COMMITMENT TO GOOD GOVERNANCE

The Corporate Strategy, 'Confident in Surrey's future' sets out the council's overall purpose to ensure Surrey residents remain healthy, safe and confident about their future.

Good corporate governance underpins confidence in public services and should be transparent to all stakeholders. We are committed to demonstrating that the council has sound corporate governance and the Governance Strategy and this Code of Corporate Governance sets out the way we meet that commitment. This in turn promotes adherence to our values that guide the behaviour of all officers and Members:

Corporate governance is the way in which the council directs and controls its arrangements to ensure that the intended outcomes for stakeholders are defined and achieved. A robust governance code provides assurance that Surrey is meeting best practice in protecting its assets and serving the community.

The council annually reviews the effectiveness of its governance arrangements and produces an Annual Governance Statement (AGS), which summarises the governance framework and environment in place during the year. The AGS is signed by the Chief Executive and the Leader of the Council and is included within the Statement of Accounts, as required by statute. A summary of the AGS is also included within our Annual Report.

This Code of Corporate Governance supplements the Governance Strategy and sets out the mechanisms for monitoring and reviewing the corporate governance arrangements, which enables the council to identify good governance practice and also areas for improvement.

Our Corporate Strategy, Confident in Surrey's future

GOOD GOVERNANCE PRINCIPLES

Principles of Public Life

The council is committed to ensuring that good governance is in place and that we are serving the local community in accordance with the seven principles of public life as defined by the Nolan Committee¹. These principles apply to everyone working in the public services and should be incorporated into all codes of conduct and behaviour to ensure residents and service users receive a high quality service.

The principles are as follows:

Selflessness

Officers and members should act solely in terms of the public interest. They should not act in such a way in which to gain financial or other benefits for themselves, their family or their friends.

Integrity

Officers and members should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, officers and members should make choices on merit.

Accountability

Officers and members are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their role.

Openness

Officers and members should be as open as possible about all decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty

Officers and members have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the people of Surrey.

Leadership

Officers and members should promote and support the principles by leadership and example.

¹ The Nolan Committee was established in 1994 by the Prime Minister in response to concerns that conduct by some politicians was unethical.

Core Governance Principles

The council has adopted six core governance principles, which ensure good governance, compliance with the principles of public life and support the achievement of our Corporate Strategy and Governance Strategy.

SUPPORTING GOVERNANCE DOCUMENTS

There is a robust framework of council policies and processes that are of key importance in maintaining good governance, support the achievement of the Corporate Strategy and Governance Strategy and underpin compliance with the core governance principles. The documents are shown at Annex A.

Responsibility for each governance document ultimately rests with the Chief Executive or one of the strategic directors, aside from statutory functions that fall within the personal responsibility of the Section 151 Officer or the Monitoring Officer. Cabinet Members must also demonstrate ownership within their individual portfolios.

Below those officers and members mentioned above, where appropriate, are officers who have a material input and control over governance documents. These officers are referred to as Governance Custodians and they are shown in Annex B.

Governance Custodians are responsible for keeping documents up to date and therefore making necessary changes. Any significant changes require approval by members or officers as shown at Annex C. It is the decision of the relevant officer and/or member as to what is classed as significant.

GOVERNANCE REVIEW

The annual review of governance assesses the level of compliance with each of the core governance principles. A flowchart showing the process is shown at Annex D. The review consists of a number of parts as follows.

PART 1 – CUSTODIAN ASSURANCE

Governance Custodians are required to complete an annual Custodian Assurance Statement. A summary report is presented to the Governance Panel, which makes recommendations on any specific areas to be reviewed as part of the governance compliance work undertaken by Internal Audit (see below).

PART 2 – GOVERNANCE COMPLIANCE AND REPORT ON INTERNAL CONTROL

Following agreement by the Governance Panel on the areas of focus, a number of methods are used by Internal Audit to test governance compliance:

- Relevant audit reviews already undertaken or in progress;
- Use of surveys sent to a sample of staff and members; and
- Assurance mapping.

Key findings from the testing above are presented to the Governance Panel and any significant areas will be included in the AGS.

The Chief Internal Auditor uses information gathered from internal audit reviews carried out as part of the annual audit plan, to report on the adequacy of the overall internal control

environment. This report is presented to the Governance Panel and any significant areas will be included in the AGS

PART 3 – ASSESSMENT OF THE CORE GOVERNANCE PRINCIPLES

The Risk and Governance Manager carries out the annual assessment of the core governance principles. The review consists of:

- interviews with key officers,
- reviewing existing procedures,
- assessing existing governance arrangements against best practice, and
- reviewing any assurance mapping undertaken by Internal Audit.

A summary report is then presented to the Governance Panel and any significant findings will be included in the AGS.

PART 4 – ADDITIONAL GOVERNANCE INFORMATION

In order to pull together a full picture of governance across the organisation, the Governance Panel also look at any relevant reports and findings from other inspectorates and groups, along with any self-assessments that the council has completed within the relevant year. Any significant issues are then included in the AGS and the information can include the following:

- External audit reports
- External inspection reports
- Annual review of the effectiveness of the system of internal audit
- Member task group reports and findings

PART 5 - AGS

Taking all the above information into account, the draft AGS is developed and agreed by the Governance Panel. The Chair of the Governance Panel consults with the Statutory Responsibilities Network and the senior leadership team before the AGS is presented to the Audit and Governance Committee and the Cabinet for approval. The AGS is then incorporated into the Statement of Accounts and the Annual Report.

PART 6 - MONITORING

The Governance Panel monitors progress on any improvement actions identified and update reports are presented to senior officers and the Audit and Governance Committee as appropriate.

All staff and members have a role in ensuring good governance but specific responsibilities are set out below:
