

Mole Valley 2016 Parking Review – List of roads not progressed

The following list provides the roads where we received one or more requests that were assessed and considered not appropriate to introduce (or remove / amend) permanent parking controls at this time.

This can be for various reasons, and there are a number of roads on this list that may be re-visited as part of the next review. Requests can relate to a specific part of the road rather than the road in general, so even though a road is listed it does not necessarily mean that all parking situations in that road have been assessed.

While every effort has been made to ensure this list is as accurate as possible, there may have been locations that do not appear in this list due to the fact that it was considered along with a nearby road during the assessment. If further clarification is sought please contact Surrey County Council's Parking Team.

Bentsbrook Road	Fortyfoot road (Private Road)	Kingston Road	Squirrels Green
Barnett Close (looked at in last review - not progressed)	Gaveston Road (request is a highway construction issue)	Little Bookham Street	Station Road, Spring Gardens (last review - to be installed)
