

## Surrey Health and Wellbeing Board

<b>Date of meeting</b>	11 June 2015
------------------------	--------------

**Item / paper title:** Older Adult's Health and Wellbeing – status update

<b>Purpose of item / paper</b>	1. Following on from the meeting of the Health and Wellbeing Board in December 2014, this report summarises progress against the aims and outcomes for improving older adults health and wellbeing, 6 months on.
<b>Surrey Health and Wellbeing priority(ies) supported by this item / paper</b>	<p>Surrey's Joint Health and Wellbeing Strategy (JHWS) commits to five priorities:</p> <ol style="list-style-type: none"> <li>1. Improving children's health and wellbeing</li> <li>2. Developing a preventative approach</li> <li>3. Promoting emotional wellbeing and mental health</li> <li>4. Improving older adults' health and wellbeing</li> <li>5. Safeguarding the population</li> </ol> <p>This status update sets out how the priority for improving older adults health and wellbeing is being delivered. It reports on the priorities identified by the Health and Wellbeing Board:</p> <ul style="list-style-type: none"> <li>• Older adults will stay healthier &amp; independent for longer</li> <li>• Older adults with dementia will have access to care and support</li> <li>• Older adults will experience hospital admission only when they need to access urgent care services and will be supported to return home as soon as possible</li> <li>• Older Carers will be supported to live a fulfilling life outside caring</li> </ul>
<b>Financial implications - confirmation that any financial implications have been included within the paper</b>	The Older Peoples Health and Wellbeing plan is underpinned by the Better Care Fund investments, Performance outcomes from the Better Care Fund are reported to the Board separately.
<b>Consultation / public involvement – activity taken or planned</b>	The priority setting and status update has been informed by extensive public consultation on the Health and Wellbeing Strategy and needs analysis including service user experiences. Actions have been developed through workshops and meetings

	<p>with the Health and Wellbeing Board.          The detail of delivery will continue to be further shaped by engagement with wider stakeholders for each action and further co-production with service users where appropriate.</p>
<b>Equality and diversity - confirmation that any equality and diversity implications have been included within the paper</b>	<p>The plan is underpinned by the overall equality impact assessment of the Health and Wellbeing Board.</p>
