The proposal will not have a negative impact on the provision of the school's extended services.

Need or demand for additional places

24. If the proposals involve adding places—

- (a) a statement and supporting evidence of the need or demand for the particular places in the area;

Reigate and Banstead is experiencing a significant increase in the demand for school places, reflecting both a significant rise in birth rate and increased house building and migration within the area. Births in the Borough in 2014 were 24.8% higher than births in 2002. A significant number of primary school places have been provided reflective of this demand and further growth is anticipated in the period up to 2022, which needs to be accommodated via further expansions of school provision. If approved, this proposal would provide 240 additional junior places within Reigate and Redhill that would, in part, help to bridge the projected gap between the supply of and demand for school places.

- (b) where the school has a religious character, a statement and supporting evidence of the demand in the area for education in accordance with the tenets of the religion or religious denomination;

As it is proposed to extend the age range, rather than the PAN, the proposal does not require an augmented level of Anglican demand in the area; merely that the existing Infant-age pupils are retained into the Junior phase.

- (c) where the school adheres to a particular philosophy, evidence of the demand for education in accordance with the philosophy in question and any associated change to the admission arrangements for the school.

- (a) a statement and supporting evidence of the reasons for the removal, including an assessment of the impact on parental choice; and

N/A

- (b) a statement on the local capacity to accommodate displaced pupils.

N/A

Expansion of successful and popular schools

25A. (1) Proposals must include a statement of whether the proposer considers that the presumption for the expansion of successful and popular schools should apply, and where the governing body consider the presumption applies, evidence to support this.

(2) Sub-paragraph (1) applies to expansion proposals in respect of primary and secondary schools, (except for grammar schools), i.e. falling within:

(a) (for proposals published by the governing body) paragraph 1 of Part 1 to Schedule 2 or paragraph 12 of Part 2 to Schedule 2;

(b) (for proposals published by the LA) paragraph 1 of Part 1 to Schedule 4 or 18 of Part 4 to Schedule 4

of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended).

Being rated 'Outstanding' by Ofsted, the school has a strong reputation and is oversubscribed for school places. For September 2015, the school received 70 1st preferences, and 249 preferences overall. Expanding this school will promote parental preference, by allowing the option of continuing education into the Junior

phase at a demonstrably popular school.
