

Highways Update – Annex F – Proposed new bus stop clearways adjacent to and opposite Tomlin Court, Hook Road  
**Request for clearway restrictions for an existing bus stops on Hook Road Epsom**

**Location:** Existing bus stops adjacent to and opposite Tomlin Court

**Problem:** Buses are unable to pull into the kerb due to inconsiderate parking at certain times of the day. This results in passengers having to board and alight in the carriageway.

**Proposal:** to mark out two bus stop cages to comply with TSRGD diagram 1025.1. and introduce ‘bus stop clearways’ giving the buses uninterrupted access to the boarding area.

The times of restriction to be **no stopping 7am to 7pm Monday to Saturday** which is appropriate to the operating times of the bus service (this follows Department of Transport guidance for introducing bus stop clearways).

Following committee approval, a letter drop will be undertaken to any directly affected frontages advising of the new restriction prior to the bus cages being marked out.
