SUMMARY OF ISSUE:

To note:

- the year-end revenue and capital budget monitoring projections as at the end of November 2012.

RECOMMENDATIONS:

It is recommended that the Cabinet:

1. notes the projected revenue budget underspend; (Annex 1 – Section A) and the Capital programme direction; (Section B)
2. confirms that government grant changes are reflected in directorate budgets; (Section C)

REASON FOR RECOMMENDATIONS:

To comply with the agreed strategy of providing a monthly budget monitoring report to cabinet for approval and action as necessary.

DETAILS:

1. The council's 2012/13 financial year commenced on 1 April 2012 and this is the sixth financial report of this financial year.
2. The council has implemented a risk based approach to budget monitoring across all directorates and services. The risk based approach is to ensure that resources are focused on monitoring those budgets assessed high risk, due to their value or volatility. There is a set of criteria to evaluate all budgets into high, medium and low risk.
3. High risk areas report monthly, where as low risk services areas report on an exception basis. This is if the year to date budget and actual spend vary by more than 10%, or £50,000, whichever is lower.

4. Annex – Section A to this report sets out the council’s revenue budget forecast year end outturn as at the end of November 2012. The forecast is based upon current year to date income and expenditure as well as projections using information available to the end of the month. The report provides explanations for significant variations from the budget.
5. Annex – Section B to this report updates Cabinet on the council’s capital budget.
6. Annex – Section C provides details of the revenue changes to government grants and other budget virements.
