

SURREY COUNTY COUNCIL

LOCAL COMMITTEE (SPELTHORNE)

DATE: 29 SEPTEMBER 2014

LEAD

OFFICER: SANDRA BROWN

**SUBJECT: LOCAL COMMITTEE & MEMBERS' ALLOCATION FUNDING –
UPDATE**

DIVISION: SPELTHORNE

SUMMARY OF ISSUE:

Surrey County Council Councillors receive funding to spend on local projects that help to promote social, economic or environmental well-being in the neighbourhoods and communities of Surrey. This funding is known as Members' Allocation.

For the financial year 2014/15 the County Council has allocated £10,300 revenue funding to each County Councillor and £35,000 capital funding to each local committee. This report provides an update on the projects that have been funded since April 2014 to date.

RECOMMENDATIONS:

The Local Committee (Spelthorne) is asked to note:

- (i) The amounts that have been spent from the Members' Allocation and Local Committee capital budgets, as set out in Annex 1 of this report.

REASONS FOR RECOMMENDATIONS:

The allocation of the Committee's budgets is intended to enhance the wellbeing of residents and make the best possible use of the funds. Greater transparency in the use of public funds is achieved with the publication of what Members' Allocation funding has been spent on.

1. INTRODUCTION AND BACKGROUND:

- 1.1 The County Council's Constitution sets out the overall Financial Framework for managing the Local Committee's delegated budgets and directs that this funding should be spent on local projects that promote the social, environmental and economic well-being of the area.
- 1.2 In allocating funds councillors are asked to have regard to Surrey County Council's Corporate Strategy 2010-14 Making A Difference that highlights five themes which make Surrey special and which it seeks to maintain:
- A safe place to live;
 - A high standard of education;
 - A beautiful environment;
 - A vibrant economy;
 - A healthy population
- 1.3 As with all expenditure by the Council, spending of members' allocations should:
- Be directed to activities for which the County Council has legal powers;
 - Meet demonstrable local needs;
 - Deliver value for money, so that there is evidence of the outcomes achieved;
 - Be consistent with County Council policies;
 - Be approved through a process that is open and transparent, consultative, accountable, and auditable;
 - Where appropriate, allow opportunities to be taken to pool funds with partner organisations.
- 1.4 Member Allocation funding is made to organisations on a one-off basis, so that there should be no expectation of future funding for the same or similar purpose. It may not be used to benefit individuals, or to fund schools for direct delivery of the National Curriculum, or to support a political party.

2. RECENT PROJECTS:

- 2.1 Two examples of projects that have received funding:

Peer Productions

£1650 from Carol Coleman

Three, 90-minute performances at Thomas Knyvett College will deal with important health and social issues including teenage pregnancy, body image, mental health and self harm. The company of young actors, aged 17-21 years old, delivers plays in an honest and engaging way that complements the Personal, Social and Health Education curriculum. Made by and for young audiences, the plays have proven to be an effective way to engage and impact upon young people. Performances are followed by discussions exploring the issues raised and signposting young people to further help and support.

Spelthorne and Runnymede Drama Festival

£800 from Denise Saliagopoulos

The Drama Festival is a local, amateur competition that is also part of a larger, National Drama Festival Association competition. Drama groups of all ages, across Surrey, have opportunity to perform at the Riverside Arts Centre in Sunbury on Thames. Participants receive helpful advice from professional adjudicators and have an opportunity to meet, swap ideas and network with other dramatic art enthusiasts. The Festival also provides local audiences with a chance to see a wide variety of plays, since there can be up to three one-act performances each night.

6. FINANCIAL AND VALUE FOR MONEY IMPLICATIONS:

- 6.1 Each project detailed in this report has completed a standard application form giving details of the timescales, purpose and any other funding applications made. The county councillor proposing each project has assessed its merits prior to the project's approval. All bids are received and scrutinised by officers in the County's Community Partnership Team. We also contact officers from other services and departments for advice if we require additional information or specialist knowledge to assess the suitability of projects. We ensure that bids comply with the Council's Financial Framework which contains the financial rules and regulations governing how Members' Allocations funding can be spent.
- 6.2 The current financial position statements detailing the funding by each member of the Committee are attached at **Annex 1**. Please note that these figures will not include any applications that were approved after the deadline for this report had past.

7. EQUALITIES AND DIVERSITY IMPLICATIONS:

- 7.1 The Members' Allocation and Local Committee's budgets are intended to enhance the wellbeing of residents and make the best possible use of the funds. Funding is available to all residents, community groups or organisations based in, or serving, the area. The success of the bid depends entirely upon its ability to meet the agreed criteria, which is the same for all projects.
