Increasing the "Upfront Amount" may reduce the overall cost of the plan. If the customer wishes to pay in full please type the "Customer Total Amount" value into the "Upfront Amount" box and press the "Recalculate" button.

If the customer just wishes to increase their upfront payment please type their payment amount in the "Upfront Amount" box and press the "Recalculate" button. In each case this will automatically update the plan cost, including any saving.

Plan Cost	946.92	Deposit(inc.first payment)	19.30	Customer Amount	1136.31
VAT Amount	189.39	followed by	33	Manufacturer Amount	0.00
Total Amount	1136.31	monthly payments of	31.52	Upfront Amount	76.85
