

Information on Proposed Street Works						
Road Name and Number		B382 - OLD WOKING ROAD – West Byfleet/Woking				
Utility Company		Southern Gas Networks				
Reason for Works	Southern Gas Networks will be undertaking an extensive mains replacement project. In addition to replacing existing metallic pipe work with new polyethelene pipes to reduce leakage risk, there is a necessity to increase the existing pipe size significantly because of supply / demand problems in the local area especially during the colder months which if not addressed will leave residents without a mains gas supply.					
Extent of works	<div></div> <p>Works will be from the junction of A245 Sheerwater Rd – East Hill</p>					
Highway Impact	The majority of this work will be carried out using 2 way traffic signals but multi way signals will be required at the start point at Sheerwater Water. There will be various side road closures to keep traffic flowing on Old Woking Rd. <b>Some disruption can be expected and journey times will be affected.</b>					
Works Duration	<p>Work is expected to start on the 3<sup>rd</sup> August 2015 and is anticipated to last around 36 weeks with a one month break during December for the Christmas period. Extended working hours including weekends will be used to expedite the completion of the project. The timing of the works will allow the use of the school summer holiday period when traffic volumes are known to be lower.</p> <p>Advance warning signs will be erected at suitable locations. A letter drop to local residents and schools will be carried out by Southern Gas Network.</p> <p>Two “drop in” information sessions have been arranged for:</p> <table><tr><td><b>Tuesday 14<sup>th</sup> July:</b> St John the Baptist West Byfleet Camphill Road West Byfleet KT14 6EH</td><td><b>Monday 20<sup>th</sup> July:</b> St Peter's Church Old Woking Church Street Old Woking GU22 9JF</td></tr></table>				<b>Tuesday 14<sup>th</sup> July:</b> St John the Baptist West Byfleet Camphill Road West Byfleet KT14 6EH	<b>Monday 20<sup>th</sup> July:</b> St Peter's Church Old Woking Church Street Old Woking GU22 9JF
