Police and Crime Plan Summary

6th February 2013

SUMMARY

To provide the panel with a summary of the Police and Crime Plan to date to inform decision making on the PCC's proposed budget for 2013/2014.

RECOMMENDATIONS

Members of the Police and Crime Panel are asked to note the development of the Police and Crime Plan and its links to the PCC's proposed budget.

INTRODUCTION AND BACKGROUND

The PCC is required to develop a Police and Crime Plan which covers his term of office. This is to be developed by end of March 2013. The plan is currently under development and is still being informed by consultation with the public, victim and businesses. However, in developing the proposed budget, the PCC has to consider his plan and priorities in broad terms and whether these are achievable within the likely available resource.

The attached draft summary of the plan is to provide the panel with draft priorities to aid discussions on the budget. It is not presented for panel comment at this time as it is still in draft form as consultation is still on-going. The full plan will be presented to the panel on 15th March 2013.
