The Changing Nature Of Crime Demand

Crime is Changing – In the past three years there has been significant increases in reports of **Rape** (153%), **Sexual Offences** (122%) and **Domestic Abuse** (34%). In the same time period reports of **House Burglaries** have fallen by 24% and reports of **Theft from Vehicles** is down 32%.

Crime is Moving – from the public space to the private space.

Changes in Technology – use of the internet for crime is on the increase but technology also provides an opportunity for us to deliver services differently.

Policing In Your Neighbourhood (PIYN)

From April 2016 – **10 Year Project**

Policing services are in demand

- We have approximately 675,500 contacts with the public each year.
- We formally recorded a higher proportion of these than our peers
- We actively investigated a higher proportion of recorded crimes than benchmark forces
