

**ADULT SOCIAL CARE SELECT COMMITTEE  
ACTIONS AND RECOMMENDATIONS TRACKER – UPDATED 1 NOVEMBER 2012**

The recommendations tracker allows Committee Members to monitor responses, actions and outcomes against their recommendations or requests for further actions. The tracker is updated following each Select Committee. Once an action has been completed, it will be shaded out to indicate that it will be removed from the tracker at the next meeting. The next progress check will highlight to members where actions have not been dealt with.
