ITEM 9

**SURREY**

**SCC LOCAL COMMITTEE IN ELMBRIDGE – 8 June 2015**

**AGENDA ITEM 9**

**PETITIONS**

1. To receive a petition with 152\* signatures from a resident, Matt Ralph, requesting Surrey County Council to supply a safe pedestrian crossing on Hurst Road for the new Hurst Park Primary School. The petition states:

The transport plan created for Surrey County Council by Atkins Transport outlines the future for the new Hurst Park Primary school for sustainable transport methods for children to and from the school. It is plain in neglecting a quarter (or more) of the children from safely crossing the busy Hurst Road as it does not include a safe pedestrian crossing. Therefore the transport plan fails, and is ineffective. Less than 2 miles away on the same road, Grovelands Primary has been given its own zebra crossing. Funds from the highways budget should be allocated to rectify this critical highways safety issue and provide a safe crossing for primary and nursery age children - be that a zebra crossing or traffic light controlled crossing.

(\*at deadline for Local Committee. Further 21 since added.)
