2. AIMS AND OBJECTIVES

- 2.1 Surrey Children's Service has designated services for children in need and in care to promote their health and development.
- 2.2 For some children remaining at home is not always possible so an alternative placement is required to meet their needs.
- 2.3 The first option for children that cannot remain with their birth parents is within the child's extended family or friendship network and if that is not possible, with Local Authority foster carers.
- 2.4 The objective of our Fostering Service is to recruit, assess, train and supervise a sufficiently large and diverse pool of foster carers able to provide placements to meet the assessed needs of every child appropriately referred to us, ensuring that achieving permanency is the focus from the time that the child becomes looked after.

3 PRINCIPLES AND STANDARDS OF CARE

- 3.1 Fostering is primarily a service for children, and no adult has a right to become a foster carer.
- 3.2 Applicants and approved foster carers do however have the right to respect in all our dealings with them and, providing this does not conflict with safeguarding the welfare of children, our full support at all times.
- 3.3 Children have the right to be protected from harm and abuse.
- 3.4 Local Authority foster carers are key stakeholders in the service. They are volunteers not employees.
- 3.5 When matching children with foster carers we will seek to ensure the following, unless any of these are inconsistent with promoting the welfare of the child:
 - Siblings are placed together
 - Contact with birth family and friends is facilitated
 - Children are placed as close to home as possible
 - Children are placed with foster carers that meet their racial, cultural, religious and linguistic needs
 - Wherever possible there will be a period of introduction before the placement commences
 - The views of the child are sought prior to and, on a regular basis, during the placement

- The educational and health care needs, including any needs arising from a child's disability, are met by the foster placement.

4. SERVICES PROVIDED

- 4.1 Short-Term Foster Care: placements that assist in the assessment of the child's needs and prepare the child for moving on to permanency or return to home in line with their agreed care plan.
- 4.2 Permanent Foster Care: placements, which will continue into adulthood.
- 4.3 Short Breaks
- Short- stay care for disabled children provided by a series of overnight or weekend breaks.
 - Fee Paid Carers Scheme: short break carers who give a commitment to work full-time providing short breaks for severely disabled children one at a time.
- 4.4 Family and Friends Care: carers who were known to the child/young person or their family prior to the placement starting. This includes Special Guardianship and Private Fostering arrangements
- 4.5 Enhanced Fostering – experienced foster carers who are able to take young people with complex and challenging behaviour
- 4.6 Supported Lodgings: providing supported accommodation for 16-18 year olds and care leavers
- 4.7 Parent / Child Scheme: providing placements to enable parenting assessments to be completed in the community

MATCHING

- 8.1 The fostering service matches the needs of children with the competencies of foster carers when making decisions about the best placement for each child.
- 8.2 The fostering service has a dedicated family finding function for children, which identifies permanent placements.

9. RECRUITMENT, APPROVAL, TRAINING AND REVIEW OF FOSTER CARES.

RECRUITMENT

- 9.1.1 The service aims to recruit a flexible and diverse pool of foster carers who are able to meet the needs of all children appropriately referred for a foster placement.
- 9.1.2 To help achieve this aim, the Recruitment Manager has been working with iMPower to recruit foster carers in a more targeted way to increase the pool of foster carers that can meet the needs of the children and young people referred to the Service. The Recruitment Officer works closely with the county Communications Team and is responsible for fostering recruitment activity across the county.

- 9.1.3 General fostering applicants are assessed and a report using the BAAF Form F is written. A new form has been devised for assessment of Family & Friends carers and Special Guardianship Orders
- 9.1.4 The objective of the assessment process is to ensure that we recruit a competent, committed and safe pool of foster carers who are able to respond to the complex needs of children referred to the Service.

APPROVAL

- 9.2.1 Completed assessments are presented to one of Surrey's Foster Panels. The panel considers the application and then refers the applicants' assessment, with their recommendation to the Agency Decision-Maker.
- 9.2.2 The Agency Decision Maker makes the final decision on approval. The decision is confirmed to the foster carer in a letter. Any conditions attached to the decision will be given in writing.
- 9.2.3 Should the Agency Decision Maker be mindful not to approve, the applicant will have twenty-eight days in which to make further representations or to apply to the Independent Review Mechanism (IRM) for review of this decision which is known as a qualifying determination.
- 9.2.4 Following the IRM the Agency Decision Maker takes into account the review panel's recommendation as well as that of the foster panel when making decisions on a foster carer's suitability to foster a child. There is no appeal against the decision of the Agency Decision Maker, although applicants may use the complaints procedure if they feel they have been treated unfairly during the process of decision-making.

LEARNING & DEVELOPMENT

- 9.3.1 The fostering service places a high value on the training of foster carers and we believe that training and skills development are an integral part of the fostering task from the point of application to 'retirement'. The emphasis therefore is on continuous learning and development.
- 9.3.2 A comprehensive Learning and Development programme exists to build the core competencies, knowledge and skills of all foster carers.
- 9.3.3 All applicants are required to attend a series of preparation groups through the Skills to Foster training course, in addition to a basic Safeguarding course before they are approved as foster carers. A preparation session is also available for prospective carers' own children
- 9.3.4 Following ratification of their approval by the Agency Decision Maker, foster carers are given access to the foster carers' secure website, access to of the Fostering Handbook (on the website) and briefed on the Learning and

Development Programme and Support Groups, which they will be expected to attend.

- 9.3.5 For new foster carers there is an expectation they will complete core topics within the Learning and Development Programme, relevant to their role, within a specified timescale and in line with the National Minimum Standards
- 9.3.6 New general foster carers have 12 months in which to complete the DfE Standards. Family and Friends carers have 18 months to complete the Standards
- 9.3.7 Each foster carer has a Personal Development Plan, which is regularly reviewed; outlining their specific learning and development needs, and will be encouraged to build up a training portfolio. This will be linked to the Level they are on for the 'skills element' of the foster carer allowance
- 9.3.8 All new foster carers will be offered a group or mentor to support them in completing the DfE Standards. Existing foster carers may also receive support from a mentor as identified by the supervising social worker.
- 9.3.9 Each foster carer will have a workbook to enable them to evidence their progress in meeting the Standards
- 9.3.10 The Personal Development Plan and progress regarding the Standards will be monitored and signed off by the supervising social worker during supervision visits
- 9.3.11 All training and development is linked to the Standards and is reviewed prior to and within the foster carers' first Annual Review, and annually thereafter.
- 9.3.12 The fostering service ensures that the required learning and development opportunities are accessible to all foster carers. This will be achieved through learning and development being delivered in a variety of formats at different venues and at different times of the days.
- 9.3.13 Regular meetings between the Learning and Development team, the fostering service and representatives of foster carers take place in order to ensure that the Learning and Development programme is tailored to the needs of foster carers.
- 9.3.14 Access to a Diploma qualification is available for all experienced foster carers
- 9.3.15 Practical support will be made available to facilitate learning and development.

REVIEWS

- 9.4.1 The Fostering Service will review the approval of all foster carers not more than a year after approval and thereafter whenever the service considers necessary, but at intervals of no more than a year.

- 9.4.2 The Foster Panel considers the first Annual Review makes a recommendation to the Agency Decision Maker.
- 9.4.3 Supervising social workers will complete subsequent household Reviews and a care services team manager will sign them off.

Foster panel will also consider reviews in the following circumstances:

- 9.4.4 Where there is a proposed change of the terms of a foster carer's approval, which increases the age range or number of children they wish to be approved for
- 9.4.5 When a foster carer resigns
- 9.4.6 Where there is a proposal to terminate a foster carer's approval
- 9.4.7 Where there has been a safeguarding investigation involving the foster carer or a member of their household, or where there are significant concerns about the foster carers' standards of care
- 9.4.8 Any changes to the approval of the foster carer on the suitability to care for a child or changes in the terms of approval are considered a 'qualifying determination'. A foster carer may, if they disagree, make representation to the Foster Panel or apply to the IRM for a review of the decision within 28 days. The Agency Decision Maker will take into account the views of the Foster Panel and/or the IRM when making a final decision. There is no right of appeal but foster carers may access the complaint's procedure if they feel unfairly treated
- 9.4.9.1 In carrying out Household Reviews, the service will always seek to obtain the views of the following:
- The foster carers and members of their household, including their own children
 - Foster children who are living in the foster home
 - Social workers who have had children in placement during the preceding twelve months
- 9.4.10 All Household Reviews will consider the training and development needs of the foster carers. The foster carers' progress in meeting targets outlined within their Personal Development Plan, linked to the DfE Standards, will also be reviewed at Reviews.
- 9.4.14 The support needs of the foster carers' own children will also be considered at Reviews.
