

Parking at the Abraham Cowley Unit/St Peter's Hospital

As with all hospitals, St Peter's is a busy site and it can be difficult to park.

There is a small car park outside the Abraham Cowley Unit but we advise you not to park there between office hours: our staff park there and it gets very busy. You can usually find a space there after 4pm.

Pay and display car parks

If you can't find a space at the Abraham Cowley Unit, there are pay and display car parks close by.

Parking charges

Charges for parking on the St Peter's site are as follows:

First 20 minutes	Free
Up to 2 hours	£3.20
2 – 3 hours	£4.00
3- 4 hours	£5.00

Blue badge holders can park at St Peter's free of charge. To obtain free exit, please take your badge or a photocopy of it (not just the number) to the main reception desk in outpatients.
