**WELLBEING AND HEALTH SCRUTINY BOARD  
ACTIONS AND RECOMMENDATIONS TRACKER – UPDATED APRIL 2016**

The recommendations tracker allows Board Members to monitor responses, actions and outcomes against their recommendations or requests for further actions. The tracker is updated following each Scrutiny Board. Once an action has been completed, it will be shaded out to indicate that it will be removed from the tracker at the next meeting. The next progress check will highlight to members where actions have not been dealt with.
