 conception is significantly higher than the national average.
  - Spelthorne's 10-19 year old population is estimated at 10,300 in 2014 (7.7% of Surrey's 10-19 population). This is forecast to grow by 2.9% in the next five years.\*

### **3. OPTIONS:**

- 3.1 The Spelthorne local priorities have been developed by the Youth Task Group and identify the key priorities for Spelthorne to prevent young people from becoming NEET.
- 3.2 The recommendations focus on key geographical neighbourhoods and community priorities. The Youth Task Group agreed that there should be borough-wide access to any commissioned services particularly for Early Help referrals.

#### **4. CONSULTATIONS:**

- 4.1 The proposals for re-commissioning Services for Young People including Local Prevention were published on the 1<sup>st</sup> July 2014 for response by 31<sup>st</sup> July 2014 in the document Creating Opportunities for Young People, Re-commissioning for 2015 to 2020, Engagement Paper.
- 4.2 During July 2014, engagement events were run to obtain feedback from all Services for Young People staff (full and part time), partners, providers, elected members and young people in target groups.
- 4.3 A survey was carried out on the Surrey Says website
- 4.4 A Provider Conference was held for existing and potential new providers to get feedback on the Engagement Paper.
- 4.5 170 people attended the events mentioned above.
- 4.6 The Engagement Paper feedback was presented to the Creating Opportunities for Young People Project Board, and as a result of this the decision to closely align Local Prevention to Youth Work provision was made.
- 4.7 On the 23<sup>rd</sup> September 2014, the Services for Young People model will be presented to Cabinet for approval.

#### **5. FINANCIAL AND VALUE FOR MONEY IMPLICATIONS:**

- 5.1 The re-commissioning of service addresses planned savings included in the MTFP 2014-2019. The model also includes flexibility in the eventuality of future savings being required either for 2015-16 or subsequent years. All contracts include standard break clauses and the ability to revise funding levels if budget changes occur.

#### **6. EQUALITIES AND DIVERSITY IMPLICATIONS:**

- 6.1 Spelthorne's devolved commissioning budget is targeted to groups who are vulnerable or at risk of becoming NEET.
- 6.2 Young people are expected to benefit from a holistic service model which has been developed by experience, good practice and feedback from a range of stakeholders.
- 6.3 An Equalities Impact Assessment (EIA) has been prepared for the Services for Young People Commissioning model and this will accompany the report to be presented to Cabinet for approval on 23<sup>rd</sup> September 2014.
- 6.4 The EIA has highlighted that localised decision-making might disadvantage those who have protected characteristics because of the small number of young people with protected characteristics in each borough / district resulting in their needs being missed. It is proposed, therefore, that priority is given to young people with protected characteristics, where this impacts negatively on their employability when allocating individual grants and youth small grants. This would enable specialist organisations to secure funding to provide services for these young people.

**7. LOCALISM:**

The following areas have been identified by the Youth Task Group as communities which would benefit from Local Prevention delivery: Royal Estate, Sunbury Cross, Stanwell, Stanwell Moor, Hyde Road - Beards Road, Ashford Town, Shepperton Green and Cavendish Road

**8. OTHER IMPLICATIONS:**

Area assessed:	Direct Implications:
Crime and Disorder	Set out below.
Sustainability (including Climate Change and Carbon Emissions)	Set out below.
Corporate Parenting/Looked After Children	Set out below.
Safeguarding responsibilities for vulnerable children and adults	Set out below.
Public Health	Set out below.

**8.1 Crime and Disorder implications**

Evidence shows that young people who are participating in education, training or employment are less likely to commit crime

**8.2 Sustainability implications**

By commissioning local organisations, it is anticipated that there will be a reduction in the need for travel. This will contribute to the reduction in carbon emissions.

**8.3 Corporate Parenting/Looked After Children implications**

Young people who are looked after are a key target group for Services for Young People.

**8.4 Safeguarding responsibilities for vulnerable children and adults implications**

Services for Young People plays a key role in safeguarding vulnerable children and young people in Surrey.

**8.5 Public Health implications**

Services for Young People deliver a number of services that improve the health of young people in Surrey, in particular providing them with information so that they make informed choices about healthy lifestyles, including sexual health.

**9. CONCLUSION AND RECOMMENDATIONS:**

The local specification has been developed in consultation with the Youth Task Group to ensure that bids are tailored to meet local needs.
