Horizon 2 - 2017-2021 – Annex A

Waverley Local Committee scheme
consideration, 9 December 2016

Selecting 20% of the Horizon 2 Road Programme

- Local Committee Members are being given the opportunity to select the final 20% of the Horizon 2 Road Programme 2018-2021
- In consultation with Local Committee Chairpersons it has been agreed that there is an equal split of 2273 metres available per district/borough.
- The roads are listed in priority order
- The council's Asset Management Team and engineering professionals would recommend the roads at the top of the list are selected
- The Local Committee can select any roads on the list up to a total length of 2273 metres.
- Up to date versions of the lists will be available through the Members portal

The science behind this priority list

- Following national and industry wide best practice (many methods developed by the Department for Transport, Transport Research Laboratory at Crowthorne amongst others)
- Surrey County Council employs a group of experienced professionals to apply the methodology and methods
- Objective scoring

Objective survey (“SCANNER” vehicle shown above) AND Engineer’s survey (recorded on Trimble device shown below)

Importance of the road (its Surrey Priority Network,SPN level)

- Number of safety defects that have been repaired on the road (its history)
- Number of insurance claims
- Skid and accident data
- Skid condition

(SCRIM machine above, used to calculate the skid condition of Surrey’s roads)
